6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 15.2-5139 of the Code of Virginia is amended and reenacted as follows:**

8 § 15.2-5139. Lien for charges.

9 A. There shall be a lien upon real estate for the amount of any fees, rents or other charges by an  
10 authority to the owner or lessee or tenant of the real estate for the use and services of any system of the  
11 authority by or in connection with the real estate from the time when the fees, rents or charges are due,  
12 and for the interest which may accrue thereon. Such lien shall be superior to the interest of any owner,  
13 lessee or tenant of the real estate and rank on a parity with liens for unpaid real estate taxes. An  
14 authority may contract with a locality to collect amounts due on properly recorded utility liens in the  
15 same manner as unpaid real estate taxes due the locality. A lien for delinquent rates or charges  
16 applicable to three or fewer ~~delinquent billing periods not exceeding thirty days each~~ *months* may be  
17 placed by an authority if the authority or its billing and collection agent (i) has advised the owner of  
18 such real estate at the time of initiating service to a lessee or tenant of such real estate that a lien will  
19 be placed on the real estate if the lessee or tenant fails to pay any fees, rents or other charges when due  
20 for services rendered to the lessee or tenant; (ii) has mailed to the owner of the real estate a duplicate  
21 copy of the final bill rendered to the lessee or tenant at the time of rendering the final bill to such lessee  
22 or tenant; and (iii) employs the same collection efforts and practices to collect amounts due the authority  
23 from a lessee or a tenant as are employed with respect to collection of such amounts due from  
24 customers who are owners of the real estate for which service is provided.

25 B. The lien shall not bind or affect a subsequent bona fide purchaser of the real estate for valuable  
26 consideration without actual notice of the lien until the amount of such fees, rents and charges is entered  
27 in a judgment lien book in the office where deeds may be recorded in the locality in which the real  
28 estate or a part thereof is located. The clerk in whose office deeds may be recorded shall make and  
29 index the entries therein upon certification by the authority, for which he shall be entitled to a fee of  
30 two dollars per entry, to be paid by the authority and added to the amount of the lien. The authority  
31 shall give the owner of the real estate notice in writing that it has made such certification to the clerk.

32 C. The lien on any real estate may be discharged by the payment to the authority of the total lien  
33 amount, and the interest which has accrued to the date of the payment. The authority shall deliver a  
34 certificate thereof to the person making the payment. Upon presentation of such certificate, the clerk  
35 having the record of the lien shall mark the entry of the lien satisfied, for which he shall be entitled to a  
36 fee of one dollar.
