House of Origin	<u>X</u>	Introduced	___	Substitute	___	Engrossed
Second House	___	In Committee	___	Substitute	___	Enrolled

2. Patron: Marshall, R.G.

3. Committee: Privileges and Elections, Elections Subcommittee

4. Title: **Registered voters; Board of Elections to furnish lists to school superintendents to conduct census.**

5. Summary: Permits the State Board of Elections to furnish lists of registered voter addresses at a reasonable cost to local school division superintendents solely for use in conducting the triennial census of school population.

6. No fiscal impact.

7. Budget Amendment Necessary: No

8. Fiscal Implications: This legislation only expands the list of organizations eligible to receive address lists of registered voters from the State Board of Elections (Code of Virginia, § 24.2-405). This list includes only addresses of registered voters and current law provides this list, at cost, to local government census liaisons.

The cost to produce this list is indeterminate because it has never been requested. The State Board of Elections will determine the cost to produce this list from the current voter registration system, if requested. Costs to produce this list would likely be minimal and recovered in the offsetting charge to requestor.

It is not determined if there would be any cost savings to local school divisions.

9. Specific Agency or Political Subdivisions Affected: State Board of Elections, local school divisions

10. Technical Amendment Necessary: No

11. Other Comments: None
