§ 18.2-188.2. *Defrauding hospitals and health care providers.*

It shall be unlawful for any person, with the intent to cheat or defraud a hospital or health care provider, to give a false name, address, or social security number or other form of identification, in order to avoid payment for medical services rendered by such hospital or health care provider.

Any person who violates any provision of this section shall, if the value of service obtained is \$1,000 or more, be guilty of a Class 6 felony; or if the value is less than \$1,000, a Class 1 misdemeanor.

A. *Any hospital licensed pursuant to this chapter shall post, in an appropriate place, in a clear, conspicuous, and prominent manner, signs that state that anyone convicted of defrauding a hospital or health care provider, pursuant to § 18.2-188.2 shall be prosecuted to the fullest extent of the law and shall state the applicable penalties.*

B. *Any hospital licensed pursuant to this chapter may, for identification purposes, fingerprint any individual to whom medical services are rendered, when such individual does not have health insurance, is not eligible for Medicaid, and cannot show an ability to pay for the services rendered.*
