

1 VIRGINIA ACTS OF ASSEMBLY — CHAPTER

2 *An Act to amend and reenact § 46.2-1163 of the Code of Virginia, relating to vehicle safety inspections;*
3 *acceptance of electronic forms by Department of State Police.*

4 [H 2317]

5 Approved

6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 46.2-1163 of the Code of Virginia is amended and reenacted as follows:**8 § 46.2-1163. Official inspection stations; safety inspection approval stickers; actions of Superintendent
9 subject to the Administrative Process Act.

10 The Superintendent may designate, furnish instructions to, and supervise official inspection stations
11 for the inspection of motor vehicles, trailers, and semitrailers and for adjusting and correcting equipment
12 enumerated in this chapter in such a manner as to conform to specifications hereinbefore set forth. The
13 Superintendent shall adopt and furnish to such official inspection stations regulations governing the
14 making of inspections required by this chapter. The Superintendent may at any time, after five days'
15 written notice, revoke the designation of any official inspection station designated by him.

16 If no defects are discovered or when the equipment has been corrected in accordance with this title,
17 the official inspection station shall issue to the operator or owner of the vehicle, on forms furnished by
18 the Department of State Police, a duplicate of which is retained by such station, a certificate showing
19 the date of correction, registration number of the vehicle, and the official designation of such station. *On*
20 *or before December 1, 2010, any information an official inspection station is required to provide to the*
21 *Department of State Police shall be accepted by the Department in electronic form.* There also shall be
22 placed on the windshield of the vehicle at a place to be designated by the Superintendent an approval
23 sticker furnished by the Department of State Police. If any vehicle is not equipped with a windshield,
24 the approval sticker shall be placed on the vehicle in a location designated by the Superintendent. If the
25 vehicle is a motorcycle, the approval sticker may be placed on a plate securely fastened to the
26 motorcycle for the purpose of displaying the sticker or in any other location designated by the
27 Superintendent. This sticker shall be displayed on the windshield of such vehicle or at such other
28 designated place upon the vehicle at all times when it is operated or parked on the highways in the
29 Commonwealth and until such time as a new inspection period shall be designated and a new inspection
30 sticker issued. Common carriers, operating under certificate from the State Corporation Commission or
31 the Department of Motor Vehicles, who desire to do so may use with the approval of the Superintendent
32 private inspection stations for the inspection and correction of their equipment.

33 Actions of the Superintendent relating to official inspection stations shall be governed by the
34 provisions of the Administrative Process Act (§ 2.2-4000 et seq.).
