1. That §§ 46.2-323, 46.2-328.1, 46.2-330, 46.2-341.12, 46.2-341.15, 46.2-342, 46.2-343, 46.2-344, and 46.2-345 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding a section numbered 46.2-323.01 as follows:

§ 46.2-323. Application for driver's license; proof of completion of driver education program; penalty.

A. Every application for a driver's license, temporary driver's permit, learner's permit, or motorcycle learner's permit shall be made on a form prescribed by the Department and the applicant shall write his usual signature in ink in the space provided on the form. The form shall include notice to the applicant of the duty to register with the Department of State Police as provided in Chapter 9 (§ 9.1-900 et seq.) of Title 9.1, if the applicant has been convicted of an offense for which registration with the Sex Offender and Crimes Against Minors Registry is required.

B. Every application shall state the full legal name, year, month, and date of birth, social security number, sex, and residence address of the applicant; whether or not the applicant has previously been licensed as a driver and, if so, when and by what state, and whether or not his license has ever been suspended or revoked and, if so, the date of and reason for such suspension or revocation. The Department, as a condition for the issuance of any driver's license, temporary driver's permit, learner's permit, or motorcycle learner's permit ~~may~~ shall require the surrender of any driver's license or, in the case of a motorcycle learner's permit, a motorcycle license issued by another state and held by the applicant. The applicant shall also answer any questions on the application form or otherwise propounded by the Department incidental to the examination. The applicant may also be required to present to the person conducting the examination a birth certificate or other evidence, reasonably acceptable to the Department, of his name and date of birth proof of identity, residency, and social security number or non-work authorized status, if required to appear in person before the Department to apply.

The applicant shall also certify that he is a resident of the Commonwealth by signing a certification statement, on a form prescribed by the Commissioner, and by providing satisfactory proof that he is a resident of the Commonwealth. The Commissioner may adopt regulations to determine the process by which applicants prove that they are residents of the Commonwealth.

The Commissioner shall require that each application include a certification statement to be signed by the applicant under penalty of perjury, certifying that the information presented on the application is true and correct.

If the applicant either (i) fails or refuses to sign the certification statement or (ii) fails to follow the process determined by the Commissioner for proving residency, the Department shall not issue the applicant a driver's license, temporary driver's permit, learner's permit or motorcycle learner's permit.

Any applicant who knowingly makes a false certification of Virginia residency or supplies false or fictitious evidence of Virginia residency shall be punished as provided in § 46.2-348.

~~The Commissioner may, on a case-by-case basis, waive any provision of such regulations for good cause shown.~~

C. Every application for a driver's license shall include a color photograph of the applicant supplied under arrangements made by the Department. The photograph shall be processed by the Department so that the photograph can be made part of the issued license.

D. Notwithstanding the provisions of § 46.2-334, every applicant for a driver's license who is under 19 years of age shall furnish the Department with satisfactory proof of his successful completion of a driver education program approved by the State Department of Education.

E. The Department shall electronically transmit application information to the Department of State Police, in a format approved by the State Police, for comparison with information contained in the Virginia Criminal Information Network and National Crime Information Center Convicted Sexual Offender Registry Files, at the time of issuance of a driver's license, temporary driver's permit, learner's permit, or motorcycle learner's permit. Whenever it appears from the records of the State Police that a person has failed to comply with the duty to register or reregister pursuant to Chapter 9 (§ 9.1-900 et seq.) of Title 9.1, the State Police shall promptly investigate and, if there is probable cause to believe a violation has occurred, obtain a warrant or assist in obtaining an indictment charging a violation of

§ 18.2-472.1 in the jurisdiction in which the person made application of licensure.

§ 46.2-323.01. Issuance of documents; relationship with federal law.

A. The Department shall establish a process for persons who, for reasons beyond their control, are unable to provide all necessary documents required for driver's licenses, permits, and special identification cards and must rely on alternate documents to establish identity or date of birth. Alternative documents to demonstrate legal presence will only be allowed to demonstrate United States citizenship.

B. The Department shall not comply with any federal law or regulation that would require the Department to use any type of computer chip or radio-frequency identification tag or other similar device on or in a driver's license or special identification card.

§ 46.2-328.1. Licenses, permits and special identification cards to be issued only to United States citizens, legal permanent resident aliens, or holders of valid unexpired nonimmigrant visas; exceptions; renewal, duplication, or reissuance.

A. Notwithstanding any other provision of this title, except as provided in subsection G of § 46.2-345, the Department shall not issue an original license, permit, or special identification card to any applicant who has not presented to the Department, with the application, valid documentary evidence that the applicant is either (i) a citizen of the United States, (ii) a legal permanent resident of the United States, or (iii) a conditional resident alien of the United States.

B. Notwithstanding the provisions of subsection A and the provisions of §§ 46.2-330 and 46.2-345, an applicant who presents in person valid documentary evidence of (i) a valid, unexpired nonimmigrant visa or nonimmigrant visa status for entry into the United States, (ii) a pending or approved application for asylum in the United States, (iii) entry into the United States in refugee status, (iv) a pending or approved application for temporary protected status in the United States, (v) approved deferred action status, or (vi) a pending application for adjustment of status to legal permanent residence status or conditional resident status, may be issued a temporary license, permit, or special identification card. Such temporary license, permit, or special identification card shall be valid only during the period of time of the applicant's authorized stay in the United States or if there is no definite end to the period of authorized stay a period of one year. *No license, permit, or special identification card shall be issued if an applicant's authorized stay in the United States is less than 30 days from the date of application.* Any temporary license, permit, or special identification card issued pursuant to this subsection shall clearly indicate that it is temporary and shall state the date that it expires. Such a temporary license, permit or identification card may be renewed only upon presentation of valid documentary evidence that the status by which the applicant qualified for the temporary license, permit or special identification has been extended by the United States Immigration and Naturalization Service or the Bureau of Citizenship and Immigration Services of the Department of Homeland Security.

C. Any license or special identification card for which an application has been made for renewal, duplication or reissuance shall be presumed to have been issued in accordance with the provisions of subsection A, provided that, at the time the application is made, the license or special identification card has not expired, or been cancelled, suspended or revoked. The requirements of subsection A shall apply, however, to a renewal, duplication or reissuance if the Department is notified by a local, state or federal government agency that the individual seeking such renewal, duplication or reissuance is neither a citizen of the United States nor legally in the United States.

~~The provisions of this section shall not apply to an applicant for a special identification card whose year of birth is 1937 or earlier and who has previously held a Virginia-issued driver's license or special identification card, provided that such driver's license or special identification card has not been expired for more than five years.~~

§ 46.2-330. Expiration and renewal of licenses; examinations required.

A. Every driver's license shall expire on the applicant's birthday at the end of the period of years for which a driver's license has been issued. At no time shall any driver's license be issued for more than eight years. Thereafter the driver's license shall be renewed on or before the birthday of the licensee and shall be valid for a period not to exceed eight years except as otherwise provided by law. In determining the number of years for which a driver's license shall be renewed, the Commissioner shall take into consideration the examinations, conditions, requirements, and other criteria provided under this title that relate to the issuance of a license to operate a vehicle. Any driver's license issued to a person required to register pursuant to Chapter 9 of Title 9.1 shall expire on the applicant's birthday in years which the applicant attains an age equally divisible by five.

B. Within one year prior to the date shown on the driver's license as the date of expiration, the Department shall mail notice, to the holder thereof, at the address shown on the records of the Department in its driver's license file, that his license will expire on a date specified therein, whether he must be reexamined, and when he may be reexamined. Nonreceipt of the notice shall not extend the period of validity of the driver's license beyond its expiration date.

Any driver's license may be renewed by application, ~~which shall include the applicant's certification of Virginia residency,~~ after the applicant has taken and successfully completed those parts of the examination provided for in §§ 46.2-311, 46.2-325, and the Virginia Commercial Driver's License Act

(§ 46.2-341.1 et seq.), including vision and written tests, other than the parts of the examination requiring the applicant to drive a motor vehicle. All drivers applying in person for renewal of a license shall take and successfully complete the examination each renewal year. *Every applicant for a renewal shall appear in person before the Department, unless specifically notified by the Department that renewal may be accomplished in another manner as provided in the notice. Applicants who are required to appear in person before the Department to apply for a renewal may also be required to present proof of identity, legal presence, residency, and social security number or non-work authorized status.*

C. Notwithstanding any other provision of this section, the Commissioner, in his discretion, may require any applicant for renewal to be fully examined as provided in §§ 46.2-311, 46.2-325, and the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.). Furthermore, if the applicant is less than 80 years old, the Commissioner may waive the vision examination for any applicant for renewal of a driver's license which is not a commercial driver's license, and the requirement or the taking of the written test as provided in subsection B of this section, § 46.2-325 and the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.), for any applicant for renewal who is at least 21 years old. Such written test shall not be waived for an applicant less than 21 years old if such applicant's driver's license record on file with the Department contains a record of one or more convictions for any offense reportable under §§ 46.2-382, 46.2-382.1, and 46.2-383. However, in no case shall there be any waiver of the vision examination for applicants for renewal of a commercial driver's license or of the knowledge test required by the Virginia Commercial Driver's License Act for the hazardous materials endorsement on a commercial driver's license. No driver's license or learner's permit issued to any person who is 80 years old or older shall be renewed unless the applicant for renewal appears in person and either (i) passes a vision examination or (ii) presents a report of a vision examination, made within 90 days prior thereto by an ophthalmologist or optometrist, indicating that the applicant's vision meets or exceeds the standards contained in § 46.2-311.

D. Every applicant for renewal of a driver's license, whether renewal shall or shall not be dependent on any examination of the applicant, shall appear in person before the Department to apply for renewal, unless specifically notified by the Department that renewal may be accomplished in another manner as provided in the notice.

E. This section shall not modify the provisions of § 46.2-221.2.

F. (Effective until January 1, 2009) The Department shall electronically transmit application information to the Department of State Police, in a format approved by the State Police, for comparison with information contained in the Virginia Criminal Information Network and National Crime Information Center Convicted Sexual Offender Registry Files, at the time of the renewal of a driver's license.
