If a prepaid tuition contract was purchased by such taxpayer during taxable years beginning on or after January 1, 1996, but before January 1, 1998, such taxpayer may take the deduction for the full amount paid during such years, less any amounts previously deducted with respect to such payments, in taxable year 1999 or by filing an amended return for taxable year 1998.

No deduction shall be allowed pursuant to this section if such payments or contributions are deducted on the purchaser's or contributor's federal income tax return. If the purchase price or annual contribution to a savings trust account exceeds \$4,000, the remainder may be carried forward and subtracted in future taxable years until the purchase price or savings trust contribution has been fully deducted; however, except as provided in subdivision 7 c, in no event shall the amount deducted in any taxable year exceed \$4,000 per contract or savings trust account. Notwithstanding the statute of limitations on assessments contained in § 58.1-312, any deduction taken hereunder shall be subject to recapture in the taxable year or years in which distributions or refunds are made for any reason other than (i) to pay qualified higher education expenses, as defined in § 529 of the Internal Revenue Code or (ii) the beneficiary's death, disability, or receipt of a scholarship. For the purposes of this subdivision, the term "purchaser" or "contributor" means the person shown as such on the records of the Virginia College Savings Plan as of December 31 of the taxable year.
