32 shall pay to any officer or agent a fee for a nonresident harvester's license. The fee, to be established by  
33 the Commission, shall be no less than \$350 or more than \$1,150 *or as subsequently revised by the*

40 boat being licensed, and that he will not violate any of the laws of this Commonwealth governing the  
41 taking and catching of seafood.

42 D. A nonresident harvester's license shall be required prior to the purchase of any other license for  
43 the harvesting of seafood. Revocation of this license in accordance with § 28.2-232 shall constitute  
44 revocation of any other license held by the nonresident under the provisions of this subtitle.

45 E. Any Virginia resident who enters into a partnership or other agreement with the intent to defeat  
46 the object of this section is guilty of a Class 1 misdemeanor.

55 local license taxes under § 58.1-3703 and who has in his possession no more than one bushel of peeler  
56 crabs to be sold as bait.

§ 28.2-228.1. Seafood landing licenses.

A. The Commission may by regulation establish licenses for the landing of seafood in Virginia, the fee for which shall not exceed \$150 *or as subsequently revised by the Commission pursuant to § 28.2-201*. The regulations may limit the number of such licenses that may be issued and may establish eligibility criteria. Fees collected from the sale of seafood landing licenses shall be deposited to the Marine Fishing Improvement Fund established in § 28.2-208.

B. The Commission may grant exceptions to the license requirement established in subsection A to any person registered as a commercial fisherman under the provisions of § 28.2-241.

C. The following shall be Class 3 misdemeanors: (i) landing seafood without the license that may be required under this section and (ii) failure to produce or have available for inspection the license that may be required under this section when requested by any officer. A person whose registration as a commercial fisherman is not effective shall not sell, trade or barter his catch or give his catch to another in order that it may be sold, traded or bartered.

D. For purposes of this section and §§ 28.2-242, 28.2-243 and 28.2-244, "commercial fisherman" means any person who fishes in tidal waters using any gear and who sells, trades or barter his catch or gives his catch to another in order that it may be sold, traded or bartered. The Commission shall provide, by regulation, for exemptions from the definition of "commercial fisherman" those persons who independently sell, trade or barter minnows and who are not part of, hired by, or engaged in a continuing business enterprise as may be defined by the Commission. Such regulation may include, but is not limited to, limits on the quantity of minnows that may be sold, traded or bartered by a person that may be exempted from the definition of commercial fisherman.

E. The cost of registration as a commercial fisherman shall be \$150 annually, due no later than the effective date of registration; however, the cost of registration for a person seventy years of age or older shall be seventy-five dollars. All fees collected from the registration of commercial fishermen shall be deposited in the state treasury and credited to the Marine Fishing Improvement Fund as established in § 28.2-208. *The Commission may subsequently revise the cost of licenses in this section pursuant to § 28.2-201.*

F. Registrations of commercial fishermen shall not be transferable.

G. Whenever a court finds that a defendant has violated any of the provisions of this section, the court shall assess a civil penalty of \$500. All civil penalties assessed pursuant to this section shall be paid into the Marine Fishing Improvement Fund as established in § 28.2-208.

H. Only commercial fishermen with valid registrations may purchase licenses pursuant to §§ 28.2-301, 28.2-501 and 28.2-702.

I. Persons who have obtained a recreational gear license pursuant to § 28.2-226.1 or § 28.2-302.1 are exempt from the provisions of this section.

§ 28.2-301. License fee for fishing in tidal waters.

The Commission may decrease this distance if it considers 300 yards to be an excessive distance because of the size of the body of water where the pier is located. A violation of this subsection is a Class 3 misdemeanor.

C. The construction or erection of a commercial fishing pier on a subaqueous bed of the Commonwealth is subject to the permit requirements of § 28.2-1203.
