107 defined in the general appropriation act, or (iii) \$4,000.

108 If an eligible student transfers from a public elementary school or secondary school to a nonpublic

111 the student transferred shall receive from the Commonwealth 25 percent of such per-pupil amount for
112 such student for each academic year or portion thereof that the eligible student is enrolled in the
113 nonpublic elementary school or secondary school, up to a maximum of two academic years.

114 F. The total amount of the tax credit shall not exceed the total amount of tax imposed for the taxable
115 year in which the donation was made by the business entity. If the total amount of the tax credit
116 allowed exceeds the business entity's tax liability for such taxable year, the amount that exceeds the tax
117 liability may be carried over for credit against the taxes of the business entity in the next five taxable
