Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding in Title 15.2 a chapter numbered 27.1, consisting of sections numbered 15.2-2710 through 15.2-2722 as follows:

CHAPTER 27.1.**VIRGINIA SCHOOL CONSTRUCTION REVOLVING FUND.**

§ 15.2-2710. Legislative findings and purposes.

The General Assembly finds that there exists in the Commonwealth a critical need for additional sources of funding to finance the present and future needs of the Commonwealth for elementary, secondary, or vocational education school acquisition, expansion, construction, equipment, renovation, rehabilitation and related supporting infrastructure and equipment facilities. This need can be alleviated in part through the creation of a school construction revolving fund. Its purpose is to encourage the investment of both public and private funds and to make loans, grants, and credit enhancements available to local governments to finance elementary, secondary, or vocational education school projects. The General Assembly determines that the creation of a revolving fund for this purpose is in the public interest, serves a public purpose and will promote the health, safety, welfare, convenience or prosperity of the people of the Commonwealth.
