7 **Be it enacted by the General Assembly of Virginia:**

8 **1. That §§ 16, 18, and 19, as severally amended, of Chapter 69 of the Acts of Assembly of 1922**
9 **are amended and reenacted as follows:**

10 § 16. In addition to the right of the town under the general law to negotiate temporary loans and
11 thereby anticipate its income for and during any year, the council in the name of and for the use of the
12 said Town of Strasburg, may contract loans, incur debts and cause certificates of debt or bonds to be
13 issued whenever two-thirds of its members, by a recorded vote, decide that such course is in the best
14 interest of the town and necessary in the acquirement and establishment of some needed public
15 improvement or utility, but such council may borrow money in such manner and for such purposes only
16 to the extent and subject to the provisions prescribed by the Constitution and laws of Virginia. If it is
17 proposed by the town to borrow money and issue bonds under the provisions of the Constitution and
18 laws of Virginia for any revenue producing undertaking, the council shall adopt an ordinance, reciting
19 the expediency of borrowing money by the town and the issuance of bonds therefore, the amount of
20 such issue, the length of time for which they are to run, the maximum rate of interest to be paid
21 thereon, and the purpose for which the money realized therefrom is to be used, and if, under the
22 Constitution and laws of Virginia, the purpose of borrowing money and issuing bonds qualifies such
23 indebtedness so that it is not to be included within the otherwise authorized indebtedness of the town,
24 the ordinance shall state that fact, as well as the specific undertaking for which the money is proposed
25 to be borrowed and the bonds are to be issued. Any such ordinance must be passed upon the recorded
26 affirmative vote of a two-thirds majority of all the members elected to the council. After adoption of
27 such ordinance a certified copy thereof shall be forthwith presented to the circuit court having
28 jurisdiction over the town, or to the judge thereof in vacation.

29 If the proposed bond issue be pursuant to Article VII, Section 10 (a) (3) of the Constitution of
30 Virginia, whereby the principal and interest on such bonds are payable exclusively from the revenues
31 and receipts of a specific undertaking or undertakings from which the town may derive a revenue or
32 secured, solely or together with such revenues, by contributions of other units of government, the
33 council shall thereupon authorize and issue such bonds in accordance with the Constitution and laws of
34 Virginia without submission of the question of such bond issue to the qualified voters for approval.

35 If the proposed bond issue be pursuant to Article VII, Section 10 (a) (2) of the Constitution of
36 Virginia, whereby the full faith and credit of the town is pledged by the ordinance authorizing the
37 issuance of said bonds, the court or judge, on the receipt of the certified copy of such ordinance, shall,
38 by an order entered in term time or vacation, direct the proper election officers of the town to take such
39 steps and prepare such means as may be proper to give due publicity to such election. If a majority of
40 the qualified voters who vote thereon at such special election shall approve contracting the debt,
41 borrowing the money and issuing the bonds, the governing body of the town shall thereupon authorize
42 and issue such bonds in accordance with the provisions of the Constitution and laws of Virginia
43 applicable to the authorization and issuance of bonds by cities and towns.

44 *For the purposes of this section, no distinction shall be made between a member elected to the*
