4. Title: DMV fees.

5. Summary: This bill allows the Department of Motor Vehicles to waive the fee that would have otherwise been imposed by the Department for issuance of a duplicate driver's license if the person subject to the fee is on active duty with the armed forces of the United States outside the boundaries of the United States.

6. Fiscal impact estimates are final. See Item #8.

7. Budget amendment necessary: No.

8. Fiscal implications: This legislation limits the fee waiver to those military personnel on active duty outside the United States who are seeking a duplicate driver's license. Since this status can be confirmed with appropriate documentation, there will be no cost associated with changes to the automated systems of the Department of Motor Vehicles (DMV) due to the waiver. The revenue impact related to the waiver will be insignificant, since the number of active duty military personnel requesting duplicate licenses is expected to be minimal.

9. Specific agency or political subdivisions affected: Department of Motor Vehicles.

10. Technical amendment necessary: No.

11. Other comments: None.
