**Be it enacted by the General Assembly of Virginia:**

**1. That the Code of Virginia is amended by adding sections numbered 2.2-214.2, 2.2-214.3, and 2.2-214.4 as follows:**

§ 2.2-214.2. *Office created; appointment.*

*There is hereby created the Office of the Children's Ombudsman to provide ombudsman services to any child served by any child-serving agency of the Commonwealth. The ombudsman shall be appointed by the Governor. The ombudsman shall initially be appointed for a term that expires one full year following the end of the Governor's term of office, and, thereafter, the term shall be for four years. Vacancies shall be filled by appointment by the Governor for the unexpired term.*

§ 2.2-214.3. *Powers and duties*

*The ombudsman shall have the following powers and duties:*

*1. To operate and manage the Office of the Children's Ombudsman and to employ such personnel as may be required to carry out the provisions of this section;*

*2. To receive, investigate and take all reasonable steps to mediate or resolve complaints regarding the child-serving agencies. However, after an initial investigation of any complaint, the ombudsman may decline to further investigate any complaint if the ombudsman determines that the complaint is frivolous or not made in good faith;*

*3. When investigating a complaint received pursuant to this section, to enter and inspect any public or private facility, institution or residence where a child has been placed by a court or a child-serving agency and is currently residing. Inspections conducted pursuant to this subdivision may be unannounced;*

*4. When investigating a complaint received pursuant to this section, to make such inquiries, and obtain such assistance as the ombudsman may require in the discharge of the ombudsman's duties from any agency, division of any agency, or other state entity or from any agency, division of any agency, or other entity of any political subdivision of the Commonwealth;*

*5. Notwithstanding any provisions to the contrary, to access any and all information, including confidential information, necessary for the full and complete investigation of the complaint. All information obtained shall be maintained by the ombudsman as confidential in the same manner as is required by the agency or entity from which it was obtained. The ombudsman shall be subject to the same penalties for disclosure of confidential information as the entity or person from whom the information was obtained;*

*6. To enter into an agreement with any state agency providing advocacy, client assistance or ombudsman services to the agency's clients, to ensure the protection of children, provided that such agreements do not restrict the authority of the ombudsman to pursue legal or administrative remedies on behalf of children;*

*7. To notify the law-enforcement agency and the attorney for the Commonwealth in the jurisdiction in which a secure facility, shelter care facility or detention home, as defined in § 16.1-228, or residential public charter school is located when the ombudsman has reason to believe that there has been a violation of state criminal law; however, when the ombudsman has reason to believe that the criminal action has been committed in a state facility, notice shall be given to the director or commissioner of the department responsible for licensing or regulating such facility;*

*8. To report to the head of any agency any serious problem, abuse or deficiency related to that agency, or any programs or facilities operated by that agency, at such time as the problem, abuse or deficiency is discovered by the ombudsman;*

*9. To promote the continuous improvement in the administration of children's services, including identifying and disseminating best practices related to the administration and delivery of children's services, working with child-serving agencies to promote competency, efficiency and justice in the administration and delivery of children's services, and recommending policy, regulatory and legislative changes for the purpose of ensuring the well-being of children;*
