

1 VIRGINIA ACTS OF ASSEMBLY — CHAPTER

2 *An Act to amend and reenact § 32.1-116.1 of the Code of Virginia and to repeal § 51.5-11 of the Code*
3 *of Virginia, relating to the brain injury registry maintained by the Department of Rehabilitative*
4 *Services; Virginia Statewide Trauma Registry.*

5 [S 197]

6 Approved

7 **Be it enacted by the General Assembly of Virginia:**8 **1. That § 32.1-116.1 of the Code of Virginia is amended and reenacted as follows:**

9 § 32.1-116.1. Prehospital patient care reporting procedure; trauma registry; confidentiality.

10 A. In order to collect data on the incidence, severity and cause of trauma, integrate the information
11 available from other state agencies on trauma and improve the delivery of prehospital and hospital
12 emergency medical services, there is hereby established the Emergency Medical Services Patient Care
13 Information System. The Emergency Medical Services Patient Care Information System shall include the
14 Virginia Emergency Medical Services (EMS) Registry and the Virginia Statewide Trauma Registry.

15 All licensed emergency medical services agencies shall participate in the Virginia EMS Registry by
16 making available to the Commissioner or his designees the minimum data set in the format prescribed
17 by the Board or any other format which contain equivalent information and meets any technical
18 specifications of the Board. The minimum data set shall include, but not be limited to, the type of
19 medical emergency or nature of the call, the response time, the treatment provided and other items as
20 prescribed by the Board.

21 Each licensed emergency medical services agency shall, upon request, disclose the prehospital care
22 report to law-enforcement officials (i) when the patient is the victim of a crime or (ii) when the patient
23 is in the custody of the law-enforcement officials and has received emergency medical services or has
24 refused emergency medical services.

25 The Commissioner may delegate the responsibility for collection of this data to the Office of
26 Emergency Medical Services personnel or individuals under contract to the Office. The Advisory Board
27 shall assist in the design, implementation, subsequent revisions and analyses of the data from the
28 Virginia EMS Registry.

29 B. All licensed hospitals which render emergency medical services shall participate in the Virginia
30 Statewide Trauma Registry by making available to the Commissioner or his designees abstracts of the
31 records of all patients admitted to the institutions with diagnoses related to trauma. The abstracts shall
32 be submitted in the format prescribed by the Department and shall include the minimum data set
33 prescribed by the Board.

34 The Commissioner shall seek the advice and assistance of the Advisory Board and the Trauma
35 System Oversight and Management Committee in the design, implementation, subsequent revisions and
36 analyses of the Virginia Statewide Trauma Registry.

37 C. Patient and other data or information submitted to the trauma registry or transmitted to the
38 Commissioner, the Advisory Board, any committee acting on behalf of the Advisory Board, any hospital
39 or prehospital care provider, any regional emergency medical services council, permitted emergency
40 medical services agency, or other group or committee for the purpose of monitoring and improving the
41 quality of care pursuant to § 32.1-111.3, shall be privileged and shall not be disclosed or obtained by
42 legal discovery proceedings, unless a circuit court, after a hearing and for good cause shown arising
43 from extraordinary circumstances, orders disclosure of such data.

44 D. *The Commissioner shall make available and share all information contained in the Virginia*
45 *Statewide Trauma Registry with the Virginia Department of Rehabilitative Services so that the*
46 *Department may develop and implement programs and services for persons suffering from brain*
47 *injuries.*

48 **2. That § 51.5-11 of the Code of Virginia is repealed.**
