SENATE SUBSTITUTE

SB766S1

60 A. 1. Any locality may adopt an ordinance setting forth the historic landmarks within the locality as  
61 established by the Virginia Board of Historic Resources, and any other *sites*, buildings, or structures  
62 within the locality having an important historic, architectural, archaeological or cultural interest, any  
63 historic areas within the locality as defined by § 15.2-2201, and areas of unique architectural value  
64 located within designated conservation, rehabilitation or redevelopment districts, amending the existing  
65 zoning ordinance and delineating one or more historic districts, adjacent to such landmarks, buildings  
66 and structures, or encompassing such areas, or encompassing parcels of land contiguous to arterial  
67 streets or highways (as designated pursuant to Title 33.1, including § 33.1-41.1 of that title) found by  
68 the governing body to be significant routes of tourist access to the locality or to designated historic  
69 landmarks, buildings, structures or districts therein or in a contiguous locality, *or cemeteries and graves*  
70 *as defined by § 54.1-2310*. An amendment of the zoning ordinance and the establishment of a district or  
71 districts shall be in accordance with the provisions of Article 7 (§ 15.2-2280 et seq.) of this chapter. The  
72 governing body may provide for a review board to administer the ordinance and may provide  
73 compensation to the board. The ordinance may include a provision that no building or structure,  
74 including signs, shall be erected, reconstructed, altered or restored within any such district unless  
75 approved by the review board or, on appeal, by the governing body of the locality as being  
76 architecturally compatible with the historic landmarks, buildings or structures therein.

77 2. Subject to the provisions of subdivision 3 of this subsection the governing body may provide in  
78 the ordinance that no historic landmark, building or structure within any district shall be razed,  
79 demolished or moved until the razing, demolition or moving thereof is approved by the review board,  
80 or, on appeal, by the governing body after consultation with the review board.

81 3. The governing body shall provide by ordinance for appeals to the circuit court for such locality  
82 from any final decision of the governing body pursuant to subdivisions 1 and 2 of this subsection and  
83 shall specify therein the parties entitled to appeal the decisions, which parties shall have the right to  
84 appeal to the circuit court for review by filing a petition at law, setting forth the alleged illegality of the  
85 action of the governing body, provided the petition is filed within thirty days after the final decision is  
86 rendered by the governing body. The filing of the petition shall stay the decision of the governing body  
87 pending the outcome of the appeal to the court, except that the filing of the petition shall not stay the  
88 decision of the governing body if the decision denies the right to raze or demolish a historic landmark,  
89 building or structure. The court may reverse or modify the decision of the governing body, in whole or  
90 in part, if it finds upon review that the decision of the governing body is contrary to law or that its  
91 decision is arbitrary and constitutes an abuse of discretion, or it may affirm the decision of the  
92 governing body.

93 In addition to the right of appeal hereinabove set forth, the owner of a historic landmark, building or  
94 structure, the razing or demolition of which is subject to the provisions of subdivision 2 of this  
95 subsection, shall, as a matter of right, be entitled to raze or demolish such landmark, building or  
96 structure provided that: (i) he has applied to the governing body for such right, (ii) the owner has for  
97 the period of time set forth in the same schedule hereinafter contained and at a price reasonably related  
98 to its fair market value, made a bona fide offer to sell the landmark, building or structure, and the land  
99 pertaining thereto, to the locality or to any person, firm, corporation, government or agency thereof, or  
100 political subdivision or agency thereof, which gives reasonable assurance that it is willing to preserve  
101 and restore the landmark, building or structure and the land pertaining thereto, and (iii) no bona fide  
102 contract, binding upon all parties thereto, shall have been executed for the sale of any such landmark,  
103 building or structure, and the land pertaining thereto, prior to the expiration of the applicable time period  
104 set forth in the time schedule hereinafter contained. Any appeal which may be taken to the court from  
105 the decision of the governing body, whether instituted by the owner or by any other proper party,  
106 notwithstanding the provisions heretofore stated relating to a stay of the decision appealed from shall not  
107 affect the right of the owner to make the bona fide offer to sell referred to above. No offer to sell shall  
108 be made more than one year after a final decision by the governing body, but thereafter the owner may  
109 renew his request to the governing body to approve the razing or demolition of the historic landmark,  
110 building or structure. The time schedule for offers to sell shall be as follows: three months when the  
111 offering price is less than \$25,000; four months when the offering price is \$25,000 or more but less than  
112 \$40,000; five months when the offering price is \$40,000 or more but less than \$55,000; six months  
113 when the offering price is \$55,000 or more but less than \$75,000; seven months when the offering price  
114 is \$75,000 or more but less than \$90,000; and twelve months when the offering price is \$90,000 or  
115 more.

116 4. The governing body is authorized to acquire in any legal manner any historic area, landmark,  
117 building or structure, land pertaining thereto, or any estate or interest therein which, in the opinion of  
118 the governing body should be acquired, preserved and maintained for the use, observation, education,  
119 pleasure and welfare of the people; provide for their renovation, preservation, maintenance, management  
120 and control as places of historic interest by a department of the locality or by a board, commission or  
121 agency specially established by ordinance for the purpose; charge or authorize the charging of

122 compensation for the use thereof or admission thereto; lease, subject to such regulations as may be  
123 established by ordinance, any such area, property, lands or estate or interest therein so acquired upon the  
124 condition that the historic character of the area, landmark, building, structure or land shall be preserved  
125 and maintained; or to enter into contracts with any person, firm or corporation for the management,  
126 preservation, maintenance or operation of any such area, landmark, building, structure, land pertaining  
127 thereto or interest therein so acquired as a place of historic interest; however, the locality shall not use  
128 the right of condemnation under this subsection unless the historic value of such area, landmark,  
129 building, structure, land pertaining thereto, or estate or interest therein is about to be destroyed.  
130 B. Notwithstanding any contrary provision of law, general or special, in the City of Portsmouth no  
131 approval of any governmental agency or review board shall be required for the construction of a ramp  
132 to serve the handicapped at any structure designated pursuant to the provisions of this section.
