Referred to Committee on General Laws and Technology

**Be it enacted by the General Assembly of Virginia:**

**1. That § 2.2-3705.4 of the Code of Virginia is amended and reenacted as follows:**

§ 2.2-3705.4. Exclusions to application of chapter; educational records and certain records of educational institutions.

The following records are excluded from the provisions of this chapter but may be disclosed by the custodian in his discretion, except where such disclosure is prohibited by law:

1. Scholastic records containing information concerning identifiable individuals, except that such access shall not be denied to the person who is the subject thereof, or the parent or legal guardian of the student. However, no student shall have access to (i) financial records of a parent or guardian or (ii) records of instructional, supervisory, and administrative personnel and educational personnel ancillary thereto, that are in the sole possession of the maker thereof and that are not accessible or revealed to any other person except a substitute.

The parent or legal guardian of a student may prohibit, by written request, the release of any individual information regarding that student until the student reaches the age of 18 years. For scholastic records of students under the age of 18 years, the right of access may be asserted only by his legal guardian or parent, including a noncustodial parent, unless such parent's parental rights have been terminated or a court of competent jurisdiction has restricted or denied such access. For scholastic records of students who are emancipated or attending a state-supported institution of higher education, the right of access may be asserted by the student.

Any person who is the subject of any scholastic record and who is 18 years of age or older may waive, in writing, the protections afforded by this subdivision. If the protections are so waived, the public body shall open such records for inspection and copying.

2. Confidential letters and statements of recommendation placed in the records of educational agencies or institutions respecting (i) admission to any educational agency or institution, (ii) an application for employment, or (iii) receipt of an honor or honorary recognition.

3. Records of the Brown v. Board of Education Scholarship Awards Committee relating to personally identifiable information, including scholarship applications, personal financial information, and confidential correspondence and letters of recommendation.

4. Data, records or information of a proprietary nature produced or collected by or for faculty or staff of public institutions of higher education, other than the institutions' financial or administrative records, in the conduct of or as a result of study or research on medical, scientific, technical or scholarly issues, whether sponsored by the institution alone or in conjunction with a governmental body or a private concern, where such data, records or information has not been publicly released, published, copyrighted or patented.

5. All records of the University of Virginia or the University of Virginia Medical Center or Eastern Virginia Medical School, as the case may be, that contain proprietary, business-related information pertaining to the operations of the University of Virginia Medical Center or Eastern Virginia Medical School, as the case may be, including business development or marketing strategies and activities with existing or future joint venturers, partners, or other parties with whom the University of Virginia Medical Center or Eastern Virginia Medical School, as the case may be, has formed, or forms, any arrangement for the delivery of health care, if disclosure of such information would be harmful to the competitive position of the Medical Center or Eastern Virginia Medical School, as the case may be.

6. Personal information, as defined in § 2.2-3801, provided to the Board of the Virginia College Savings Plan or its employees by or on behalf of individuals who have requested information about, applied for, or entered into prepaid tuition contracts or savings trust account agreements pursuant to Chapter 4.9 (§ 23-38.75 et seq.) of Title 23. Nothing in this subdivision shall be construed to prohibit disclosure or publication of information in a statistical or other form that does not identify individuals or provide personal information. Individuals shall be provided access to their own personal information.
