HOUSE BILL NO. 923**AMENDMENT IN THE NATURE OF A SUBSTITUTE**(Proposed by the House Committee on Appropriations
on February 6, 2008)

(Patrons Prior to Substitute—Delegates Rust and Crockett-Stark [HB 566])

A BILL to amend the Code of Virginia by adding in Title 15.2 a chapter numbered 27.1, consisting of sections numbered 15.2-2710 through 15.2-2722, relating to the creation of the Virginia School Construction Revolving Fund for financing of elementary, secondary, or vocational education school projects.

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding in Title 15.2 a chapter numbered 27.1, consisting of sections numbered 15.2-2710 through 15.2-2722 as follows:

CHAPTER 27.1.**VIRGINIA SCHOOL CONSTRUCTION REVOLVING FUND.**

§ 15.2-2710. Legislative findings and purposes.

The General Assembly finds that there exists in the Commonwealth a critical need for additional sources of funding to finance the present and future needs of the Commonwealth for elementary, secondary, or vocational education school acquisition, expansion, construction, equipment, renovation, rehabilitation and related supporting infrastructure and equipment facilities. This need can be alleviated in part through the creation of a school construction revolving fund. Its purpose is to encourage the investment of both public and private funds and to make loans, grants, and credit enhancements available to local governments to finance elementary, secondary, or vocational education school projects. The General Assembly determines that the creation of a revolving fund for this purpose is in the public interest, serves a public purpose and will promote the health, safety, welfare, convenience or prosperity of the people of the Commonwealth.

115 discretion may approve the use of money in the Fund to make and disburse grants or appropriations to
116 local governments to pay the cost of any project. The Advisory Board may establish such terms and
117 conditions on any grant as it deems appropriate and shall evaluate each grant request in accordance
118 with the guidelines developed for this purpose.

119 § 15.2-2717. Loans to local governments.

120 Subject to the Advisory Board's direction, the Authority may make loans from the Fund to local
121 governments to finance or refinance the cost of any project. The local governments to which loans are

to be made, the purposes of each such loan, and the amount of each such loan, shall be designated in writing to the Authority by the Advisory Board. No loan from the Fund shall exceed the total cost of the project to be financed or the outstanding principal amount of the indebtedness to be refinanced plus reasonable financing expenses.

The Advisory Board shall determine the interest rate and terms and conditions of any loan from the Fund, which may vary between local governments. Each loan shall be evidenced by appropriate bonds or notes of the local government payable to the Fund. The bonds or notes shall have been duly authorized by the local government and executed by its authorized legal representatives. The Authority is authorized to require in connection with any loan from the Fund such documents, instruments, certificates, legal opinions and other information as it may deem necessary or convenient. In addition to any other terms or conditions that the Authority may establish, the Authority may require, as a condition to making any loan from the Fund, that the local government receiving the loan covenant to perform any of the following:

1. Establish and collect rents, rates, fees, and charges to produce revenue sufficient to pay all or a specified portion of (i) the costs of operation, maintenance, replacement, renewal, and repairs of the project; (ii) any outstanding indebtedness incurred for the purposes of the project, including the principal of, premium, if any, and interest on the loan from the Fund to the local government; and (iii) any amounts necessary to create and maintain any required reserve.

2. Levy and collect ad valorem taxes on all property within the jurisdiction of the local government subject to local taxation sufficient to pay the principal of and premium, if any, and interest on the loan from the Fund to the local government.

3. Create and maintain a special fund or funds for the payment of the principal of, premium, if any, and interest on the loan from the Fund to the local government and any other amounts becoming due under any agreement entered into in connection with the loan, or for the operation, maintenance, repair, or replacement of the project or any portions thereof or other property of the local government, and deposit into any fund or funds amounts sufficient to make any payments on the loan as they become due and payable.

4. Create and maintain other special funds as required by the Authority.

5. Perform other acts otherwise permitted by applicable law to secure payment of the principal of, premium, if any, and interest on the loan from the Fund to the local government and to provide for the remedies of the Fund in the event of any default by the local government in the payment of the loan, including, without limitation, any of the following:

- a. The conveyance of, or the granting of liens on or security interests in, real and personal property, together with all rights, title and interest therein;

- b. The procurement of insurance, guarantees, letters of credit and other forms of collateral, security, liquidity arrangements or credit supports for the loan from any source, public or private, and the payment therefor of premiums, fees, or other charges;

- c. The combination of one or more projects, or the combination of one or more projects with one or more other undertakings or facilities for the purpose of operations and financing, and the pledging of the revenues from such combined projects, undertakings or facilities to secure the loan from the Fund to the local government made in connection with such combination or any part or parts thereof;

- d. The maintenance, replacement, renewal, and repair of the project; and

- e. The procurement of casualty and liability insurance.

6. Obtain a review of the accounting and the internal controls from any auditor of the local government. The Authority may request additional reviews at any time during the term of the loan. In addition, anyone receiving a report in accordance with § 15.2-2721 may request an additional review as set forth in this section.

All local governments borrowing money from the Fund are authorized to perform any acts, take any action, adopt any proceedings and make and carry out any contracts that are contemplated by this chapter. Such contracts need not be identical among all local governments, but may be structured as determined by the Authority according to the needs of the contracting local governments and the Fund.

Subject to the rights, if any, of the registered owners of any of the bonds of the Authority, the Authority may consent to and approve any modification in the terms of any loan to any local government.

§ 15.2-2718. Pledge of loans to secure bonds of Authority.

The Authority is empowered at any time and from time to time to pledge, assign or transfer from the Fund to banks or trust companies designated by the Authority any or all of the assets of the Fund to be held in trust as security for the payment of the principal of, premium, if any, and interest on any or all of the bonds, as defined in § 15.2-2711, issued to finance any project. The interests of the Fund in any assets so transferred shall be subordinate to the rights of the trustee under the pledge, assignment or transfer. To the extent funds are not available from other sources pledged for such purpose, any of the

183 assets or payments of principal and interest received on the assets pledged, assigned or transferred or
184 held in trust may be applied by the trustee thereof to the payment of the principal of, premium, if any,
185 and interest on such bonds of the Authority secured thereby, and, if such payments are insufficient for
186 such purpose, the trustee is empowered to sell any or all of such assets and apply the net proceeds from
187 the sale to the payment of the principal of, premium, if any, and interest on such bonds of the Authority.
188 Any assets of the Fund pledged, assigned or transferred in trust as set forth above and any payments of
189 principal, interest or earnings received thereon shall remain part of the Fund but shall be subject to the
190 pledge, assignment or transfer to secure the bonds of the Authority and shall be held by the trustee to
191 which they are pledged, assigned or transferred until no longer required for such purpose by the terms
192 of the pledge, assignment or transfer.

193 § 15.2-2719. Sale of loans.

194 The Authority is empowered at any time and from time to time to sell, upon such terms and
195 conditions as the Authority shall deem appropriate, any loan, or interest therein, made pursuant to this
196 chapter. The net proceeds of sale remaining after the payment of the costs and expenses of the sale
197 shall be designated for deposit to, and become part of, the Fund.

198 § 15.2-2720. Powers of the Authority.

199 In addition to the powers granted in the Act, the Authority is granted all powers necessary or
200 appropriate to carry out and to effectuate its purposes, including the following:

201 1. To procure insurance, in amounts and from insurers of its choice, or provide self-insurance,
202 against any loss, cost, or expense in connection with its property, assets or activities, including
203 insurance or self-insurance against liability for its acts or the acts of its directors, employees or agents
204 and for the indemnification of the members of its Board of Directors and its employees and agents;

205 2. To procure credit enhancements from any public or private entities, including any department,
206 agency or instrumentality of the United States of America or the Commonwealth, for the payment of any
207 bonds issued by the Authority, including the power to pay premiums or fees on any such credit
208 enhancements;

209 3. To enter into contracts or agreements for the servicing and processing of local obligations owned
210 by the Authority;

211 4. To invest or reinvest its funds as provided in this chapter or permitted by applicable law;

212 5. To do any act necessary or convenient to the exercise of the powers granted or reasonably
213 implied by this chapter; and

214 6. To pledge as security for the payment of any or all bonds of the Authority, all or any part of a
215 reserve fund or account transferred to a trustee for such purpose from the Virginia School Construction
216 Revolving Fund pursuant to § 15.2-2718.

217 § 15.2-2721. Report to the General Assembly and Governor.

218 The Authority shall report annually to the General Assembly and the Governor on all grants and
219 loans made from the Fund.

220 § 15.2-2722. Liberal construction of chapter.

221 The provisions of this chapter shall be liberally construed to the end that its beneficial purposes may
222 be effectuated. Insofar as the provisions of this chapter are inconsistent with the provisions of any other
223 law, general, special or local, the provisions of this chapter shall be controlling.
