68 Upon receipt of the request for a criminal history record information check, the State Police shall (1)
69 review its criminal history record information to determine if the buyer or transferee is prohibited from
70 possessing or transporting a firearm by state or federal law, (2) inform the dealer if its record indicates
71 that the buyer or transferee is so prohibited, and (3) provide the dealer with a unique reference number
72 for that inquiry.

73 2. The State Police shall provide its response to the requesting dealer during the dealer's request, or
74 by return call without delay. If the criminal history record information check indicates the prospective
75 purchaser or transferee has a disqualifying criminal record or has been acquitted by reason of insanity
76 and committed to the custody of the Commissioner of Mental Health, Mental Retardation and Substance
77 Abuse Services, the State Police shall have until the end of the dealer's next business day to advise the
78 dealer if its records indicate the buyer or transferee is prohibited from possessing or transporting a
79 firearm by state or federal law. If not so advised by the end of the dealer's next business day, a dealer
80 who has fulfilled the requirements of subdivision 1 of this subsection may immediately complete the
81 sale or transfer and shall not be deemed in violation of this section with respect to such sale or transfer.
82 In case of electronic failure or other circumstances beyond the control of the State Police, the dealer
83 shall be advised immediately of the reason for such delay and be given an estimate of the length of such
84 delay. After such notification, the State Police shall, as soon as possible but in no event later than the
85 end of the dealer's next business day, inform the requesting dealer if its records indicate the buyer or
86 transferee is prohibited from possessing or transporting a firearm by state or federal law. A dealer who
87 fulfills the requirements of subdivision 1 of this subsection and is told by the State Police that a
88 response will not be available by the end of the dealer's next business day may immediately complete
89 the sale or transfer and shall not be deemed in violation of this section with respect to such sale or
90 transfer.

91 3. Except as required by subsection D of § 9.1-132, the State Police shall not maintain records longer
92 than 30 days, except for multiple handgun transactions for which records shall be maintained for 12
93 months, from any dealer's request for a criminal history record information check pertaining to a buyer
94 or transferee who is not found to be prohibited from possessing and transporting a firearm under state or
95 federal law. However, the log on requests made may be maintained for a period of 12 months, and such
96 log shall consist of the name of the purchaser, the dealer identification number, the unique approval
97 number and the transaction date.

98 4. On the last day of the week following the sale or transfer of any firearm, the dealer shall mail or
99 deliver the written consent form required by subsection A to the Department of State Police. The State
100 Police shall immediately initiate a search of all available criminal history record information to
101 determine if the purchaser is prohibited from possessing or transporting a firearm under state or federal
102 law. If the search discloses information indicating that the buyer or transferee is so prohibited from
103 possessing or transporting a firearm, the State Police shall inform the chief law-enforcement officer in
104 the jurisdiction where the sale or transfer occurred and the dealer without delay.

105 5. Notwithstanding any other provisions of this section, rifles and shotguns may be purchased by
106 persons who are citizens of the United States or persons lawfully admitted for permanent residence but
107 residents of other states under the terms of subsections A and B upon furnishing the dealer with proof
108 of citizenship or status as a person lawfully admitted for permanent residence and one
109 photo-identification form issued by a governmental agency of the person's state of residence and one
110 other form of identification determined to be acceptable by the Department of Criminal Justice Services.

111 6. For the purposes of this subsection, the phrase "dealer's next business day" shall not include
112 December 25.

113 C. No dealer shall sell, rent, trade or transfer from his inventory any firearm, except when the
114 transaction involves a rifle or a shotgun and can be accomplished pursuant to the provisions of
115 subdivision B 5 to any person who is not a resident of Virginia unless he has first obtained from the
116 Department of State Police a report indicating that a search of all available criminal history record
117 information has not disclosed that the person is prohibited from possessing or transporting a firearm
118 under state or federal law. The dealer shall obtain the required report by mailing or delivering the
119 written consent form required under subsection A to the State Police within 24 hours of its execution. If
120 the dealer has complied with the provisions of this subsection and has not received the required report

from the State Police within 10 days from the date the written consent form was mailed to the Department of State Police, he shall not be deemed in violation of this section for thereafter completing the sale or transfer.

D. Nothing herein shall prevent a resident of the Commonwealth, at his option, from buying, renting or receiving a firearm from a dealer in Virginia by obtaining a criminal history record information check through the dealer as provided in subsection C.

E. If any buyer or transferee is denied the right to purchase a firearm under this section, he may exercise his right of access to and review and correction of criminal history record information under § 9.1-132 or institute a civil action as provided in § 9.1-135, provided any such action is initiated within 30 days of such denial.
