A. The association or its common interest community manager may charge certain fees as authorized by this section for the inspection of the property, the preparation and issuance of the disclosure packet required § 55-509.5, and for such other services as set out in this section. The seller or his authorized agent shall specify whether the disclosure packet shall be delivered electronically or in hard copy, and shall specify the complete contact information for the parties to whom the disclosure packet shall be delivered. If the seller or his authorized agent specifies that delivery shall be made to the purchaser or his authorized agent or settlement agent, the preparer shall provide the disclosure packet directly to the designated persons, at the same time it is delivered to the seller or his authorized agent.

B. A reasonable fee may be charged by the preparer as follows for:

1. The inspection of the exterior of the dwelling unit and the lot, as authorized in the declaration and as required to prepare the association disclosure packet, a fee not to exceed \$100;

2. The preparation and delivery of the disclosure packet in (i) paper format, a fee not to exceed \$150 for no more than two hard copies or (ii) electronic format, a fee not to exceed \$125 for no more than two electronic copies. Only one fee shall be charged for the preparation and delivery of the disclosure packet;

3. At the option of the seller or his authorized agent, *with the consent of the association or the common interest community manager*, expediting the inspection, preparation and delivery of the disclosure packet, an additional expedite fee not to exceed \$50;

4. At the option of the seller or his authorized agent, an additional hard copy of the disclosure packet, a fee not to exceed \$25 per hard copy; ~~for each hard copy requested other than a hard copy for the seller, purchaser, or the settlement agent;~~

6. A post-closing fee to the purchaser of the property, collected at settlement, for the purpose of establishing the purchaser as the owner of the property in the records of the association, a fee not to exceed \$50.

Except as otherwise provided in subsection E, neither the association nor its common interest community manager shall require cash, check, certified funds or credit card payments at the time the request for the disclosure packet is made.

For purposes of this section, an expedite fee shall only be charged if the inspection and preparation of delivery of the disclosure packet are completed within five business days of the request for a disclosure packet.

C. No fees other than those specified in this section, and as limited by this section, shall be charged by the association or its common interest community manager for compliance with the duties and responsibilities of the association under this chapter. The association or its common interest community manager shall publish and make available in paper or electronic format, or both, a schedule of the applicable fees so the seller or his authorized agent will know such fees at the time of requesting the packet.

D. Any fees charged pursuant to this section shall be collected at the time of settlement on the sale of the lot and shall be due and payable out of the settlement proceeds in accordance with this section. The seller shall be responsible for all costs associated with the preparation and delivery of the association disclosure packet, except for the costs of any disclosure packet update or financial update, which costs shall be the responsibility of the requestor, payable at settlement. Neither the association nor its common interest community manager shall require cash, check, certified funds, or credit card payments at the time of the request is made for the association disclosure packet.

E. If settlement does not occur within 90 days of the delivery of the disclosure packet, or funds are not collected at settlement and disbursed to the association or the common interest community manager, all fees, including those costs that would have otherwise been the responsibility of the purchaser or settlement agent, shall be assessed against the lot owner and shall be the personal obligation of the lot owner and shall be an assessment against the lot and collectible as any other assessment in accordance with the provisions of the declaration and § 55-516. The seller may pay the association by cash, check, certified funds, or credit card, if credit card payment is an option offered by the association. The

association shall pay the common interest community manager the amount due from the lot owner within 30 days after invoice.

F. The maximum allowable fees charged in accordance with this section shall adjust every five years, as of January 1 of that year, in an amount equal to the annual increases for that five-year period in the United States Average Consumer Price Index for all items, all urban consumers (CPI-U), as published by the Bureau of Labor Statistics of the U.S. Department of Labor.

G. If an association disclosure packet has been issued for a lot within the preceding 12-month period, a person specified in the written instructions of the seller or his authorized agent, including the seller or his authorized agent, or the purchaser or his authorized agent may request a disclosure packet update. The requestor shall specify whether the disclosure packet update shall be delivered electronically or in hard copy, and shall specify the complete contact information of the parties to whom the update shall be delivered. The disclosure packet update shall be delivered within 10 days of the written request.

H. The settlement agent may request a financial update. The requestor shall specify whether the financial update shall be delivered electronically or in hard copy, and shall specify the complete contact information of the parties to whom the update shall be delivered. The financial update shall be delivered within three business days of the written request.

I. A reasonable fee for the disclosure packet update or financial update may be charged by the preparer not to exceed \$50. At the option of the purchaser or his authorized agent, the requestor may request that the association or the common interest community manager perform an additional inspection of the exterior of the dwelling unit and the lot, as authorized in the declaration, for a fee not to exceed \$100. Any fees charged for the specified update shall be collected at the time settlement occurs on the sale of the property. Neither the association nor its common interest community manager, if any, shall require cash, check, certified funds, or credit card payments at the time the request is made for the disclosure packet update. The requestor may request that the specified update be provided in hard copy or in electronic form.

J. No association or common interest community manager may require the requestor to request the specified update electronically. The seller or his authorized agent shall continue to have the right to request a hard copy of the specified update in person at the principal place of business of the association. If the requestor asks that the specified update be provided in electronic format, neither the association nor its common interest community manager may require the requester to pay any fees to use the provider's electronic network or system. A copy of the specified update shall be provided to the seller or his authorized agent.

K. When an association disclosure packet has been delivered as required by § 55-509.5, the association shall, as to the purchaser, be bound by the statements set forth therein as to the status of the assessment account and the status of the lot with respect to any violation of the declaration, bylaws, rules and regulations, architectural guidelines and articles of incorporation, if any, of the association as of the date of the statement unless the purchaser had actual knowledge that the contents of the disclosure packet were in error.

L. If the association or its common interest community manager has been requested in writing to furnish the association disclosure packet required by § 55-509.5, failure to provide the association disclosure packet substantially in the form provided in this section shall be deemed a waiver of any claim for delinquent assessments or of any violation of the declaration, bylaws, rules and regulations, or architectural guidelines existing as of the date of the request with respect to the subject lot. The preparer of the association disclosure packet shall be liable to the seller in an amount equal to the actual damages sustained by the seller in an amount not to exceed \$1,000. The purchaser shall nevertheless be obligated to abide by the declaration, bylaws, rules and regulations, and architectural guidelines of the association as to all matters arising after the date of the settlement of the sale.

§ 55-530.1. Common Interest Community Management Recovery Fund.

A. There is hereby created the Common Interest Community Management Recovery Fund (the Fund) to be used in the discretion of the Board to protect the interests of associations.

B. Each common interest community manager, at the time of initial application for licensure, and each association filing its first annual report after the effective date hereof shall be assessed \$25, which shall be specifically assigned to the Fund. Initial payments may be incorporated in any application fee payment or annual filing fee and transferred to the Fund by the Director within 30 days.

All assessments, except initial assessments, for the Fund shall be deposited within three business days after their receipt by the Director, in one or more federally insured banks, savings and loan associations, or savings banks located in the Commonwealth. Funds deposited in banks, savings institutions, or savings banks, to the extent in excess of insurance afforded by the Federal Deposit Insurance Corporation or other federal insurance agency, shall be secured under the Security for Public Deposits Act (§ 2.2-4400 et seq.). The deposit of these funds in federally insured banks, savings and loan associations, or savings banks located in the Commonwealth shall not be considered investment of such

305 funds for purposes of this section. Funds maintained by the Director may be invested in securities that
306 are legal investments for fiduciaries under the provisions of § 26-40.01.

307 Interest earned on the deposits constituting the Fund shall be used for administering the Fund. The
308 remainder of this interest, at the discretion of the Board, may be transferred to the Common Interest
309 Community Management Information Fund or accrue to the Fund.

310 C. On and after July 1, 2011, the minimum balance of the Fund shall be \$150,000. Whenever the
311 Director determines that the *principle* balance of the Fund is or will be less than such minimum
312 *principle* balance, the Director shall immediately inform the Board. At the same time, the Director may
313 recommend that the Board transfer a fixed amount from the Common Interest Community Management
314 Information Fund to the Fund to bring the *principle* balance of the Fund to the amount required by this
315 subsection. Such transfer shall be considered by the Board within 30 days of the notification of the
316 Director.

317 D. If any such transfer of funds is insufficient to bring the *principle* balance of the Fund to the
318 minimum amount required by this section, or if a transfer to the fund has not occurred, the Board shall
319 assess each association and each common interest community manager within 30 days of notification by
320 the Director, a sum sufficient to bring the *principle* balance of the Fund to the required minimum
321 amount. The amount of such assessment shall be allocated among the associations and common interest
322 community managers in proportion to the each payor's most recently paid annual assessment, or if an
323 association or common interest community manager has not paid an annual assessment previously, in
324 proportion to the average annual assessment most recently paid by associations or common interest
325 community managers respectively. The Board may order an assessment at any time in addition to any
326 required assessment. Assessments made pursuant to this subsection may be issued by the Board (i) after
327 a determination made by it or (ii) at the time of license renewal.

328 Notice to common interest community managers and the governing boards of associations of these
329 assessments shall be by first-class mail, and payment of such assessments shall be made by first-class
330 mail addressed to the Director within 45 days after the mailing of such notice.

331 E. If any common interest community manager fails to remit the required payment within 45 days of
332 the mailing, the Director shall notify the common interest community manager by first-class mail at the
333 latest address of record filed with the Board. If no payment has been received by the Director within 30
334 days after mailing the second notice, the license shall be automatically suspended. The license shall be
335 restored only upon the actual receipt by the Director of the delinquent assessment.

336 F. If any association fails to remit the required payment within 45 days of the mailing, the Director
337 shall notify the association by first-class mail at the latest address of record filed with the Board. If no
338 payment has been received by the Director within 30 days after mailing the second notice, it shall be
339 deemed a knowing and willful violation of this section by the governing board of the association.

340 G. At the close of each fiscal year, whenever the balance of the fund exceeds \$5 million, the amount
341 in excess of \$5 million shall be transferred to the Virginia Housing Partnership Revolving Fund,
342 § 36-137. Except for payments of costs as set forth in this chapter and transfers pursuant to this
343 subsection, there shall be no transfers out of the fund, including transfers to the general fund, regardless
344 of the balance of the fund.

345 H. A claimant may seek recovery from the fund subject to the following conditions:

346 1. A claimant may file a verified claim in writing to the Director for a recovery from the Fund.

347 2. Upon proper application to the Director, in those cases in which there are not sufficient funds to
348 pay an award of reasonable fees, costs, and expenses to the receiver or to restore all funds that were or
349 ought to have been held in a fiduciary capacity by the subject common interest community manager, the
350 Director shall report to the Board the amount of any shortfall to the extent that there are not sufficient
351 funds (i) to pay any award of fees, costs, and expenses pursuant to subsection G of § 54.1-2353 by the
352 court appointing the receiver; or (ii) to restore all funds that were or ought to have been held in a
353 fiduciary capacity by the subject common interest community manager, as certified by the court
354 appointing the receiver.

355 3. If the Board finds there has been compliance with the required conditions, the Board shall issue a
356 directive ordering payment of the amount of such shortfall to the claimant from the fund; provided that
357 in no event shall such payment exceed the balance in the fund. When the fund balance is not sufficient
358 to pay the aggregate amount of such shortfall, the Board shall direct payment shall be applied first in
359 satisfaction of any award of reasonable fees, costs, and expenses to the receiver and second to restore
360 the funds that were or ought to have been held in a fiduciary capacity by the subject common interest
361 community manager. If the Board has reason to believe that there may be additional claims against the
362 fund, the Board may withhold any payment(s) from the fund for a period of not more than one year.
363 After such one-year period, if the aggregate of claims received exceeds the fund balance, the fund
364 balance shall be prorated by the Board among the claimants and paid in the above payment order from
365 the fund in proportion to the amounts of claims remaining unpaid.

366 4. The Director shall, subject to the limitations set forth in this subsection, pay to the claimant from

the fund such amount as shall be directed by the Board upon the execution and delivery to the Director by such claimant of an assignment to the Board of the claimant's rights on its behalf and on behalf of the associations receiving distributions from the fund against the common interest community manager to the extent that such rights were satisfied from the fund.

5. The claimant shall be notified in writing of the findings of the Board. The Board's findings shall be considered a case decision as defined in § 2.2-4001, and judicial review of these findings shall be in accordance with § 2.2-4025 of the Administrative Process Act (§ 2.2-4000 et seq.).

6. Notwithstanding any other provision of law, the Board shall have the right to appeal a decision of any court that is contrary to any distribution recommended or authorized by it.

7. Upon payment by the Director to a claimant from the fund as provided in this subsection, the Board shall immediately revoke the license of the common interest community manager whose actions resulted in payment from the fund. The common interest community manager whose license was so revoked shall not be eligible to apply for a license as a common interest community manager until he has repaid in full the amount paid from the fund on his account, plus interest at the judgment rate of interest from the date of payment from the fund.

8. Nothing contained in this subsection shall limit the authority of the Board to take disciplinary action against any common interest community manager for any violation of statute or regulation, nor shall the repayment in full by a common interest community manager of the amount paid from the fund on such common interest community manager's account nullify or modify the effect of any disciplinary proceeding against such common interest community manager for any such violation.
