§ 19.2-169.1. Raising question of competency to stand trial or plead; evaluation and determination of competency.

A. Raising competency issue; appointment of evaluators. - If, at any time after the attorney for the defendant has been retained or appointed and before the end of trial, the court finds, upon hearing evidence or representations of counsel for the defendant or the attorney for the Commonwealth, that there is probable cause to believe that the defendant, whether a juvenile transferred pursuant to § 16.1-269.1 or adult, lacks substantial capacity to understand the proceedings against him or to assist his attorney in his own defense, the court shall order that a competency evaluation be performed by at least one psychiatrist or clinical psychologist who is qualified by training and experience in forensic evaluation.

B. Location of evaluation. - The evaluation shall be performed on an outpatient basis at a mental health facility or in jail unless the court specifically finds that outpatient evaluation services are unavailable or unless the results of outpatient evaluation indicate that hospitalization of the defendant for evaluation on competency is necessary. 59 evaluations of persons under criminal charge. The defendant shall be hospitalized for such time as the
60 director of the hospital deems necessary to perform an adequate evaluation of the defendant's
61 competency, but not to exceed 30 days from the date of admission to the hospital.

62 C. Provision of information to evaluators. - The court shall require the attorney for the
63 Commonwealth to provide to the evaluators appointed under subsection A any information relevant to
64 the evaluation, including, but not limited to (i) a copy of the warrant or indictment; (ii) the names and
65 addresses of the attorney for the Commonwealth, the attorney for the defendant, and the judge ordering
66 the evaluation; (iii) information about the alleged crime; and (iv) a summary of the reasons for the
67 evaluation request. The court shall require the attorney for the defendant to provide any available
68 psychiatric records and other information that is deemed relevant. The court shall require that
69 information be provided to the evaluator within 96 hours of the issuance of the court order pursuant to
70 this section.

71 D. The competency report. - Upon completion of the evaluation, the evaluators shall promptly submit
72 a report in writing to the court and the attorneys of record concerning (i) the defendant's capacity to
73 understand the proceedings against him; (ii) his ability to assist his attorney; and (iii) his need for
74 treatment in the event he is found incompetent but restorable, or incompetent for the foreseeable future.
75 No statements of the defendant relating to the time period of the alleged offense shall be included in the
76 report.

77 E. The competency determination. - After receiving the report described in subsection D, the court
78 shall promptly determine whether the defendant is competent to stand trial. A hearing on the defendant's
79 competency is not required unless one is requested by the attorney for the Commonwealth or the
80 attorney for the defendant, or unless the court has reasonable cause to believe the defendant will be
81 hospitalized under § 19.2-169.2. If a hearing is held, the party alleging that the defendant is incompetent
82 shall bear the burden of proving by a preponderance of the evidence the defendant's incompetency. The
83 defendant shall have the right to notice of the hearing, the right to counsel at the hearing and the right
84 to personally participate in and introduce evidence at the hearing. *If the defendant is determined*

86 *to the Central Criminal Records Exchange, on a form provided by the Exchange, a copy of any such*
87 *order.*

88 The fact that the defendant claims to be unable to remember the time period surrounding the alleged
89 offense shall not, by itself, bar a finding of competency if the defendant otherwise understands the
90 charges against him and can assist in his defense. Nor shall the fact that the defendant is under the
91 influence of medication bar a finding of competency if the defendant is able to understand the charges
92 against him and assist in his defense while medicated.

93 § 19.2-390. Reports to be made by local law-enforcement officers, conservators of the peace, clerks
94 of court, Secretary of the Commonwealth and Corrections officials to State Police; material submitted by

113 appropriate bureau. Nothing in this section shall preclude each local law-enforcement agency from
114 maintaining its own separate photographic database.

116 not be required until (i) a conviction is entered and no appeal is noted or if an appeal is noted, the

120 office of the chief law-enforcement officer of the county or city. It shall be the duty of the chief

The report shall include the person's name, date of birth, social security number and such other known information which the State Police or Federal Bureau of Investigation may require. Where feasible and practical, the magistrate or court issuing the warrant or *capias* may transfer information electronically into VCIN. Upon conviction of any person, including juveniles tried and convicted in the circuit courts pursuant to § 16.1-269.1, whether sentenced as adults or juveniles, for an offense for which registration is required as defined in § 9.1-902, the clerk shall within seven days of sentencing submit a report to the Sex Offender and Crimes Against Minors Registry. The report to the Registry shall include the name of the person convicted and all aliases which he is known to have used, the date and locality of the conviction for which registration is required, his date of birth, social security number, last known address, and specific reference to the offense for which he was convicted. No report of conviction or adjudication in a district court shall be filed unless the period allowed for an appeal has elapsed and no appeal has been perfected. In the event that the records in the office of any clerk show that any conviction or adjudication has been nullified in any manner, he shall also make a report of that fact to the Exchange and, if appropriate, to the Registry. In addition, each clerk of a circuit court, upon receipt of certification thereof from the Supreme Court, shall report to the Exchange or the Registry, or to the law-enforcement agency making the arrest in the case of offenses not required to be reported to the Exchange, on forms provided by the Exchange or Registry, as the case may be, any reversal or other amendment to a prior sentence or disposition previously reported. 182 reasonably designed at a minimum (i) to ensure that such reports are accurately made as soon as feasible
183 by the most expeditious means and in no instance later than 30 days after occurrence of the disposition
184 or correctional change of status; and (ii) to report promptly any correction, deletion, or revision of the
185 information.
