Patron—Watts

Referred to Committee on Privileges and Elections

Be it enacted by the General Assembly of Virginia:

1. That § 24.2-706 of the Code of Virginia is amended and reenacted as follows:

§ 24.2-706. Duty of general registrar and electoral board on receipt of application; statement of voter. On receipt of an application for an absentee ballot, the general registrar shall enroll the name and address of each registered applicant on an absentee voter applicant list that shall be maintained in the office of the general registrar with a file of the applications of the listed applicants. The list and the applications shall be available for inspection and copying by any registered voter during regular office hours.

No list or application containing an individual's social security number, or any part thereof, or the individual's day and month of birth, shall be made available for inspection or copying by anyone. The State Board of Elections shall prescribe procedures for local electoral boards and general registrars to make the information in the lists and applications available in a manner that does not reveal social security numbers or parts thereof, or an individual's day and month of birth.

The completion and timely delivery of an application for an absentee ballot shall be construed to be an offer by the applicant to vote in the election.

The general registrar shall note on each application received whether the applicant is or is not a registered voter and notify the secretary of the electoral board. In reviewing the application for an absentee ballot, the general registrar and electoral board shall not reject the application of any individual because of an error or omission on any record or paper relating to the application, if such error or omission is not material in determining whether such individual is qualified to vote absentee.

If the application has been properly completed and signed and the applicant is a registered voter of the precinct in which he offers to vote, the electoral board shall immediately send to the applicant by mail, obtaining a certificate of mailing, or deliver to him in person in the office of the secretary or registrar, the following items and nothing else:
