Offered January 14, 2009

Prefiled January 14, 2009

A BILL to amend and reenact §§ 54.1-2506.1 and 54.1-3012.1 of the Code of Virginia, relating to the submission of information to the Department of Health Professions.

Patrons—Tyler and Amundson

Referred to Committee on Health, Welfare and Institutions

Be it enacted by the General Assembly of Virginia:

1. That §§ 54.1-2506.1 and 54.1-3012.1 of the Code of Virginia are amended and reenacted as follows:

§ 54.1-2506.1. Submission of required information.

A. The Department is authorized to require individuals applying for initial licensure and individuals who are licensed to practice medicine, osteopathic medicine, dentistry, or to practice as a physician assistant, nurse practitioner or dental hygienist, certified, or registered by or who hold a multistate licensure privilege issued by a health regulatory board to provide information in addition to that which is required to determine the individual's qualifications to be licensed. Such additional information shall identify include identification of the individual's specialty and subspecialty; credentials and certifications issued by professional associations, institutions and boards; and locations of practice, and number of hours spent practicing at each practice location, and demographic information. Such information shall be collected and maintained by the Department for manpowerworkforce planning purposes in cooperation with agencies and institutions of the Commonwealth and shall be released by the Department only in the aggregate without reference to any licensee's person's name or other individual identifying particulars; however, the Department may release any information for the purpose of bona fide research or education to qualified personnel, provided data elements that could reasonably identify a specific individual shall be deleted or redacted from such information prior to disclosure. Further, the release of such information shall only be made pursuant to a written agreement between such qualified personnel and the Department in order to ensure compliance with this subsection. Prior to collecting any information described in this section from individual licensees individuals, the Department shall first attempt to obtain from other sources information sufficient for manpowerworkforce planning purposes.

B. For the purpose of expediting the dissemination of public health information, including notice about a public health emergency, the Department is authorized to require certain licensed, certified or registered persons and persons holding a multistate licensure privilege to report any email address, telephone number and facsimile number that may be used to contact such person in the event of a public health emergency or to provide information related to serving during a public health emergency. In the event of an animal health emergency, the Department shall provide to the State Veterinarian the email addresses, telephone numbers and facsimile numbers that may be used to contact licensed veterinarians.

Such email addresses, telephone numbers and facsimile numbers shall not be published, released or made available for any other purpose by the Department, the Department of Health, or the State Veterinarian.

The Director, in consultation with the Department of Health and the Department of Emergency Management, shall adopt regulations that identify those licensed, certified or registered persons and persons holding a multistate licensure privilege to which the requirement to report shall apply and the procedures for reporting.

§ 54.1-3012.1. Nursing workforce information.

A. With such funds as are appropriated for this purpose, the Board shall collect, store, and make available nursing workforce information regarding the various categories of nurses certified, licensed or registered under the provisions of this chapter. In addition to appropriated funds, the Board may also accept donations or grants from private sources in addition to any licensure or certification fee to any certified, licensed or registered nurse to carry out the provisions of this section. The information to be collected on nurses shall include, but not be limited to: (i) demographic data; (ii) level of education; (iii) employment status; (iv) employment setting such as in a hospital, physician's office, or nursing home; (v) geographic location of employment; (vi) type of nursing position or area of specialty; and (vii) number of hours worked per week. Such information shall be collected and updated biennially, and shall be published, in aggregate form and in a format accessible to the public, on the Department of Health Professions website. However, the Board may release any information for the purpose of bona fide
