

Department of Planning and Budget 2008 Fiscal Impact Statement

1. Bill Number: SB114

House of Origin X Introduced Substitute Engrossed
Second House In Committee Substitute Enrolled

2. Patron: McDougale

3. Committee: Courts of Justice

4. Title: **Application of sex offender prohibitions & school proximity prohibitions to out-of-state violators.**

5. Summary: Clarifies that all offenses, for which sex offender registration is required and for which other prohibitions apply, include any similar such offenses under the laws of any foreign country or any political subdivision thereof, the United States or any political subdivision thereof, or any such offenses for which registration in a sex offender and crimes against minors registry is required under the laws of the jurisdiction where the offender was convicted.

6. Fiscal Impact Estimates: PRELIMINARY.

7. Budget Amendment Necessary: No.

8. Fiscal Implications: Although insufficient data exists to determine the fiscal impact due to the legislation at this time, the legislation could result in an increase in the jail population. Any increase in jail population will increase costs to the state. The Commonwealth pays the localities \$8.00 a day for each misdemeanor or otherwise local responsible prisoner held in a jail. It also funds most of the jails' operating costs, e.g. correctional officers. The state's share of these costs on a per prisoner, per day basis varies from locality to locality. However, according to the Compensation Board's most recent FY2006 Jail Cost Report (November 1, 2007), the estimated total state support for local jails averaged \$28.42 per inmate, per day in FY 2006.

According to the Virginia Criminal Sentencing Commission, the estimated amount of necessary appropriation cannot be determined for periods of imprisonment in state adult correctional facilities resulting from this proposed legislation and is estimated by the Department of Juvenile Justice at \$0 for periods of confinement to the custody of the juvenile correctional center beds and detention facility beds.

9. Specific Agency or Political Subdivisions Affected: Local and regional jails, law enforcement agencies statewide, State Compensation Board, Department of Corrections.

10. Technical Amendment Necessary: No.

11. Other Comments: None.
