[H 2347]

Approved

Be it enacted by the General Assembly of Virginia:

1. That §§ 58.1-439.7 and 58.1-490 of the Code of Virginia are amended and reenacted as follows:

§ 58.1-439.7. Tax credit for purchase of machinery and equipment for processing recyclable materials.

A. For taxable years beginning on and after January 1, 1999, but before January 1, 2015, a taxpayer shall be allowed a credit against the tax imposed pursuant to Articles 2 (§ 58.1-320 et seq.) and 10 (§ 58.1-400 et seq.) of Chapter 3 of this title, in an amount equal to 10 percent of the purchase price paid during the taxable year for machinery and equipment used exclusively in or on the premises of manufacturing facilities or plant units which manufacture, process, compound, or produce items of tangible personal property from recyclable materials, within the Commonwealth, for sale. For purposes of determining "purchase price paid" under this section, the taxpayer may use the original total capitalized cost of such machinery and equipment, less capitalized interest. The Department of Environmental Quality shall certify that such machinery and equipment are integral to the recycling process before the taxpayer shall be entitled to the tax credit under this section. The taxpayer shall also submit purchase receipts, invoices, and such other documentation as may be necessary to confirm the taxpayer's statement of purchase price paid, with the income tax return to verify the amount of purchase price paid for the recycling machinery and equipment.

B. The total credit allowed under this section in any taxable year shall not exceed 40 percent of the Virginia income tax liability of such taxpayer.

C. Any tax credit not used for the taxable year in which the purchase price on recycling machinery and equipment was paid may be carried over for credit against the taxpayer's income taxes in the 10 succeeding taxable years until the total credit amount is used.

~~D. A taxpayer claiming the tax credit provided by § 58.1-439.8 shall not be eligible for the tax credit provided by this section.~~

~~E D.~~ In the event a corporation converts to a partnership, limited liability company, or electing small business corporation (S corporation), such business entity shall be entitled to any unused credits of the corporation. Credits earned by a partnership, limited liability company, electing small business corporation (S corporation), or a predecessor corporation entitled to such credits, shall be allocated to the individual partners, members, or shareholders, respectively, in proportion to their ownership or interest in such business entities.

§ 58.1-490. Declarations of estimated tax.

A. Every resident and nonresident individual shall make a declaration of his estimated tax for every taxable year, if his Virginia tax liability can reasonably be expected to exceed an amount, to be determined under regulations promulgated by the Tax Commissioner, which takes into account the additions, subtractions and deductions set forth in § 58.1-322, the credits set forth in §§ 58.1-330, ~~58.1-331~~, 58.1-332 and 58.1-333 and the filing exclusions set forth in § 58.1-321. Every estate with respect to any taxable year ending two or more years after the date of death of the decedent and every trust shall make a declaration of its estimated tax for every taxable year, if its Virginia taxable income can reasonably be expected to exceed the amount specified by regulation for individuals as set forth above.

B. For purposes of this article, "estimated tax" means the amount which an individual estimates to be his income tax under this chapter for the taxable year, less the amount which he estimates to be the sum of any credits allowable against the tax.

C. For purposes of this section, the declaration shall be the first voucher.

D. In the case of a husband and wife, a single declaration under this section may be made by them jointly, in which case the liability with respect to the estimated tax shall be joint and several. No joint declaration may be made if either the husband or the wife is a nonresident of the Commonwealth unless both are required by this chapter to file a return, if they are separated under a decree of divorce or of separate maintenance, or if they have different taxable years. If a joint declaration is made but a joint return is not made for the taxable year, the estimated tax for such year may be treated as the estimated tax of either the husband or the wife, or may be divided between them.

E. A declaration of estimated tax of an individual other than a farmer, fisherman, or merchant seaman shall be filed on or before May 1 of the taxable year, except that if the requirements of subsection A are first met:

1. The declaration shall be filed on or before June 15, or

2. After June 1 and before September 2 of the taxable year, the declaration shall be filed on or before September 15, or

3. After September 1 of the taxable year, the declaration shall be filed on or before January 15 of the succeeding year.

F. A declaration of estimated tax of an individual having an estimated gross income from (i) farming (including oyster farming); (ii) fishing; or (iii) working as a merchant seaman for the taxable year, which is at least two-thirds of his total estimated gross income for the taxable year, may be filed at any time on or before January 15 of the succeeding year, in lieu of the time otherwise prescribed.

G. A declaration of estimated tax of an individual having a total estimated tax for the taxable year of forty dollars or less may be filed at any time on or before January 15 of the succeeding year under regulations of the Tax Commissioner.

H. An individual may amend a declaration under regulations of the Tax Commissioner.

I. If on or before March 1 of the succeeding taxable year an individual files his return for the taxable year for which the declaration is required, and pays therewith the full amount of the tax shown to be due on the return:

1. Such return shall be considered as his declaration if no declaration was required to be filed during the taxable year, but is otherwise required to be filed on or before January 15.

2. Such return shall be considered as the amendment permitted by subsection H to be filed on or before January 15 if the tax shown on the return is greater than the estimated tax shown in a declaration previously made.

J. This section shall apply to a taxable year other than a calendar year by the substitution of the months of such fiscal year for the corresponding months specified in this section.

K. An individual having a taxable year of less than twelve months shall make a declaration in accordance with regulations of the Tax Commissioner.

L. The declaration of estimated tax for an individual who is unable to make a declaration by reason of any disability shall be made and filed by his guardian, committee, fiduciary or other person charged with the care of his person or property (other than a receiver in possession of only a part of his property), or by his duly authorized agent.

M. The declaration of estimated tax for a trust or estate shall be made by the fiduciary. For purposes of the estimated tax imposed in this article, any reference to an "individual" shall be deemed to include the fiduciary required to file a declaration for a trust or estate. Any overpayment of estimated tax with respect to any trust or estate shall be refunded to the fiduciary. A beneficiary of a trust or estate shall not be entitled to a credit against the beneficiary's individual income tax for any overpayment of estimated tax by a trust or estate.

2. That §§ 58.1-331, 58.1-431, 58.1-439.3, and 58.1-439.8 of the Code of Virginia are repealed.
