59 The State Board shall implement a system that enables eligible persons to request and receive an
60 absentee ballot application electronically through the Internet. Electronic absentee ballot applications
61 shall be in a form approved by the State Board.

62 Except as provided in § 24.2-703, a separate application shall be completed for each election in
63 which the applicant offers to vote. An application for an absentee ballot may be accepted the later of (i)
64 12 months before an election, or (ii) the day following any election held in the twelfth month prior to
65 the election in which the applicant is applying to vote.

66 Any application received before the ballots are printed shall be held and processed as soon as the
67 printed ballots for the election are available.

68 For the purposes of this chapter, the general registrar's office shall be open a minimum of eight
69 hours between the hours of 8:00 a.m. and 5:00 p.m. on the first and second Saturday immediately
70 preceding all general elections, except May general elections held in towns, and on the Saturday
71 immediately preceding any primary election, May general election held in a town, or special election.

72 Unless physically disabled, all applications for absentee ballots shall be signed by the applicant who
73 shall state, subject to felony penalties for making false statements pursuant to § 24.2-1016, that to the
74 best of his knowledge and belief the facts contained in the application are true and correct and that he
75 has not and will not vote in the election at any other place in Virginia or in any other state. If the
76 applicant is unable to sign the application, a person assisting the applicant will note this fact on the
77 applicant signature line and provide his signature, name, and address.

78 B. Applications for absentee ballots shall be completed in the following manner:

79 1. An application completed in person shall be made not less than three days prior to the election in
