60 video and audio communication is used, an intake officer may exercise all powers conferred by law. All  
61 communications and proceedings shall be conducted in the same manner as if the appearance were in  
62 person, and any documents filed may be transmitted by facsimile process. The facsimile may be served  
63 or executed by the officer or person to whom sent, and returned in the same manner, and with the same  
64 force, effect, authority, and liability as an original document. All signatures thereon shall be treated as  
65 original signatures. Any two-way electronic video and audio communication system used for an  
66 appearance shall meet the standards as set forth in subsection B of § 19.2-3.1.

67 When the court service unit of any court receives a complaint alleging facts which may be sufficient  
68 to invoke the jurisdiction of the court pursuant to § 16.1-241, the unit, through an intake officer, may  
69 proceed informally to make such adjustment as is practicable without the filing of a petition or may  
70 authorize a petition to be filed by any complainant having sufficient knowledge of the matter to  
71 establish probable cause for the issuance of the petition.

72 An intake officer may proceed informally on a complaint alleging a child is in need of services, in  
73 need of supervision or delinquent only if the juvenile (i) is not alleged to have committed a violent  
74 juvenile felony or (ii) has not previously been proceeded against informally or adjudicated delinquent for  
75 an offense that would be a felony if committed by an adult. A petition alleging that a juvenile  
76 committed a violent juvenile felony shall be filed with the court. A petition alleging that a juvenile is  
77 delinquent for an offense that would be a felony if committed by an adult shall be filed with the court if  
78 the juvenile had previously been proceeded against informally by intake or had been adjudicated  
79 delinquent.

80 If a juvenile is alleged to be a truant pursuant to a complaint filed in accordance with § 22.1-258 and  
81 the attendance officer has provided documentation to the intake officer that the relevant school division  
82 has complied with the provisions of § 22.1-258, then the intake officer shall file a petition with the  
83 court. The intake officer may defer filing the complaint for 90 days and proceed informally by  
84 developing a truancy plan. The intake officer may proceed informally only if the juvenile has not  
85 previously been proceeded against informally or adjudicated in need of supervision for failure to comply  
86 with compulsory school attendance as provided in § 22.1-254. The juvenile and his parent or parents,  
87 guardian or other person standing in loco parentis must agree, in writing, for the development of a  
88 truancy plan. The truancy plan may include requirements that the juvenile and his parent or parents,  
89 guardian or other person standing in loco parentis participate in such programs, cooperate in such  
90 treatment or be subject to such conditions and limitations as necessary to ensure the juvenile's  
91 compliance with compulsory school attendance as provided in § 22.1-254. The intake officer may refer  
92 the juvenile to the appropriate public agency for the purpose of developing a truancy plan using an  
93 interagency interdisciplinary team approach. The team may include qualified personnel who are  
94 reasonably available from the appropriate department of social services, community services board, local  
95 school division, court service unit and other appropriate and available public and private agencies and  
96 may be the family assessment and planning team established pursuant to § 2.2-5207. If at the end of the  
97 90-day period the juvenile has not successfully completed the truancy plan or the truancy program, then  
98 the intake officer shall file the petition.

99 Whenever informal action is taken as provided in this subsection on a complaint alleging that a child  
100 is in need of services, in need of supervision or delinquent, the intake officer shall (i) develop a plan for  
101 the juvenile, which may include restitution and the performance of community service, based upon  
102 community resources and the circumstances which resulted in the complaint, (ii) create an official record  
103 of the action taken by the intake officer and file such record in the juvenile's case file, and (iii) advise  
104 the juvenile and the juvenile's parent, guardian or other person standing in loco parentis and the  
105 complainant that any subsequent complaint alleging that the child is in need of supervision or delinquent  
106 based upon facts which may be sufficient to invoke the jurisdiction of the court pursuant to § 16.1-241  
107 will result in the filing of a petition with the court.

108 C. The intake officer shall accept and file a petition in which it is alleged that (i) the custody,  
109 visitation or support of a child is the subject of controversy or requires determination, (ii) a person has  
110 deserted, abandoned or failed to provide support for any person in violation of law, (iii) a child or such  
111 child's parent, guardian, legal custodian or other person standing in loco parentis is entitled to treatment,  
112 rehabilitation or other services which are required by law, or (iv) family abuse has occurred and a  
113 protective order is being sought pursuant to §§ 16.1-253.1, 16.1-253.4 or § 16.1-279.1. If any such  
114 complainant does not file a petition, the intake officer may file it. In cases in which a child is alleged to  
115 be abused, neglected, in need of services, in need of supervision or delinquent, if the intake officer  
116 believes that probable cause does not exist, or that the authorization of a petition will not be in the best  
117 interest of the family or juvenile or that the matter may be effectively dealt with by some agency other  
118 than the court, he may refuse to authorize the filing of a petition. The intake officer shall provide to a  
119 person seeking a protective order pursuant to §§ 16.1-253.1, 16.1-253.4 or § 16.1-279.1 a written  
120 explanation of the conditions, procedures and time limits applicable to the issuance of protective orders  
121 pursuant to §§ 16.1-253.1, 16.1-253.4 or § 16.1-279.1.

D. Prior to the filing of any petition alleging that a child is in need of supervision, the matter shall be reviewed by an intake officer who shall determine whether the petitioner and the child alleged to be in need of supervision have utilized or attempted to utilize treatment and services available in the community and have exhausted all appropriate nonjudicial remedies which are available to them. When the intake officer determines that the parties have not attempted to utilize available treatment or services or have not exhausted all appropriate nonjudicial remedies which are available, he shall refer the petitioner and the child alleged to be in need of supervision to the appropriate agency, treatment facility or individual to receive treatment or services, and a petition shall not be filed. Only after the intake officer determines that the parties have made a reasonable effort to utilize available community treatment or services may he permit the petition to be filed.

E. If the intake officer refuses to authorize a petition relating to an offense that if committed by an adult would be punishable as a Class 1 misdemeanor or as a felony, the complainant shall be notified in writing at that time of the complainant's right to apply to a magistrate for a warrant. If a magistrate determines that probable cause exists, he shall issue a warrant returnable to the juvenile and domestic relations district court. The warrant shall be delivered forthwith to the juvenile court, and the intake officer shall accept and file a petition founded upon the warrant. If the court is closed and the magistrate finds that the criteria for detention or shelter care set forth in § 16.1-248.1 have been satisfied, the juvenile may be detained pursuant to the warrant issued in accordance with this subsection. If the intake officer refuses to authorize a petition relating to a child in need of services or in need of supervision, a status offense, or a misdemeanor other than Class 1, his decision is final.

Upon delivery to the juvenile court of a warrant issued pursuant to subdivision 2 of § 16.1-256, the intake officer shall accept and file a petition founded upon the warrant.

F. The intake officer shall notify the attorney for the Commonwealth of the filing of any petition which alleges facts of an offense which would be a felony if committed by an adult.

G. Notwithstanding the provisions of Article 12 (§ 16.1-299 et seq.) of this chapter, the intake officer shall file a report with the division superintendent of the school division in which any student who is the subject of a petition alleging that such student who is a juvenile has committed an act, wherever committed, which would be a crime if committed by an adult. The report shall notify the division superintendent of the filing of the petition and the nature of the offense, if the violation involves:

1. A firearm offense pursuant to Article 4 (§ 18.2-279 et seq.), 5 (§ 18.2-288 et seq.), 6 (§ 18.2-299 et seq.), or 7 (§ 18.2-308 et seq.) of Chapter 7 of Title 18.2;

2. Homicide, pursuant to Article 1 (§ 18.2-30 et seq.) of Chapter 4 of Title 18.2;

3. Felonious assault and bodily wounding, pursuant to Article 4 (§ 18.2-51 et seq.) of Chapter 4 of Title 18.2;

4. Criminal sexual assault, pursuant to Article 7 (§ 18.2-61 et seq.) of Chapter 4 of Title 18.2;

5. Manufacture, sale, gift, distribution or possession of Schedule I or II controlled substances, pursuant to Article 1 (§ 18.2-247 et seq.) of Chapter 7 of Title 18.2;

6. Manufacture, sale or distribution of marijuana pursuant to Article 1 (§ 18.2-247 et seq.) of Chapter 7 of Title 18.2;

7. Arson and related crimes, pursuant to Article 1 (§ 18.2-77 et seq.) of Chapter 5 of Title 18.2;

8. Burglary and related offenses, pursuant to §§ 18.2-89 through 18.2-93;

9. Robbery pursuant to § 18.2-58;

10. Prohibited street gang participation pursuant to § 18.2-46.2;

11. Prohibited criminal street gang activity pursuant to § 18.2-46.2;

12. Recruitment of other juveniles for a criminal street gang activity pursuant to § 18.2-46.3; or

13. Recruitment of juveniles for criminal street gang pursuant to § 18.2-46.3.

The failure to provide information regarding the school in which the juvenile who is the subject of the petition may be enrolled shall not be grounds for refusing to file a petition.

The information provided to a division superintendent pursuant to this section may be disclosed only as provided in § 16.1-305.2.

H. The filing of a petition shall not be necessary:

1. In the case of violations of the traffic laws, including offenses involving bicycles, hitchhiking and other pedestrian offenses, game and fish laws or a violation of the ordinance of any city regulating surfing or any ordinance establishing curfew violations, animal control violations or littering violations. In such cases the court may proceed on a summons issued by the officer investigating the violation in the same manner as provided by law for adults. Additionally, an officer investigating a motor vehicle accident may, at the scene of the accident or at any other location where a juvenile who is involved in such an accident may be located, proceed on a summons in lieu of filing a petition.

2. In the case of seeking consent to apply for the issuance of a work permit pursuant to subsection H of § 16.1-241.

3. In the case of a violation of § 18.2-266 or 29.1-738, or the commission of any other

183 alcohol-related offense, provided the juvenile is released to the custody of a parent or legal guardian  
184 pending the initial court date. The officer releasing a juvenile to the custody of a parent or legal  
185 guardian shall issue a summons to the juvenile and shall also issue a summons requiring the parent or  
186 legal guardian to appear before the court with the juvenile. Disposition of the charge shall be in the  
187 manner provided in § 16.1-278.8 or § 16.1-278.9. If the juvenile so charged with a violation of  
188 § 18.2-51.4, 18.2-266, 18.2-266.1, 18.2-272, or 29.1-738 refuses to provide a sample of blood or breath  
189 or samples of both blood and breath for chemical analysis pursuant to §§ 18.2-268.1 through  
190 18.2-268.12 or § 29.1-738.2, the provisions of these sections shall be followed except that the magistrate  
191 shall authorize execution of the warrant as a summons. The summons shall be served on a parent or  
192 legal guardian and the juvenile, and a copy of the summons shall be forwarded to the court in which the  
193 violation is to be tried.

194 4. In the case of offenses which, if committed by an adult, would be punishable as a Class 3 or  
195 Class 4 misdemeanor. In such cases the court may direct that an intake officer proceed as provided in  
196 § 16.1-237 on a summons issued by the officer investigating the violation in the same manner as  
197 provided by law for adults provided that notice of the summons to appear is mailed by the investigating  
198 officer within five days of the issuance of the summons to a parent or legal guardian of the juvenile.

199 I. Failure to comply with the procedures set forth in this section shall not divest the juvenile court of  
200 the jurisdiction granted it in § 16.1-241.

201 § 16.1-278.15. Custody or visitation, child or spousal support generally.

202 A. In cases involving the custody, visitation or support of a child pursuant to subdivision A 3 of  
203 § 16.1-241, the court may make any order of disposition to protect the welfare of the child and family  
204 as may be made by the circuit court. The parties to any petition where a child whose custody, visitation,  
205 or support is contested shall show proof that they have attended within the 12 months prior to their  
206 court appearance or that they shall attend within 45 days thereafter an educational seminar or other like  
207 program conducted by a qualified person or organization approved by the court. The court may require  
208 the parties to attend such seminar or program in uncontested cases only if the court finds good cause.  
209 The seminar or other program shall be a minimum of four hours in length and shall address the effects  
210 of separation or divorce on children, parenting responsibilities, options for conflict resolution and  
211 financial responsibilities. Once a party has completed one educational seminar or other like program, the  
212 required completion of additional programs shall be at the court's discretion. Parties under this section  
213 shall include natural or adoptive parents of the child, or any person with a legitimate interest as defined  
214 in § 20-124.1. The fee charged a party for participation in such program shall be based on the party's  
215 ability to pay; however, no fee in excess of \$50 may be charged. Whenever possible, before  
216 participating in mediation or alternative dispute resolution to address custody, visitation or support, each  
217 party shall have attended the educational seminar or other like program. The court may grant an  
218 exemption from attendance of such program for good cause shown or if there is no program reasonably  
219 available. Other than statements or admissions by a party admitting criminal activity or child abuse or  
220 neglect, no statement or admission by a party in such seminar or program shall be admissible into  
221 evidence in any subsequent proceeding. If support is ordered for a child, the order shall also provide  
222 that support will continue to be paid for a child over the age of 18 who is (i) a full-time high school  
223 student, (ii) not self-supporting, and (iii) living in the home of the parent seeking or receiving child  
224 support, until the child reaches the age of 19 or graduates from high school, whichever occurs first. The  
225 court may also order the continuation of support for any child over the age of 18 who is (a) severely  
226 and permanently mentally or physically disabled, (b) unable to live independently and support himself,  
227 and (c) resides in the home of the parent seeking or receiving child support.

228 B. In any case involving the custody or visitation of a child, the court may award custody upon  
229 petition to any party with a legitimate interest therein, including, but not limited to, grandparents,  
230 stepparents, former stepparents, blood relatives and family members. The term "legitimate interest" shall  
231 be broadly construed to accommodate the best interest of the child. The authority of the juvenile court  
232 to consider a petition involving the custody of a child shall not be proscribed or limited where the  
233 custody of the child has previously been awarded to a local board of social services.

234 C. In any determination of support obligation under this section, the support obligation as it becomes  
235 due and unpaid creates a judgment by operation of law. Such judgment becomes a lien against real  
236 estate only when docketed in the county or city where such real estate is located. Nothing herein shall  
237 be construed to alter or amend the process of attachment of any lien on personal property.

238 D. *Orders entered prior to July 1, 2008, shall not be deemed void or voidable solely because the*  
239 *petition or motion that resulted in the order was completed, signed and filed by a nonattorney employee*  
240 *of the Department of Social Services.*

241 E. In cases involving charges for desertion, abandonment or failure to provide support by any person  
242 in violation of law, disposition shall be made in accordance with Chapter 5 (§ 20-61 et seq.) of Title 20.

243 F. In cases involving a spouse who seeks spousal support after having separated from his spouse,  
244 the court may enter any appropriate order to protect the welfare of the spouse seeking support.

245 F G. In any case or proceeding involving the custody or visitation of a child, the court shall consider  
 246 the best interest of the child, including the considerations for determining custody and visitation set forth  
 247 in Chapter 6.1 (§ 20-124.1 et seq.) of Title 20.

248 G H. In any proceeding before the court for custody or visitation of a child, the court may order a  
 249 custody or a psychological evaluation of any parent, guardian, legal custodian or person standing in loco  
 250 parentis to the child, if the court finds such evaluation would assist it in its determination. The court  
 251 may enter such orders as it deems appropriate for the payment of the costs of the evaluation by the  
 252 parties.

253 H I. When deemed appropriate by the court in any custody or visitation matter, the court may order  
 254 drug testing of any parent, guardian, legal custodian or person standing in loco parentis to the child. The  
 255 court may enter such orders as it deems appropriate for the payment of the costs of the testing by the  
 256 parties.

257 § 54.1-3900. Practice of law; student internship program; definition.

258 Persons who hold a license or certificate to practice law under the laws of this Commonwealth and  
 259 have paid the license tax prescribed by law may practice law in the Commonwealth.

 265 are employed by a military program providing legal services to low-income military clients and their  
 266 dependents pursuant to rules promulgated by the Supreme Court of Virginia.

267 Nothing herein shall prohibit a limited practice of law under the supervision of a practicing attorney  
 268 by (i) third-year law students or (ii) persons who are in the final year of a program of study as  
 269 authorized in § 54.1-3926, pursuant to rules promulgated by the Supreme Court of Virginia.

270 ~~Further, nothing~~ *Nothing* herein shall prohibit an employee of a state agency in the course of his  
 271 employment from representing the interests of his agency in administrative hearings before any state  
 272 agency, such representation to be limited to the examination of witnesses at administrative hearings  
 273 relating to personnel matters and the adoption of agency standards, policies, rules and regulations.

274 *Nothing herein shall prohibit [ designated ] nonattorney employees of the Department of Social*  
 275 *Services from completing, signing and filing petitions and motions [ relating to the establishment,*  
 276 *modification, or enforcement of support ] on forms approved by the Supreme Court of Virginia in*  
 277 *Department cases in the juvenile and domestic relations district courts.*

279 § 63.2-1901. Purpose of chapter; powers and duties of the Department.

280 It is the purpose of this chapter to promote the efficient and accurate collection, accounting and  
 281 receipt of support for financially dependent children and their custodians, and to further the effective and  
 282 timely enforcement of such support while ensuring that all functions in the Department are appropriate  
 283 or necessary to comply with applicable federal law.

284 *Nonattorney employees of the Department are authorized to complete, sign and file petitions and*

 286 *and enforcement of support in Department cases in the juvenile and domestic relations district courts.*  
 287 *Orders entered prior to July 1, 2008, shall not be deemed void or voidable solely because such petitions*  
 288 *and motions were signed by nonattorney employees.*

289 When so ordered by the court or the Department, support for financially dependent children and their  
 290 custodians shall be paid by obligors to the Department's State Disbursement Unit (SDU) or in district  
 291 offices located within the Commonwealth for processing by the SDU. The Department shall have  
 292 authority to enter into contracts with any appropriate public or private entities to enforce, collect,  
 293 account for and disburse payments for child or spousal support.
