§ 16.1-228. Definitions.

When used in this chapter, unless the context otherwise requires:

"Abused or neglected child" means any child:

1. Whose parents or other person responsible for his care creates or inflicts, threatens to create or inflict, or allows to be created or inflicted upon such child a physical or mental injury by other than accidental means, or creates a substantial risk of death, disfigurement or impairment of bodily or mental functions, including, but not limited to, a child who is with his parent or other person responsible for his care either (i) during the manufacture or attempted manufacture of a Schedule I or II controlled substance, or (ii) during the unlawful sale of such substance by that child's parents or other person responsible for his care, where such manufacture, or attempted manufacture or unlawful sale would constitute a felony violation of § 18.2-248;

2. Whose parents or other person responsible for his care neglects or refuses to provide care necessary for his health; however, no child who in good faith is under treatment solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination shall for that reason alone be considered to be an abused or neglected child;

3. Whose parents or other person responsible for his care abandons such child;

4. Whose parents or other person responsible for his care commits or allows to be committed any sexual act upon a child in violation of the law;

5. Who is without parental care or guardianship caused by the unreasonable absence or the mental or physical incapacity of the child's parent, guardian, legal custodian, or other person standing in loco parentis; or

6. Whose parents or other person responsible for his care creates a substantial risk of physical or mental injury by knowingly leaving the child alone in the same dwelling, including an apartment as defined in § 55-79.2, with a person to whom the child is not related by blood or marriage and who the parent or other person responsible for his care knows has been convicted of an offense against a minor for which registration is required as a violent sexual offender pursuant to § 9.1-902.

If a civil proceeding under this chapter is based solely on the parent having left the child at a hospital or rescue squad, it shall be an affirmative defense that such parent safely delivered the child to a hospital that provides 24-hour emergency services or to an attended rescue squad that employs emergency medical technicians, within 14 days of the child's birth. spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination shall for that reason alone be considered to be a child in need of services, nor shall any child who habitually remains away from or habitually deserts or abandons his family as a result of what the court or the local child protective services unit determines to be incidents of physical, emotional or sexual abuse in the home be considered a child in need of services for that reason alone.

However, to find that a child falls within these provisions, (i) the conduct complained of must present a clear and substantial danger to the child's life or health or to the life or health of another person, (ii) the child or his family is in need of treatment, rehabilitation or services not presently being received, and (iii) the intervention of the court is essential to provide the treatment, rehabilitation or services needed by the child or his family.

2. A child who, without reasonable cause and without the consent of his parent, lawful custodian or placement authority, remains away from or deserts or abandons his family or lawful custodian on more than one occasion or escapes or remains away without proper authority from a residential care facility in which he has been placed by the court, and (i) such conduct presents a clear and substantial danger to the child's life or health, (ii) the child or his family is in need of treatment, rehabilitation or services not presently being received, and (iii) the intervention of the court is essential to provide the treatment, rehabilitation or services needed by the child or his family.

§ 16.1-281. Foster care plan.

A. In any case in which (i) a local board of social services or a public agency designated by the community policy and management team places a child through an agreement with the parents or guardians where legal custody remains with the parents or guardian, or (ii) legal custody of a child is given to a local board of social services or a child welfare agency, the local department of social services, the public agency designated or child welfare agency or the family assessment and planning team established pursuant to § 2.2-5207 shall prepare a foster care plan for such child, as described hereinafter. The individual family service plan developed by the family assessment and planning team pursuant to § 2.2-5208 may be accepted by the court as the foster care plan if it meets the requirements of this section.

The representatives of such department, agency, or team shall involve the child's parent(s) in the development of the plan, except when parental rights have been terminated or the local department of social services or other designated agency has made diligent efforts to locate the parent(s) and such parent(s) cannot be located, and any other person or persons standing in loco parentis at the time the board or child welfare agency obtained custody or the board or the public agency placed the child. The representatives of such department, agency, or team shall involve the child in the development of the plan, if such involvement is consistent with the best interests of the child. In cases where either the parent(s) or child is not involved in the development of the plan, the department, agency, or team shall include in the plan a full description of the reasons therefor.

The department, public agency, child welfare agency or team shall file the plan with the juvenile and domestic relations district court within 60 days following the transfer of custody or the board's or public agency's placement of the child unless the court, for good cause shown, allows an extension of time, which shall not exceed an additional 60 days. However, a foster care plan shall be filed in accordance with the provisions of § 16.1-277.01 with a petition for approval of an entrustment agreement. A foster care plan need not be prepared if the child is returned to his prior family or placed in an adoptive home within 60 days following transfer of custody to the board or agency or the board's or public agency's placement of the child.

B. The foster care plan shall describe *in writing* (i) the programs, care, services and other support which will be offered to the child and his parents and other prior custodians; (ii) the participation and conduct which will be sought from the child's parents and other prior custodians; (iii) the visitation and other contacts which will be permitted between the child and his parents and other prior custodians; (iv) the nature of the placement or placements which will be provided for the child; and (v) ~~in writing and for children 14 years of age and older, the child's needs and goals in the areas of counseling, education, housing, employment, and money management skills development, along with specific independent living services that will be provided to the child to help him reach these goals; and~~ (vi) where appropriate for children age 16 or over, the programs and services which will help the child prepare for the transition from foster care to independent living. If consistent with the child's health and safety, the plan shall be designed to support reasonable efforts which lead to the return of the child to his parents or other prior custodians within the shortest practicable time which shall be specified in the plan. The child's health and safety shall be the paramount concern of the court and the agency throughout the placement, case planning, service provision and review process.

If the department, child welfare agency or team concludes that it is not reasonably likely that the child can be returned to his prior family within a practicable time, consistent with the best interests of the child, in a separate section of the plan the department, child welfare agency or team shall (a) include a full description of the reasons for this conclusion; (b) provide information on the opportunities for placing the child with a relative or in an adoptive home; (c) design the plan to lead to the child's successful placement with a relative if a subsequent transfer of custody to the relative is planned, or in an adoptive home within the shortest practicable time, and if neither of such placements is feasible; (d) explain why permanent foster care, independent living for a child 16 years of age or older, or continued foster care is the plan for the child. ~~"Independent living" includes the services and programs needed to assist the child in making a transition from foster care to self-sufficiency. The department or agency may include with such proposed plan a petition seeking the termination of residual parental rights pursuant to § 16.1-283. "Independent living" as used in this section has the meaning set forth in § 63.2-100.~~

The local board or other child welfare agency having custody of the child shall not be required by the court to make reasonable efforts to reunite the child with a parent if the court finds that (1) the residual parental rights of the parent regarding a sibling of the child have previously been involuntarily terminated; (2) the parent has been convicted of an offense under the laws of the Commonwealth or a substantially similar law of any other state, the United States or any foreign jurisdiction that constitutes murder or voluntary manslaughter, or a felony attempt, conspiracy or solicitation to commit any such offense, if the victim of the offense was a child of the parent, a child with whom the parent resided at the time such offense occurred or the other parent of the child; (3) the parent has been convicted of an offense under the laws of the Commonwealth or a substantially similar law of any other state, the United States or any foreign jurisdiction that constitutes felony assault resulting in serious bodily injury or felony bodily wounding resulting in serious bodily injury or felony sexual assault, if the victim of the offense was a child of the parent or a child with whom the parent resided at the time of such offense; or (4) based on clear and convincing evidence, the parent has subjected any child to aggravated circumstances, or abandoned a child under circumstances which would justify the termination of residual parental rights pursuant to subsection D of § 16.1-283.

As used in this section:

"Aggravated circumstances" means torture, chronic or severe abuse, or chronic or severe sexual

abuse, if the victim of such conduct was a child of the parent or child with whom the parent resided at the time such conduct occurred, including the failure to protect such a child from such conduct, which conduct or failure to protect: (i) evinces a wanton or depraved indifference to human life, or (ii) has resulted in the death of such a child or in serious bodily injury to such a child.

"Chronic abuse" or "chronic sexual abuse" means recurring acts of physical abuse that place the child's health, safety and well-being at risk.

"Serious bodily injury" means bodily injury that involves substantial risk of death, extreme physical pain, protracted and obvious disfigurement, or protracted loss or impairment of the function of a bodily member, organ or mental faculty.

"Severe abuse" or "severe sexual abuse" may include an act or omission that occurred only once, but otherwise meets the definition of "aggravated circumstances."

Within 30 days of making a determination that reasonable efforts to reunite the child with the parents are not required, the court shall hold a permanency planning hearing pursuant to § 16.1-282.1.

C. A copy of the entire foster care plan shall be sent by the court to the child, if he is 12 years of age or older; the guardian ad litem for the child, the attorney for the child's parents or for any other person standing in loco parentis at the time the board or child welfare agency obtained custody or the board or public agency placed the child, to the parents or other person standing in loco parentis, and such other persons as appear to the court to have a proper interest in the plan. However, a copy of the plan shall not be sent to a parent whose parental rights regarding the child have been terminated. A copy of the plan, excluding the section of the plan describing the reasons why the child cannot be returned home and the alternative chosen, shall be sent by the court to the foster parents. A hearing shall be held for the purpose of reviewing and approving the foster care plan. The hearing shall be held within 75 days of (i) the child's initial foster care placement, if the child was placed through an agreement between the parents or guardians and the local department of social services, other public agency or a child welfare agency; (ii) the original preliminary removal order hearing, if the child was placed in foster care pursuant to § 16.1-252; (iii) the hearing on the petition for relief of custody, if the child was placed in foster care pursuant to § 16.1-277.02; or (iv) the dispositional hearing at which the child was placed in foster care and an order was entered pursuant to § 16.1-278.2, 16.1-278.3, 16.1-278.4, 16.1-278.5, 16.1-278.6, or 16.1-278.8. However, the hearing shall be held in accordance with the provisions of § 16.1-277.01 with a petition for approval of an entrustment agreement. If the judge makes any revision in any part of the foster care plan, a copy of the changes shall be sent by the court to all persons who received a copy of the original of that part of the plan.

C1. Any order transferring custody of the child to a relative other than the child's prior family shall be entered only upon a finding, based upon a preponderance of the evidence, that the relative is one who, after an investigation as directed by the court, (i) is found by the court to be willing and qualified to receive and care for the child; (ii) is willing to have a positive, continuous relationship with the child; (iii) is committed to providing a permanent, suitable home for the child; and (iv) is willing and has the ability to protect the child from abuse and neglect; and the order shall so state. The court's order transferring custody to a relative should further provide for, as appropriate, any terms or conditions which would promote the child's interest and welfare; ongoing provision of social services to the child and the child's custodian; and court review of the child's placement.

C2. Any order entered at the conclusion of the hearing that has the effect of achieving a permanent goal for the child by terminating residual parental rights pursuant to § 16.1-277.01, 16.1-277.02, 16.1-278.3 or 16.1-283; by placing the child in permanent foster care pursuant to subdivision A iv of § 16.1-282.1; or by directing the board or agency to provide the child with services to achieve independent living status, if the child has attained the age of 16 years, pursuant to subdivision A v of § 16.1-282.1 shall state whether reasonable efforts have been made to place the child in a timely manner in accordance with the foster care plan and to complete the steps necessary to finalize the permanent placement of the child.

D. The court in which the foster care plan is filed shall be notified immediately if the child is returned to his parents or other persons standing in loco parentis at the time the board or agency obtained custody or the board or public agency placed the child.

E. At the conclusion of the hearing at which the initial foster care plan is reviewed, the court shall schedule a foster care review hearing to be held within six months in accordance with § 16.1-282. However, if an order is entered pursuant to subsection C2, the court shall schedule a foster care review hearing to be held within 12 months of the entry of such order in accordance with the provisions of § 16.1-282.2. Parties who are present at the hearing at which the initial foster care plan is reviewed shall be given notice of the date set for the foster care review hearing and parties who are not present shall be summoned as provided in § 16.1-263.

F. Nothing in this section shall limit the authority of the juvenile judge or the staff of the juvenile court, upon order of the judge, to review the status of children in the custody of local boards of social

services or placed by local boards of social services or the public agency designated by the community policy and management team on its own motion. The court shall appoint an attorney to act as guardian ad litem to represent the child any time a hearing is held to review the foster care plan filed for the child or to review the child's status in foster care.

§ 16.1-282. Foster care review.

A. In the case of a child who was the subject of a foster care plan filed with the court pursuant to § 16.1-281, a foster care review hearing shall be held within six months of the dispositional hearing at which the foster care plan pursuant to § 16.1-281 was reviewed if the child: (a) was placed through an agreement between the parents or guardians and the local board of social services or a public agency designated by the community policy and management team where legal custody remains with the parents or guardians and such agreement has not been dissolved by court order; or (b) is under the legal custody of a local board of social services or a child welfare agency and has not had a petition to terminate parental rights granted, filed or ordered to be filed on the child's behalf; has not been placed in permanent foster care; or is ~~not receiving services to achieve independent living status~~ *is age 16 or over and the plan for the child is not independent living*.

Any interested party, including the parent, guardian or person who stood in loco parentis prior to the board's or public agency's placement of the child or the board's or child welfare agency's assumption of legal custody, may file with the court the petition for a foster care review hearing hereinafter described at any time after the initial foster care placement of the child. However, the board, public agency or child welfare agency shall file the petition within five months of the dispositional hearing at which the foster care plan was reviewed pursuant to § 16.1-281.

B. The petition shall:

1. Be filed in the court in which the foster care plan for the child was reviewed and approved. Upon the order of such court, however, the petition may be filed in the court of the county or city in which the board or child welfare agency having legal custody or having placed the child has its principal office or where the child resides;

2. State, if such is reasonably obtainable, the current address of the child's parents and, if the child was in the custody of a person or persons standing in loco parentis at the time the board or child welfare agency obtained legal custody or the board or public agency placed the child, of such person or persons;

3. Describe the placement or placements provided for the child while in foster care and the services or programs offered to the child and his parents and, if applicable, the persons previously standing in loco parentis;

4. Describe the nature and frequency of the contacts between the child and his parents and, if applicable, the persons previously standing in loco parentis;

5. Set forth in detail the manner in which the foster care plan previously filed with the court was or was not complied with and the extent to which the goals thereof have been met; and

6. Set forth the disposition sought and the grounds therefor; however, if a continuation of foster care is recommended, a foster care plan for such period of continued foster care shall also be included and shall address (i) the role the current foster parents or other care providers will play in the future planning for the child and (ii) in the case of a child who has attained age sixteen *and for whom the plan is independent living*, the services ~~and programs~~ needed to assist the child to ~~make~~ a transition from foster care to independent living.

C. Upon receipt of the petition filed by the board, public agency, child welfare agency, or any interested party as provided in subsection B of this section, the court shall schedule a hearing to be held within thirty days if a hearing was not previously scheduled. The court shall provide notice of the hearing and a copy of the petition to the following, each of whom shall be a party entitled to participate in the proceeding:

1. The child, if he is twelve years of age or older;

2. The attorney-at-law representing the child as guardian ad litem;

3. The child's parents and, if the child was in the custody of a person standing in loco parentis at the time the department obtained custody, such person or persons. No such notification shall be required, however, if the judge certifies on the record that the identity of the parent or guardian is not reasonably ascertainable. An affidavit of the mother that the identity of the father is not reasonably ascertainable shall be sufficient evidence of this fact, provided there is no other evidence before the court which would refute such an affidavit. If the parent or guardian of the child did not appear at the dispositional hearing and was not noticed to return for the foster care review hearing in accordance with subsection E of § 16.1-281, the parent or guardian shall be summoned to appear at the foster care review hearing in accordance with § 16.1-263. The review hearing shall be held pursuant to this section although a parent or guardian fails to appear and is not represented by counsel, provided personal or substituted service was made on the parent or guardian, or the court determines that such person cannot be found, after

reasonable effort, or in the case of a person who is without the Commonwealth, the person cannot be found or his post office address cannot be ascertained after reasonable effort;

4. The foster parent or foster parents or other care providers of the child;

5. The petitioning board, public agency or child welfare agency; and

6. Such other persons as the court, in its discretion, may direct. The local board of social services or other child welfare agency shall identify for the court such other persons as have a legitimate interest in the hearing, including, but not limited to, preadoptive parents for a child in foster care.

D. At the conclusion of the hearing, the court shall, upon the proof adduced in accordance with the best interests of the child and subject to the provisions of subsection D1, enter any appropriate order of disposition consistent with the dispositional alternatives available to the court at the time of the original hearing. The court order shall state whether reasonable efforts, if applicable, have been made to reunite the child with his parents, guardian or other person standing in loco parentis to the child. Any order entered at the conclusion of this hearing that has the effect of achieving a permanent goal for the child by terminating residual parental rights pursuant to §§ 16.1-277.01, 16.1-277.02, 16.1-278.3, or § 16.1-283; by placing the child in permanent foster care pursuant to subdivision A iv of § 16.1-282.1; or by directing the board or agency to provide the child with services to achieve independent living status, if the child has attained the age of sixteen years *and the plan for the child is independent living, directing the board or agency to provide the necessary services to transition from foster care*, pursuant to subdivision A v of § 16.1-282.1 shall state whether reasonable efforts have been made to place the child in a timely manner in accordance with the foster care plan and to complete the steps necessary to finalize the permanent placement of the child.

D1. Any order transferring custody of the child to a relative other than the child's prior family shall be entered only upon a finding, based upon a preponderance of the evidence, that the relative is one who, after an investigation as directed by the court, (i) is found by the court to be willing and qualified to receive and care for the child; (ii) is willing to have a positive, continuous relationship with the child; (iii) is committed to providing a permanent, suitable home for the child; and (iv) is willing and has the ability to protect the child from abuse and neglect; and the order shall so state. The court's order transferring custody to a relative should further provide for, as appropriate, any terms and conditions which would promote the child's interest and welfare; ongoing provision of social services to the child and the child's custodian; and court review of the child's placement.

E. The court shall possess continuing jurisdiction over cases reviewed under this section for so long as a child remains in a foster care placement or, when a child is returned to his prior family subject to conditions imposed by the court, for so long as such conditions are effective. After the hearing required pursuant to subsection C, the court shall schedule a permanency planning hearing on the case to be held five months thereafter in accordance with § 16.1-282.1 or within thirty days upon the petition of any party entitled to notice in proceedings under this section when the judge determines there is good cause shown for such a hearing. However, in the case of a child who is the subject of an order that has the effect of achieving a permanent goal for the child by terminating residual parental rights pursuant to §§ 16.1-277.01, 16.1-277.02, 16.1-278.3, or § 16.1-283; by placing the child in permanent foster care pursuant to subdivision A iv of § 16.1-282.1; or by directing the board or agency to provide the child with services to achieve independent living status, if the child has attained the age of sixteen years, pursuant to subdivision A v of § 16.1-282.1, a permanency planning hearing within five months shall not be required and the court shall schedule a foster care review hearing to be held within twelve months of the entry of such order in accordance with the provisions of § 16.1-282.2.

§ 16.1-282.1. Permanency planning hearing for children in foster care.

A. In the case of a child who was the subject of a foster care plan filed with the court pursuant to § 16.1-281, a permanency planning hearing shall be held within eleven months of the dispositional hearing at which the foster care plan pursuant to § 16.1-281 was reviewed if the child (a) was placed through an agreement between the parents or guardians and the local board of social services or a public agency designated by the community policy and management team where legal custody remains with the parents or guardians and such agreement has not been dissolved by court order; or (b) is under the legal custody of a local board of social services or a child welfare agency and has not had a petition to terminate parental rights filed on the child's behalf, has not been placed in permanent foster care, or is ~~not receiving services to achieve independent living status~~ *age 16 or over and the plan for the child is not independent living*. The board, public agency or child welfare agency shall file a petition for a permanency planning hearing within ten months of the dispositional hearing at which the foster care plan was reviewed pursuant to § 16.1-281. The purpose of this hearing is to establish a permanent goal for the child and either to achieve the permanent goal or to defer such action through the approval of an interim plan for the child.

To achieve the permanent goal, the petition for a permanency planning hearing shall seek to (i) transfer the custody of the child to his prior family, or dissolve the board's or public agency's placement

423 agreement and return the child to his prior family; (ii) transfer custody of the child to a relative other  
 424 than the child's prior family, subject to the provisions of subsection A1; (iii) terminate residual parental  
 425 rights pursuant to § 16.1-277.01 or § 16.1-283; (iv) place the child in permanent foster care pursuant to

 428 *direct the board or agency to provide the child with services to transition from foster care*; or (vi) place  
 429 the child in another planned permanent living arrangement in accordance with the provisions of  
 430 subsection A2.

431 For approval of an interim plan, the petition for a permanency planning hearing shall seek to  
 432 continue custody with the board or agency, or continue placement with the board or public agency  
 433 through a parental agreement; or transfer custody to the board or child welfare agency from the parents  
 434 or guardian of a child who has been in foster care through an agreement where the parents or guardian  
 435 retains custody.

436 Upon receipt of the petition, if a permanency planning hearing has not already been scheduled, the  
 437 court shall schedule such a hearing to be held within thirty days. The permanency planning hearing shall  
 438 be held within eleven months of the dispositional hearing at which the foster care plan was reviewed  
 439 pursuant to § 16.1-281. The provisions of subsection B of § 16.1-282 shall apply to this petition. The  
 440 procedures of subsection C of § 16.1-282 and the provisions of subsection E of § 16.1-282 shall apply to  
 441 the scheduling and notice of proceedings under this section.

442 A1. The following requirements shall apply to the transfer of custody of the child to a relative other  
 443 than the child's prior family in accordance with the provisions of (ii) of subsection A of this section.  
 444 Any order transferring custody of the child to a relative other than the child's prior family shall be  
 445 entered only upon a finding, based upon a preponderance of the evidence, that the relative is one who,  
 446 after an investigation as directed by the court, (i) is found by the court to be willing and qualified to  
 447 receive and care for the child; (ii) is willing to have a positive, continuous relationship with the child;  
 448 (iii) is committed to providing a permanent, suitable home for the child; and (iv) is willing and has the  
 449 ability to protect the child from abuse and neglect; and the order shall so state. The court's order  
 450 transferring custody to a relative should further provide, as appropriate, for any terms or conditions  
 451 which would promote the child's interest and welfare.

452 A2. The following requirements shall apply to the selection and approval of placement in another  
 453 planned permanent living arrangement as the permanent goal for the child in accordance with clause (vi)  
 454 of subsection A of this section.

455 1. The board, public agency or child welfare agency shall petition for alternative (vi) of subsection A  
 456 only if the child has a severe and chronic emotional, physical or neurological disabling condition for  
 457 which the child requires long-term residential treatment; and the board, public agency or child welfare  
 458 agency has thoroughly investigated the feasibility of the alternatives listed in clauses (i) through (v) of  
 459 subsection A and determined that none of those alternatives is in the best interests of the child. In a  
 460 foster care plan filed with the petition pursuant to this section, the board or agency shall document the  
 461 following: (i) the investigation conducted of the placement alternatives listed in clauses (i) through (v)  
 462 of subsection A and why each of these is not currently in the best interest of the child; (ii) at least one  
 463 compelling reason why none of the alternatives listed in clauses (i) through (v) is achievable for the  
 464 child at the time placement in another planned permanent living arrangement is selected as the  
 465 permanent goal for the child; (iii) the identity of the long-term residential treatment service provider;  
 466 (iv) the nature of the child's disability; (v) the anticipated length of time required for the child's  
 467 treatment; and (vi) the status of the child's eligibility for admission and long-term treatment.

468 2. Before approving alternative (vi) of subsection A of this section as the plan for the child, the court  
 469 shall find (i) that the child has a severe and chronic emotional, physical or neurological disabling  
 470 condition; (ii) that the child requires long-term residential treatment for the disabling condition; and (iii)  
 471 that none of the alternatives listed in clauses (i) through (v) of subsection A is achievable for the child  
 472 at the time placement in another planned permanent living arrangement is approved as the permanent  
 473 goal for the child. If the board or agency petitions for alternative (vi), alternative (vi) may be approved  
 474 by the court for a period of six months at a time.

475 3. At the conclusion of the permanency planning hearing, if alternative (vi) of subsection A of this  
 476 section is the permanent plan, the court shall schedule a hearing to be held within six months to review  
 477 the child's placement in another planned permanent living arrangement in accordance with subdivision 4  
 478 of subsection A2. All parties present at the hearing at which clause (vi) of subsection A is approved as  
 479 the permanent plan for the child shall be given notice of the date scheduled for the foster care review  
 480 hearing. Parties not present shall be summoned to appear as provided in § 16.1-263. Otherwise, this  
 481 subsection A2 shall govern the scheduling and notice for such hearings.

482 4. The court shall review a foster care plan for any child who is placed in another planned  
 483 permanent living arrangement every six months from the date of the permanency planning hearing held

pursuant to this subsection, so long as the child remains in the legal custody of the board, public agency or child welfare agency. The board, public agency or child welfare agency shall file such petitions for review pursuant to the provisions of § 16.1-282 and shall, in addition, include in the petition the information required by subdivision 1 of subsection A2 of this section. The petition for foster care review shall be filed no later than thirty days prior to the hearing scheduled in accordance with subdivision 3 of subsection A2. At the conclusion of the foster care review hearing, if alternative (vi) of subsection A of this section remains the permanent plan, the court shall enter an order that states whether reasonable efforts have been made to place the child in a timely manner in accordance with the permanency plan and to monitor the child's status in another planned permanent living arrangement.

However, if at any time during the six-month approval periods permitted by this subsection, a determination is made by treatment providers that the child's need for long-term residential treatment for the child's disabling condition is eliminated, the board or agency shall immediately begin to plan for post-discharge services and shall, within thirty days of making such a determination, file a petition for a permanency planning hearing pursuant to subsection A of this section. Upon receipt of the petition, the court shall schedule a permanency planning hearing to be held within thirty days. The provisions of subsection B of § 16.1-282 shall apply to this petition. The procedures of subsection C of § 16.1-282 and the provisions of subsection E of § 16.1-282 shall apply to proceedings under this section.

B. The following requirements shall apply to the selection and approval of an interim plan for the child in accordance with subsection A.

1. The board, public agency or child welfare agency shall petition for approval of an interim plan only if the board, public agency or child welfare agency has thoroughly investigated the feasibility of the alternatives listed in clauses (i) through (v) of subsection A and determined that none of those alternatives is in the best interest of the child. If the board or agency petitions for approval of an interim plan, such plan may be approved by the court for a maximum period of six months. The board or agency shall also file a foster care plan that (i) identifies a permanent goal for the child that corresponds with one of the alternatives specified in clauses (i) through (v) of subsection A; (ii) includes provisions for accomplishing the permanent goal within six months; and (iii) summarizes the investigation conducted of the alternatives listed in clauses (i) through (v) of subsection A and why achieving each of these is not in the best interest of the child at this time.

2. Before approving an interim plan for the child, the court shall find:

a. When returning home remains the plan for the child, that the parent has made marked progress toward reunification with the child, the parent has maintained a close and positive relationship with the child, and the child is likely to return home within the near future, although it is premature to set an exact date for return at the time of this hearing; or

b. When returning home is not the plan for the child, that marked progress is being made to achieve the permanent goal identified by the board, public agency or child welfare agency and that it is premature to set an exact date for accomplishing the goal at the time of this hearing.

3. Upon approval of an interim plan, the court shall schedule a hearing to be held within six months to determine that the permanent goal is accomplished and to enter an order consistent with alternative (i), (ii), (iii), (iv), or (v) of subsection A. All parties present at the initial permanency planning hearing shall be given notice of the date scheduled for the second permanency planning hearing. Parties not present shall be summoned to appear as provided in § 16.1-263. Otherwise, subsection A shall govern the scheduling and notice for such hearings.

C. At the conclusion of the permanency planning hearing held pursuant to this section, whether action is taken or deferred to achieve the permanent goal for the child, the court shall enter an order that states whether reasonable efforts have been made to reunite the child with the child's prior family, if returning home is the permanent goal for the child; or whether reasonable efforts have been made to achieve the permanent goal identified by the board or agency, if the goal is other than returning the child home.

In making this determination, the court shall give consideration to whether the board or agency has placed the child in a timely manner in accordance with the foster care plan and completed the steps necessary to finalize the permanent placement of the child.

§ 16.1-282.2. Annual foster care review.

A. The court shall review a foster care plan annually for any child who remains in the legal custody of a local board of social services or a child welfare agency and (i) on whose behalf a petition to terminate parental rights has been granted, filed or ordered to be filed, (ii) who is placed in permanent foster care, or (iii) ~~who is receiving services to achieve independent living status who is age 16 or over and for whom the plan is independent living.~~ The foster care review hearing shall be scheduled at the conclusion of a hearing held pursuant to §§ 16.1-281, 16.1-282, or § 16.1-282.1 at which the order is entered: terminating parental rights, directing the filing of a petition for termination of parental rights by the board or agency, placing the child in permanent foster care, or directing the board or agency to

provide the child with services to achieve independent living status who is age 16 or over and for whom the plan is independent living with services to transition from foster care. The foster care review hearing shall be held within twelve months of the date of such order, so long as the child remains in the custody of the board or agency.

The board or agency shall file the petition for a foster care review hearing, and the court shall provide notice of the foster care review hearing in accordance with the provisions of § 16.1-282. The board or agency shall file a written Adoption Progress Report with the juvenile court pursuant to §§ 16.1-277.01, 16.1-277.02, 16.1-278.3, or § 16.1-283, if applicable, with the petition required by this section. The court order entered at the conclusion of the hearing held on the petition shall state whether reasonable efforts have been made to place the child in a timely manner in accordance with the approved foster care plan that established a permanent goal for the child and to complete the steps necessary to finalize the permanent placement of the child.

B. At the foster care review hearing in the case of a child who is placed in permanent foster care, the court shall give consideration to the appropriateness of the services being provided to the child and permanent foster parents, to any change in circumstances since the entry of the order placing the child in permanent foster care, and to such other factors as the court deems proper.
