6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 2.2-708 of the Code of Virginia is amended and reenacted as follows:**

8 § 2.2-708. Coordination of local long-term care services.

9 The governing body of each county or city, or a combination thereof, shall designate a lead agency
10 and member agencies to accomplish the coordination of local long-term care services. The agencies shall
11 establish a long-term care coordination committee composed of, but not limited to, representatives of
12 each agency. The coordination committee shall guide the coordination and administration of public
13 long-term care services in the locality. The membership of the coordination committee shall be
14 comprised of, but not limited to, representatives of the local department of public health, the local
15 department of social services, the community services board or community mental health clinic, the area
16 agency on aging ~~and~~, the local nursing home pre-admission screening team, *and representatives of*
17 *housing, transportation, and other appropriate local organizations that provide long-term care services.*
18 A plan shall be implemented that ensures the cost-effective utilization of all funds available for
19 long-term care services in the locality. Localities are encouraged to provide services within each
20 category of service in the continuum and to allow one person to deliver multiple services, when
21 possible.
