

084663588

HOUSE BILL NO. 784

Offered January 9, 2008

Prefiled January 8, 2008

A BILL to amend and reenact §§ 54.1-2900, 54.1-2901, 54.1-2914 and 54.1-3401 of the Code of Virginia and to amend the Code of Virginia by adding sections numbered 54.1-2956.12 through 54.1-2956.16, relating to licensure of naturopathic doctors.

Patrons—Kilgore; Senator: Puckett

Referred to Committee on Health, Welfare and Institutions

Be it enacted by the General Assembly of Virginia:

1. That §§ 54.1-2900, 54.1-2901, 54.1-2914 and 54.1-3401 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding sections numbered 54.1-2956.12 through 54.1-2956.16 as follows:

§ 54.1-2900. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Acupuncturist" means individuals approved by the Board to practice acupuncture. This is limited to "licensed acupuncturist" which means an individual other than a doctor of medicine, osteopathy, chiropractic or podiatry who has successfully completed the requirements for licensure established by the Board (approved titles are limited to: Licensed Acupuncturist, Lic.Ac., and L.Ac.).

"Auricular acupuncture" means the subcutaneous insertion of sterile, disposable acupuncture needles in predetermined, bilateral locations in the outer ear when used exclusively and specifically in the context of a chemical dependency treatment program.

"Board" means the Board of Medicine.

"Healing arts" means the arts and sciences dealing with the prevention, diagnosis, treatment and cure or alleviation of human physical or mental ailments, conditions, diseases, pain or infirmities.

"Medical malpractice judgment" means any final order of any court entering judgment against a licensee of the Board that arises out of any tort action or breach of contract action for personal injuries or wrongful death, based on health care or professional services rendered, or that should have been rendered, by a health care provider, to a patient.

"Medical malpractice settlement" means any written agreement and release entered into by or on behalf of a licensee of the Board in response to a written claim for money damages that arises out of any personal injuries or wrongful death, based on health care or professional services rendered, or that should have been rendered, by a health care provider, to a patient.

"Naturopath" means an individual, other than a doctor of medicine, osteopathy, chiropractic, or podiatry, who has successfully completed the requirements established by the Board to practice naturopathic medicine.

"Physician assistant" means an individual who has met the requirements of the Board for licensure and who works under the supervision of a licensed doctor of medicine, osteopathy, or podiatry.

"Practice of acupuncture" means the stimulation of certain points on or near the surface of the body by the insertion of needles to prevent or modify the perception of pain or to normalize physiological functions, including pain control, for the treatment of certain ailments or conditions of the body and includes the techniques of electroacupuncture, cupping and moxibustion. The practice of acupuncture does not include the use of physical therapy, chiropractic, or osteopathic manipulative techniques; the use or prescribing of any drugs, medications, serums or vaccines; or the procedure of auricular acupuncture as exempted in § 54.1-2901 when used in the context of a chemical dependency treatment program for patients eligible for federal, state or local public funds by an employee of the program who is trained and approved by the National Acupuncture Detoxification Association or an equivalent certifying body.

"Practice of athletic training" means the prevention, recognition, evaluation, and treatment of injuries or conditions related to athletic or recreational activity that requires physical skill and utilizes strength, power, endurance, speed, flexibility, range of motion or agility or a substantially similar injury or condition resulting from occupational activity immediately upon the onset of such injury or condition; and subsequent treatment and rehabilitation of such injuries or conditions under the direction of a licensed physical therapist and the patient's physician or under the direction of any doctor of medicine, osteopathy, chiropractic, podiatry, or dentistry, while using heat, light, sound, cold, electricity, exercise or mechanical or other devices.

"Practice of chiropractic" means the adjustment of the 24 movable vertebrae of the spinal column,

INTRODUCED

HB784

59 and assisting nature for the purpose of normalizing the transmission of nerve energy, but does not
60 include the use of surgery, obstetrics, osteopathy or the administration or prescribing of any drugs,
61 medicines, serums or vaccines.

62 "Practice of medicine or osteopathic medicine" means the prevention, diagnosis and treatment of
63 human physical or mental ailments, conditions, diseases, pain or infirmities by any means or method.

64 "*Practice of naturopathy or naturopathic medicine*" means a system of primary health care for the (i)
65 prevention, diagnosis, and treatment of human health conditions, injury, and disease; (ii) promotion or
66 restoration of health; and (iii) the support and stimulation of a patient's inherent self-healing process
67 through patient education and the use of natural therapies and therapeutic substances.

68 "Practice of occupational therapy" means the evaluation, analysis, assessment, and delivery of
69 education and training in activities of daily living (ADL); the design, fabrication, and application of
70 orthoses (splints); guidance in the selection and use of adaptive equipment; therapeutic activities to
71 enhance functional performance; prevocational evaluation and training; and consultation concerning the
72 adaptation of physical environments for individuals who have disabilities.

73 "Practice of podiatry" means the medical, mechanical and surgical treatment of the ailments of the
74 human foot and ankle, but does not include amputation of the foot proximal to the transmetatarsal level
75 through the metatarsal shafts. Amputations proximal to the metatarsal-phalangeal joints may only be
76 performed in a hospital or ambulatory surgery facility accredited by an organization listed in
77 § 54.1-2939. The Board of Medicine shall determine whether a specific type of treatment of the foot and
78 ankle is within the scope of practice of podiatry.

79 "Practice of radiologic technology" means the application of x-rays to human beings for diagnostic or
80 therapeutic purposes.

81 "Practice of respiratory care" means the (i) administration of pharmacological, diagnostic, and
82 therapeutic agents related to respiratory care procedures necessary to implement a treatment, disease
83 prevention, pulmonary rehabilitative, or diagnostic regimen prescribed by a practitioner of medicine or
84 osteopathic medicine; (ii) transcription and implementation of the written or verbal orders of a
85 practitioner of medicine or osteopathic medicine pertaining to the practice of respiratory care; (iii)
86 observation and monitoring of signs and symptoms, general behavior, general physical response to
87 respiratory care treatment and diagnostic testing, including determination of whether such signs,
88 symptoms, reactions, behavior or general physical response exhibit abnormal characteristics; and (iv)
89 implementation of respiratory care procedures, based on observed abnormalities, or appropriate reporting,
90 referral, respiratory care protocols or changes in treatment pursuant to the written or verbal orders by a
91 licensed practitioner of medicine or osteopathic medicine or the initiation of emergency procedures,
92 pursuant to the Board's regulations or as otherwise authorized by law. The practice of respiratory care
93 may be performed in any clinic, hospital, skilled nursing facility, private dwelling or other place deemed
94 appropriate by the Board in accordance with the written or verbal order of a practitioner of medicine or
95 osteopathic medicine, and shall be performed under qualified medical direction.

96 "Qualified medical direction" means, in the context of the practice of respiratory care, having readily
97 accessible to the respiratory care practitioner a licensed practitioner of medicine or osteopathic medicine
98 who has specialty training or experience in the management of acute and chronic respiratory disorders
99 and who is responsible for the quality, safety, and appropriateness of the respiratory services provided
100 by the respiratory care practitioner.

101 "Radiologic technologist" means an individual, other than a licensed doctor of medicine, osteopathy,
102 podiatry, or chiropractic, or a dentist licensed pursuant to Chapter 27 (§ 54.1-2700 et seq.) of this title,
103 who (i) performs, may be called upon to perform, or who is licensed to perform a comprehensive scope
104 of diagnostic radiologic procedures employing equipment which emits ionizing radiation and (ii) is
105 delegated or exercises responsibility for the operation of radiation-generating equipment, the shielding of
106 patient and staff from unnecessary radiation, the appropriate exposure of radiographs or other procedures
107 which contribute to any significant extent to the site or dosage of ionizing radiation to which a patient is
108 exposed.

109 "Radiologic technologist, limited" means an individual, other than a licensed radiologic technologist,
110 dental hygienist or person who is otherwise authorized by the Board of Dentistry under Chapter 27
111 (§ 54.1-2700 et seq.) of this title and the regulations pursuant thereto, who performs diagnostic
112 radiographic procedures employing equipment which emits ionizing radiation which is limited to specific
113 areas of the human body.

114 "Respiratory care" means the practice of the allied health profession responsible for the direct and
115 indirect services, including inhalation therapy and respiratory therapy, in the treatment, management,
116 diagnostic testing, control and care of patients with deficiencies and abnormalities associated with the
117 cardiopulmonary system under qualified medical direction.

118 § 54.1-2901. Exceptions and exemptions generally.

119 A. The provisions of this chapter shall not prevent or prohibit:

120 1. Any person entitled to practice his profession under any prior law on June 24, 1944, from

121 continuing such practice within the scope of the definition of his particular school of practice;
122 2. Any person licensed to practice naturopathy prior to June 30, 1980, from continuing such practice
123 in accordance with regulations promulgated by the Board;
124 32. Any licensed nurse practitioner from rendering care under the supervision of a duly licensed
125 physician when such services are authorized by regulations promulgated jointly by the Board of
126 Medicine and the Board of Nursing;
127 43. Any registered professional nurse, licensed nurse practitioner, graduate laboratory technician or
128 other technical personnel who have been properly trained from rendering care or services within the
129 scope of their usual professional activities which shall include the taking of blood, the giving of
130 intravenous infusions and intravenous injections, and the insertion of tubes when performed under the
131 orders of a person licensed to practice medicine;
132 54. Any dentist, pharmacist or optometrist from rendering care or services within the scope of his
133 usual professional activities;
134 65. Any practitioner licensed or certified by the Board from delegating to personnel supervised by
135 him, such activities or functions as are nondiscretionary and do not require the exercise of professional
136 judgment for their performance and which are usually or customarily delegated to such persons by
137 practitioners of the healing arts, if such activities or functions are authorized by and performed for such
138 practitioners of the healing arts and responsibility for such activities or functions is assumed by such
139 practitioners of the healing arts;
140 76. The rendering of medical advice or information through telecommunications from a physician
141 licensed to practice medicine in Virginia or an adjoining state to emergency medical personnel acting in
142 an emergency situation;
143 87. The domestic administration of family remedies;
144 98. The giving or use of massages, steam baths, dry heat rooms, infrared heat or ultraviolet lamps in
145 public or private health clubs and spas;
146 109. The manufacture or sale of proprietary medicines in this Commonwealth by licensed
147 pharmacists or druggists;
148 110. The advertising or sale of commercial appliances or remedies;
149 1211. The fitting by nonitinerant persons or manufacturers of artificial eyes, limbs or other apparatus
150 or appliances or the fitting of plaster cast counterparts of deformed portions of the body by a
151 nonitinerant bracemaker or prosthetist for the purpose of having a three-dimensional record of the
152 deformity, when such bracemaker or prosthetist has received a prescription from a licensed physician
153 directing the fitting of such casts and such activities are conducted in conformity with the laws of
154 Virginia;
155 1312. Any person from the rendering of first aid or medical assistance in an emergency in the
156 absence of a person licensed to practice medicine or osteopathy under the provisions of this chapter;
157 1413. The practice of the religious tenets of any church in the ministrations to the sick and suffering
158 by mental or spiritual means without the use of any drug or material remedy, whether gratuitously or for
159 compensation;
160 1514. Any legally qualified out-of-state or foreign practitioner from meeting in consultation with
161 legally licensed practitioners in this Commonwealth;
162 1615. Any practitioner of the healing arts licensed or certified and in good standing with the
163 applicable regulatory agency in another state or Canada when that practitioner of the healing arts is in
164 Virginia temporarily and such practitioner has been issued a temporary license or certification by the
165 Board from practicing medicine or the duties of the profession for which he is licensed or certified (i) in
166 a summer camp or in conjunction with patients who are participating in recreational activities, (ii) while
167 participating in continuing educational programs prescribed by the Board, or (iii) by rendering at any
168 site any health care services within the limits of his license, voluntarily and without compensation, to
169 any patient of any clinic which is organized in whole or in part for the delivery of health care services
170 without charge as provided in § 54.1-106;
171 1716. The performance of the duties of any commissioned or contract medical officer, or podiatrist in
172 active service in the army, navy, coast guard, marine corps, air force, or public health service of the
173 United States while such individual is so commissioned or serving;
174 1817. Any masseur, who publicly represents himself as such, from performing services within the
175 scope of his usual professional activities and in conformance with state law;
176 1918. Any person from performing services in the lawful conduct of his particular profession or
177 business under state law;
178 2019. Any person from rendering emergency care pursuant to the provisions of § 8.01-225;
179 2120. Qualified emergency medical services personnel, when acting within the scope of their
180 certification, and licensed health care practitioners, when acting within their scope of practice, from
181 following Durable Do Not Resuscitate Orders issued in accordance with § 54.1-2987.1 and Board of

182 Health regulations, or licensed health care practitioners from following any other written order of a
183 physician not to resuscitate a patient in the event of cardiac or respiratory arrest;

184 2221. Any commissioned or contract medical officer of the army, navy, coast guard or air force
185 rendering services voluntarily and without compensation while deemed to be licensed pursuant to
186 § 54.1-106;

187 2322. Any provider of a chemical dependency treatment program who is certified as an "acupuncture
188 detoxification specialist" by the National Acupuncture Detoxification Association or an equivalent
189 certifying body, from administering auricular acupuncture treatment under the appropriate supervision of
190 a National Acupuncture Detoxification Association certified licensed physician or licensed acupuncturist;

191 2423. Any employee of any assisted living facility who is certified in cardiopulmonary resuscitation
192 (CPR) acting in compliance with the patient's individualized service plan and with the written order of
193 the attending physician not to resuscitate a patient in the event of cardiac or respiratory arrest;

194 2524. Any person working as a health assistant under the direction of a licensed medical or
195 osteopathic doctor within the Department of Corrections, the Department of Juvenile Justice or local
196 correctional facilities;

197 2625. Any employee of a school board, authorized by a prescriber and trained in the administration
198 of insulin and glucagon, when, upon the authorization of a prescriber and the written request of the
199 parents as defined in § 22.1-1, assisting with the administration of insulin or administering glucagon to
200 a student diagnosed as having diabetes and who requires insulin injections during the school day or for
201 whom glucagon has been prescribed for the emergency treatment of hypoglycemia;

202 2726. Any practitioner of the healing arts or other profession regulated by the Board from rendering
203 free health care to an underserved population of Virginia who (i) does not regularly practice his
204 profession in Virginia, (ii) holds a current valid license or certificate to practice his profession in another
205 state, territory, district or possession of the United States, (iii) volunteers to provide free health care to
206 an underserved area of this Commonwealth under the auspices of a publicly supported all volunteer,
207 nonprofit organization with no paid employees that sponsors the provision of health care to populations
208 of underserved people throughout the world, (iv) files a copy of the license or certification issued in
209 such other jurisdiction with the Board, (v) notifies the Board at least 15 days prior to the voluntary
210 provision of services of the dates and location of such service, and (vi) acknowledges, in writing, that
211 such licensure exemption shall only be valid, in compliance with the Board's regulations, during the
212 limited period that such free health care is made available through the volunteer, nonprofit organization
213 on the dates and at the location filed with the Board. The Board may deny the right to practice in
214 Virginia to any practitioner of the healing arts whose license or certificate has been previously
215 suspended or revoked, who has been convicted of a felony or who is otherwise found to be in violation
216 of applicable laws or regulations;

217 2827. Any registered nurse, acting as an agent of the Department of Health, from obtaining
218 specimens of sputum or other bodily fluid from persons in whom the diagnosis of active tuberculosis
219 disease, as defined in § 32.1-49.1, is suspected and submitting orders for testing of such specimens to
220 the Division of Consolidated Laboratories or other public health laboratories, designated by the State
221 Health Commissioner, for the purpose of determining the presence or absence of tubercle bacilli as
222 defined in § 32.1-49.1;

223 2928. Any physician of medicine or osteopathy or nurse practitioner from delegating to a registered
224 nurse under his supervision the screening and testing of children for elevated blood-lead levels when
225 such testing is conducted (i) in accordance with a written protocol between the physician or nurse
226 practitioner and the registered nurse and (ii) in compliance with the Board of Health's regulations
227 promulgated pursuant to §§ 32.1-46.1 and 32.1-46.2. Any follow-up testing or treatment shall be
228 conducted at the direction of a physician or nurse practitioner;

229 3029. Any practitioner of one of the professions regulated by the Board of Medicine who is in good
230 standing with the applicable regulatory agency in another state or Canada from engaging in the practice
231 of that profession when the practitioner is in Virginia temporarily with an out-of-state athletic team or
232 athlete for the duration of the athletic tournament, game, or event in which the team or athlete is
233 competing; or

234 3130. Any licensed nurse practitioner in the category of certified nurse midwife from rendering care
235 in collaboration and consultation with a duly licensed physician when such services are authorized by
236 regulations promulgated jointly by the Board of Medicine and the Board of Nursing.

237 B. Notwithstanding any provision of law or regulation to the contrary, a nurse practitioner licensed
238 by the Boards of Nursing and Medicine in the category of certified nurse midwife may practice without
239 the requirement for physician supervision while participating in a pilot program approved by the Board
240 of Health pursuant to § 32.1-11.5.

241 § 54.1-2914. Sale of controlled substances and medical devices or appliances; requirements for vision
242 care services.

243 A. A practitioner of the healing arts shall not engage in selling controlled substances unless he is

244 licensed to do so by the Board of Pharmacy. However, this prohibition shall not apply to a doctor of
 245 medicine, osteopathy or podiatry who administers controlled substances to his patients or provides
 246 controlled substances to his patient in a bona fide medical emergency or when pharmaceutical services
 247 are not available. Practitioners who sell or dispense controlled substances shall be subject to inspection
 248 by the Department of Health Professions to ensure compliance with Chapters 33 (§ 54.1-3300 et seq.)
 249 and 34 (§ 54.1-3400 et seq.) of this title and the Board of Pharmacy's regulations. This subsection shall
 250 not apply to physicians acting on behalf of the Virginia Department of Health or local health
 251 departments.

252 B. A practitioner of the healing arts who may lawfully sell medical appliances or devices shall not
 253 sell such appliances or devices to persons who are not his own patients and shall not sell such articles to
 254 his own patients either for his own convenience or for the purpose of supplementing his income. This
 255 subsection shall not apply to physicians acting on behalf of the Virginia Department of Health or local
 256 health departments.

257 C. A practitioner of the healing arts may, from within the practitioner's office, engage in selling or
 258 promoting the sale of eyeglasses and may dispense contact lenses. Only those practitioners of the
 259 healing arts who engage in the examination of eyes and prescribing of eyeglasses may engage in the
 260 sale or promotion of eyeglasses. Practitioners shall not employ any unlicensed person to fill prescriptions
 261 for eyeglasses within the practitioner's office except as provided in subdivision A 65 of § 54.1-2901. A
 262 practitioner may also own, in whole or in part, an optical dispensary located adjacent to or at a distance
 263 from his office.

264 D. Any practitioner of the healing arts engaging in the examination of eyes and prescribing of
 265 eyeglasses shall give the patient a copy of any prescription for eyeglasses and inform the patient of his
 266 right to have the prescription filled at the establishment of his choice. No practitioner who owns, in
 267 whole or in part, an establishment dispensing eyeglasses shall make any statement or take any action,
 268 directly or indirectly, that infringes on the patient's right to have a prescription filled at an establishment
 269 other than the one in which the practitioner has an ownership interest.

270 Disclosure of ownership interest by a practitioner as required by § 54.1-2964 or participation by the
 271 practitioner in contractual arrangements with third-party payors or purchasers of vision care services
 272 shall not constitute a violation of this subsection.

273 § 54.1-2956.12. *Regulations relating to the practice of naturopathy or naturopathic medicine.*

274 *The Board shall promulgate regulations governing the practice of naturopathy or naturopathic*
 275 *medicine. The regulations shall include, at a minimum, standards for (i) performing and ordering*
 276 *physical and laboratory examinations for diagnostic purposes, consistent with naturopathic medical*
 277 *education and training, including, but not limited to, phlebotomy, clinical laboratory tests, orificial*
 278 *examinations, and physiological function tests, and diagnostic imaging studies; (ii) repair and care*
 279 *incidental to superficial lacerations and abrasions; (iii) removal of foreign bodies located in the*
 280 *superficial tissues; (iv) prescribing, dispensing, ordering, administering, or performing the following: (a)*
 281 *food, extracts of food, nutraceuticals, vitamins, amino acids, minerals, enzymes, botanicals and their*
 282 *extracts, botanical medicines, homeopathic medicines, all dietary supplements and nonprescription drugs*
 283 *as defined by the federal Food, Drug, and Cosmetic Act; (b) hot or cold hydrotherapy; naturopathic*
 284 *physical medicine; electromagnetic energy; colon hydrotherapy; and therapeutic exercise; (c) devices,*
 285 *including, but not limited to, therapeutic devices, barrier contraception, and durable medical equipment;*
 286 *(v) utilization of routes of administration that include oral, nasal, auricular, oscular, rectal, vaginal,*
 287 *transdermal, intradermal, subcutaneous, intravenous, and intramuscular consistent with naturopathic*
 288 *medical education and training; (vi) naturopathic childbirth attendance; and (vii) performing other*
 289 *therapies consistent with naturopathic medical education and training that are approved by the Board.*

290 § 54.1-2956.13. *Unlawful to practice naturopathy or naturopathic medicine without a license;*
 291 *unlawful designation as naturopath; Board to regulate naturopaths; scope of practice.*

292 A. *It shall be unlawful for a person not holding a current and valid license from the Board to*
 293 *practice naturopathy or naturopathic medicine or to claim to be a naturopath, naturopathic doctor,*
 294 *naturopathic medical doctor, naturopathic physician, doctor of naturopathy or doctor of naturopathic*
 295 *medicine or to assume the title doctor of naturopathic medicine, naturopathic doctor, naturopathic*
 296 *medical doctor, naturopathic physician, or to use the designations "N.D.," "ND," "N.M.D.," or "NMD"*
 297 *or any variation thereof.*

298 *In addition, it shall be unlawful for any person who is not licensed under this chapter whose*
 299 *licensure has been suspended or revoked, or whose licensure has lapsed and has not been renewed, to*
 300 *use in conjunction with his name the words "naturopath" or "doctor of naturopathic medicine,"*
 301 *"naturopathic doctor," "naturopathic medical doctor," "naturopathic physician," or to otherwise by*
 302 *letters, words, representations, or insignias assert or imply that he is licensed to practice naturopathic*
 303 *medicine.*

304 B. *The Board shall prescribe by regulation the qualifications governing the licensure of naturopaths.*

305 *The regulations shall at a minimum require (i) graduation from a naturopathic medical education*
306 *program in the United States accredited by the Council on Naturopathic Medical Education or an*
307 *equivalent accrediting body for the naturopathic medical profession recognized by the United States*
308 *Secretary of Education and the Board, that offers graduate-level, full-time didactic and supervised*
309 *clinical training leading to the degree of Doctor of Naturopathy or Doctor of Naturopathic Medicine;*
310 *and (ii) successful completion of a competency-based national naturopathic medicine licensing*
311 *examination administered by the North American Board of Naturopathic Examiners, or an equivalent*
312 *agency recognized by the Board. In lieu of graduation from an accredited naturopathic medical*
313 *education program and the national naturopathic medicine licensing examination, the Board may*
314 *require graduation from (a) an accredited institution of higher education or one that has received*
315 *provisional accreditation from a regional accrediting body recognized by the United States Secretary of*
316 *Education; or (b) an accredited degree-granting institution of higher education that offers a full-time*
317 *structured curriculum in basic sciences and supervised patient care consisting of a program of doctoral*
318 *naturopathic medical education approved by the Board that requires the completion of 132 weeks or*
319 *more of instruction within a period of not less than three years, as a condition for graduation. The*
320 *Board may license graduates of approved alternative naturopathic medical education programs upon*
321 *evidence of successful completion of a Board-approved, competency-based state naturopathic medicine*
322 *licensing examination or an equivalent Canadian provincial licensing examination for the practice of*
323 *naturopathic medicine.*

324 *§ 54.1-2956.14. Advisory Board of Naturopathy established; purpose.*

325 *The Advisory Board on Naturopathy, referred to hereinafter as "Advisory Board," shall assist the*
326 *Board in the manner set forth in this chapter.*

327 *§ 54.1-2956.15. Advisory Board of Naturopathy; composition; appointments.*

328 *The Advisory Board shall consist of five nonlegislative citizen members appointed by the Governor*
329 *for four-year terms as follows: three members who shall be, at the time of appointment, naturopaths*
330 *licensed in the Commonwealth of Virginia by the Board for not less than three years; one member who*
331 *shall be licensed by the Board to practice either medicine, osteopathy, chiropractic, or podiatry; and*
332 *one member who shall be a citizen of the Commonwealth at large. Appointments to fill vacancies, other*
333 *than by expiration of a term, shall be for the unexpired terms. All members may be reappointed;*
334 *however, no member shall serve more than two consecutive four-year terms. The remainder of any term*
335 *to which a member is appointed to fill a vacancy shall not constitute a term in determining the*
336 *member's eligibility for reappointment.*

337 *§ 54.1-2956.16. Advisory Board of Naturopathy; powers.*

338 *A. The Advisory Board shall, under the authority of the Board:*

339 *1. Recommend to the Board, for its promulgation into regulation, the criteria for licensure as a*
340 *naturopath and the standards of professional conduct for holders of licenses.*

341 *2. Assess the qualifications of applicants for licensure and recommend licensure when applicants*
342 *meet the required criteria. The recommendations of the Advisory Board relating to the licensure of*
343 *applicants shall be presented to the Board, which shall then issue or deny licenses. Any applicant who*
344 *is aggrieved by a denial of recommendation on licensure of the Advisory Board may appeal to the*
345 *Board.*

346 *3. Recommend to the Board, for its promulgation into regulation, accrediting agencies, institutions of*
347 *higher education, and competency-based examinations to be approved for naturopathic medical*
348 *education and licensure.*

349 *4. Receive investigative reports of professional misconduct and unlawful acts and recommend*
350 *sanctions when appropriate. Any recommendation of sanctions shall be presented to the Board, which*
351 *may then impose sanctions or take such other action as may be warranted by law.*

352 *5. Recommend to the Board, for its promulgation into regulation, a formulary for use by*
353 *naturopathic physicians.*

354 *6. Assist in such other matters dealing with naturopathic medicine as the Board may in its discretion*
355 *direct.*

356 *B. Nothing in this chapter shall be construed to authorize the Advisory Board to advise the Board in*
357 *matters pertaining to regulations governing the practice of medicine, osteopathy, chiropractic, or*
358 *podiatry, or matters pertaining to doctors of medicine, osteopathy, chiropractic, or podiatry who are*
359 *also licensed by the Board to practice naturopathy or naturopathic medicine.*

360 *§ 54.1-3401. Definitions.*

361 *As used in this chapter, unless the context requires a different meaning:*

362 *"Administer" means the direct application of a controlled substance, whether by injection, inhalation,*
363 *ingestion or any other means, to the body of a patient or research subject by (i) a practitioner or by his*
364 *authorized agent and under his direction or (ii) the patient or research subject at the direction and in the*
365 *presence of the practitioner.*

366 *"Advertisement" means all representations disseminated in any manner or by any means, other than*

367 by labeling, for the purpose of inducing, or which are likely to induce, directly or indirectly, the
368 purchase of drugs or devices.

369 "Agent" means an authorized person who acts on behalf of or at the direction of a manufacturer,
370 distributor, or dispenser. It does not include a common or contract carrier, public warehouseman, or
371 employee of the carrier or warehouseman.

372 "Anabolic steroid" means any drug or hormonal substance, chemically and pharmacologically related
373 to testosterone, other than estrogens, progestins, corticosteroids, and dehydroepiandrosterone.

374 "Animal" means any nonhuman animate being endowed with the power of voluntary action.

375 "Automated drug dispensing system" means a mechanical or electronic system that performs
376 operations or activities, other than compounding or administration, relating to pharmacy services,
377 including the storage, dispensing, or distribution of drugs and the collection, control, and maintenance of
378 all transaction information, to provide security and accountability for such drugs.

379 "Board" means the Board of Pharmacy.

380 "Bulk drug substance" means any substance that is represented for use, and that, when used in the
381 compounding, manufacturing, processing, or packaging of a drug, becomes an active ingredient or a
382 finished dosage form of the drug; however, "bulk drug substance" shall not include intermediates that
383 are used in the synthesis of such substances.

384 "Change of ownership" of an existing entity permitted, registered or licensed by the Board means (i)
385 the sale or transfer of all or substantially all of the assets of the entity or of any corporation that owns
386 or controls the entity; (ii) the creation of a partnership by a sole proprietor, the dissolution of a
387 partnership, or change in partnership composition; (iii) the acquisition or disposal of 50 percent or more
388 of the outstanding shares of voting stock of a corporation owning the entity or of the parent corporation
389 of a wholly owned subsidiary owning the entity, except that this shall not apply to any corporation the
390 voting stock of which is actively traded on any securities exchange or in any over-the-counter market;
391 (iv) the merger of a corporation owning the entity or of the parent corporation of a wholly-owned
392 subsidiary owning the entity with another business or corporation; or (v) the expiration or forfeiture of a
393 corporation's charter.

394 "Compounding" means the combining of two or more ingredients to fabricate such ingredients into a
395 single preparation and includes the mixing, assembling, packaging, or labeling of a drug or device (i) by
396 a pharmacist, or within a permitted pharmacy, pursuant to a valid prescription issued for a medicinal or
397 therapeutic purpose in the context of a bona fide practitioner-patient-pharmacist relationship, or in
398 expectation of receiving a valid prescription based on observed prescribing patterns; (ii) by or for a
399 practitioner of medicine, osteopathy, podiatry, dentistry, or veterinary medicine as an incident to his
400 administering or dispensing, if authorized to dispense, a controlled substance in the course of his
401 professional practice; or (iii) for the purpose of, or as incident to, research, teaching, or chemical
402 analysis and not for sale or for dispensing. The mixing, diluting, or reconstituting of a manufacturer's
403 product drugs for the purpose of administration to a patient, when performed by a practitioner of
404 medicine or osteopathy licensed under Chapter 29 (§ 54.1-2900 et seq.) or a person supervised by such
405 practitioner pursuant to subdivisions 43, 65, or 4918 of § 54.1-2901, shall not be considered
406 compounding.

407 "Controlled substance" means a drug, substance or immediate precursor in Schedules I through VI of
408 this chapter. The term shall not include distilled spirits, wine, malt beverages, or tobacco as those terms
409 are defined or used in Title 3.1 or Title 4.1.

410 "DEA" means the Drug Enforcement Administration, United States Department of Justice, or its
411 successor agency.

412 "Deliver" or "delivery" means the actual, constructive, or attempted transfer of any item regulated by
413 this chapter, whether or not there exists an agency relationship.

414 "Device" means instruments, apparatus, and contrivances, including their components, parts and
415 accessories, intended for use in the diagnosis, cure, mitigation, treatment, or prevention of disease in
416 man or animals or to affect the structure or any function of the body of man or animals.

417 "Dialysis care technician" or "dialysis patient care technician" means an individual who is certified
418 by an organization approved by the Board of Health Professions pursuant to Chapter 27.01
419 (§ 54.1-2729.1 et seq.) and who, under the supervision of a licensed physician, nurse practitioner,
420 physician assistant or a registered nurse, assists in the care of patients undergoing renal dialysis
421 treatments in a Medicare-certified renal dialysis facility.

422 "Dialysis solution" means either the commercially available, unopened, sterile solutions whose
423 purpose is to be instilled into the peritoneal cavity during the medical procedure known as peritoneal
424 dialysis, or commercially available solutions whose purpose is to be used in the performance of
425 hemodialysis not to include any solutions administered to the patient intravenously.

426 "Dispense" means to deliver a drug to an ultimate user or research subject by or pursuant to the
427 lawful order of a practitioner, including the prescribing and administering, packaging, labeling or

428 compounding necessary to prepare the substance for that delivery. However, dispensing shall not include
429 the transportation of drugs mixed, diluted, or reconstituted in accordance with this chapter to other sites
430 operated by such practitioner or that practitioner's medical practice for the purpose of administration of
431 such drugs to patients of the practitioner or that practitioner's medical practice at such other sites. For
432 practitioners of medicine or osteopathy, "dispense" shall only include the provision of drugs by a
433 practitioner to patients to take with them away from the practitioner's place of practice.

434 "Dispenser" means a practitioner who dispenses.

435 "Distribute" means to deliver other than by administering or dispensing a controlled substance.

436 "Distributor" means a person who distributes.

437 "Drug" means (i) articles or substances recognized in the official United States Pharmacopoeia
438 National Formulary or official Homeopathic Pharmacopoeia of the United States, or any supplement to
439 any of them; (ii) articles or substances intended for use in the diagnosis, cure, mitigation, treatment or
440 prevention of disease in man or animals; (iii) articles or substances, other than food, intended to affect
441 the structure or any function of the body of man or animals; or (iv) articles or substances intended for
442 use as a component of any article specified in clause (i), (ii) or (iii). "Drug" does not include devices or
443 their components, parts or accessories.

444 "Drug product" means a specific drug in dosage form from a known source of manufacture, whether
445 by brand or therapeutically equivalent drug product name.

446 "Electronic transmission prescription" means any prescription, other than an oral or written
447 prescription or a prescription transmitted by facsimile machine, that is electronically transmitted directly
448 to a pharmacy without interception or intervention from a third party from a practitioner authorized to
449 prescribe or from one pharmacy to another pharmacy.

450 "Facsimile (FAX) prescription" means a written prescription or order, which is transmitted by an
451 electronic device over telephone lines that sends the exact image to the receiving pharmacy in hard copy
452 form.

453 "FDA" means the United States Food and Drug Administration.

454 "Hashish oil" means any oily extract containing one or more cannabinoids, but shall not include any
455 such extract with a tetrahydrocannabinol content of less than 12 percent by weight.

456 "Immediate precursor" means a substance which the Board of Pharmacy has found to be and by
457 regulation designates as being the principal compound commonly used or produced primarily for use,
458 and which is an immediate chemical intermediary used or likely to be used in the manufacture of a
459 controlled substance, the control of which is necessary to prevent, curtail, or limit manufacture.

460 "Label" means a display of written, printed or graphic matter upon the immediate container of any
461 article. A requirement made by or under authority of this chapter that any word, statement or other
462 information appear on the label shall not be considered to be complied with unless such word, statement
463 or other information also appears on the outside container or wrapper, if any, of the retail package of
464 such article, or is easily legible through the outside container or wrapper.

465 "Labeling" means all labels and other written, printed or graphic matter on an article or any of its
466 containers or wrappers, or accompanying such article.

467 "Manufacture" means the production, preparation, propagation, conversion or processing of any item
468 regulated by this chapter, either directly or indirectly by extraction from substances of natural origin, or
469 independently by means of chemical synthesis, or by a combination of extraction and chemical
470 synthesis, and includes any packaging or repackaging of the substance or labeling or relabeling of its
471 container. This term does not include compounding.

472 "Manufacturer" means every person who manufactures.

473 "Marijuana" means any part of a plant of the genus Cannabis whether growing or not, its seeds or
474 resin; and every compound, manufacture, salt, derivative, mixture, or preparation of such plant, its seeds,
475 or its resin. Marijuana shall not include any oily extract containing one or more cannabinoids unless
476 such extract contains less than 12 percent of tetrahydrocannabinol by weight, nor shall marijuana include
477 the mature stalks of such plant, fiber produced from such stalk, oil or cake made from the seeds of such
478 plant, unless such stalks, fiber, oil or cake is combined with other parts of plants of the genus Cannabis.

479 "Medical equipment supplier" means any person, as defined in § 1-230, engaged in the delivery to
480 the ultimate consumer, pursuant to the lawful order of a practitioner, of hypodermic syringes and
481 needles, medicinal oxygen, Schedule VI controlled devices, those Schedule VI controlled substances with
482 no medicinal properties which are used for the operation and cleaning of medical equipment and
483 solutions for peritoneal dialysis.

484 "Narcotic drug" means any of the following, whether produced directly or indirectly by extraction
485 from substances of vegetable origin, or independently by means of chemical synthesis, or by a
486 combination of extraction and chemical synthesis: (i) opium, opiates, and any salt, compound, derivative,
487 or preparation of opium or opiates; (ii) any salt, compound, isomer, derivative, or preparation thereof
488 which is chemically equivalent or identical with any of the substances referred to in clause (i), but not
489 including the isoquinoline alkaloids of opium; (iii) opium poppy and poppy straw; (iv) coca leaves and

490 any salt, compound, derivative, or preparation of coca leaves, and any salt, compound, isomer,
 491 derivative, or preparation thereof which is chemically equivalent or identical with any of these
 492 substances, but not including decocainized coca leaves or extraction of coca leaves which do not contain
 493 cocaine or ecgonine.

494 "New drug" means: (i) any drug, except a new animal drug or an animal feed bearing or containing
 495 a new animal drug, the composition of which is such that such drug is not generally recognized, among
 496 experts qualified by scientific training and experience to evaluate the safety and effectiveness of drugs,
 497 as safe and effective for use under the conditions prescribed, recommended, or suggested in the labeling,
 498 except that such a drug not so recognized shall not be deemed to be a "new drug" if at any time prior
 499 to the enactment of this chapter it was subject to the Food and Drugs Act of June 30, 1906, as
 500 amended, and if at such time its labeling contained the same representations concerning the conditions
 501 of its use; or (ii) any drug, except a new animal drug or an animal feed bearing or containing a new
 502 animal drug, the composition of which is such that such drug, as a result of investigations to determine
 503 its safety and effectiveness for use under such conditions, has become so recognized, but which has not,
 504 otherwise than in such investigations, been used to a material extent or for a material time under such
 505 conditions.

506 "Nuclear medicine technologist" means an individual who holds a current certification with the
 507 American Registry of Radiological Technologists or the Nuclear Medicine Technology Certification
 508 Board.

509 "Official compendium" means the official United States Pharmacopoeia National Formulary, official
 510 Homeopathic Pharmacopoeia of the United States, or any supplement to any of them.

511 "Official written order" means an order written on a form provided for that purpose by the United
 512 States Drug Enforcement Administration, under any laws of the United States making provision therefor,
 513 if such order forms are authorized and required by federal law, and if no such order form is provided
 514 then on an official form provided for that purpose by the Board of Pharmacy.

515 "Opiate" means any substance having an addiction-forming or addiction-sustaining liability similar to
 516 morphine or being capable of conversion into a drug having such addiction-forming or
 517 addiction-sustaining liability. It does not include, unless specifically designated as controlled under
 518 Article 4 (§ 54.1-3437 et seq.) of this chapter, the dextrorotatory isomer of
 519 3-methoxy-n-methylmorphinan and its salts (dextromethorphan). It does include its racemic and
 520 levorotatory forms.

521 "Opium poppy" means the plant of the species *Papaver somniferum* L., except the seeds thereof.

522 "Original package" means the unbroken container or wrapping in which any drug or medicine is
 523 enclosed together with label and labeling, put up by or for the manufacturer, wholesaler, or distributor
 524 for use in the delivery or display of such article.

525 "Person" means both the plural and singular, as the case demands, and includes an individual,
 526 partnership, corporation, association, governmental agency, trust, or other institution or entity.

527 "Pharmacist-in-charge" means the person who, being licensed as a pharmacist, signs the application
 528 for a pharmacy permit and assumes full legal responsibility for the operation of the relevant pharmacy in
 529 a manner complying with the laws and regulations for the practice of pharmacy and the sale and
 530 dispensing of controlled substances; the "pharmacist-in-charge" shall personally supervise the pharmacy
 531 and the pharmacy's personnel as required by § 54.1-3432.

532 "Poppy straw" means all parts, except the seeds, of the opium poppy, after mowing.

533 "Practitioner" means a physician, dentist, licensed nurse practitioner pursuant to § 54.1-2957.01,
 534 licensed physician assistant pursuant to § 54.1-2952.1, pharmacist pursuant to § 54.1-3300, TPA-certified
 535 optometrist pursuant to Article 5 (§ 54.1-3222 et seq.) of Chapter 32, veterinarian, scientific investigator,
 536 or other person licensed, registered or otherwise permitted to distribute, dispense, prescribe and
 537 administer, or conduct research with respect to, a controlled substance in the course of professional
 538 practice or research in the Commonwealth.

539 "Prescriber" means a practitioner who is authorized pursuant to §§ 54.1-3303 and 54.1-3408 to issue
 540 a prescription.

541 "Prescription" means an order for drugs or medical supplies, written or signed or transmitted by word
 542 of mouth, telephone, telegraph or other means of communication to a pharmacist by a duly licensed
 543 physician, dentist, veterinarian or other practitioner, authorized by law to prescribe and administer such
 544 drugs or medical supplies.

545 "Prescription drug" means any drug required by federal law or regulation to be dispensed only
 546 pursuant to a prescription, including finished dosage forms and active ingredients subject to § 503 (b) of
 547 the Federal Food, Drug, and Cosmetic Act (21 U.S.C. § 353 (b)).

548 "Production" or "produce" includes the manufacture, planting, cultivation, growing or harvesting of a
 549 controlled substance or marijuana.

550 "Proprietary medicine" means a completely compounded nonprescription drug in its unbroken,

551 original package which does not contain any controlled substance or marijuana as defined in this chapter
552 and is not in itself poisonous, and which is sold, offered, promoted or advertised directly to the general
553 public by or under the authority of the manufacturer or primary distributor, under a trademark, trade
554 name or other trade symbol privately owned, and the labeling of which conforms to the requirements of
555 this chapter and applicable federal law. However, this definition shall not include a drug which is only
556 advertised or promoted professionally to licensed practitioners, a narcotic or drug containing a narcotic,
557 a drug which may be dispensed only upon prescription or the label of which bears substantially the
558 statement "Warning - may be habit-forming," or a drug intended for injection.

559 "Radiopharmaceutical" means any drug that exhibits spontaneous disintegration of unstable nuclei
560 with the emission of nuclear particles or photons and includes any non-radioactive reagent kit or
561 radionuclide generator that is intended to be used in the preparation of any such substance, but does not
562 include drugs such as carbon-containing compounds or potassium-containing salts that include trace
563 quantities of naturally occurring radionuclides. The term also includes any biological product that is
564 labeled with a radionuclide or intended solely to be labeled with a radionuclide.

565 "Sale" includes barter, exchange, or gift, or offer therefor, and each such transaction made by any
566 person, whether as an individual, proprietor, agent, servant or employee.

567 "Therapeutically equivalent drug products" means drug products that contain the same active
568 ingredients and are identical in strength or concentration, dosage form, and route of administration and
569 that are classified as being therapeutically equivalent by the United States Food and Drug Administration
570 pursuant to the definition of "therapeutically equivalent drug products" set forth in the most recent
571 edition of the Approved Drug Products with Therapeutic Equivalence Evaluations, otherwise known as
572 the "Orange Book."

573 "USP-NF" means the current edition of the United States Pharmacopeia-National Formulary.

574 "Warehouser" means any person, other than a wholesale distributor, engaged in the business of
575 selling or otherwise distributing prescription drugs or devices to any person who is not the ultimate user
576 or consumer. No person shall be subject to any state or local tax by reason of this definition.

577 "Wholesale distribution" means distribution of prescription drugs to persons other than consumers or
578 patients, subject to the exceptions set forth in § 54.1-3401.1.

579 "Wholesale distributor" means any person engaged in wholesale distribution of prescription drugs
580 including, but not limited to, manufacturers; repackers; own-label distributors; private-label distributors;
581 jobbers; brokers; warehouses, including manufacturers' and distributors' warehouses, chain drug
582 warehouses conducting wholesale distributions, and wholesale drug warehouses; independent wholesale
583 drug traders; and retail pharmacies conducting wholesale distributions. No person shall be subject to any
584 state or local tax as a wholesale merchant by reason of this definition.

585 The words "drugs" and "devices" as used in Chapter 33 (§ 54.1-3300 et seq.) and in this chapter
586 shall not include surgical or dental instruments, physical therapy equipment, X-ray apparatus or glasses
587 or lenses for the eyes.

588 The terms "pharmacist," "pharmacy" and "practice of pharmacy" as used in this chapter shall be
589 defined as provided in Chapter 33 unless the context requires a different meaning.
