§ 3.2-6521. Rabies inoculation of dogs and domesticated cats; availability of certificate; rabies clinics.

A. The supervising veterinarian on the premises shall provide the owner of the dog or the custodian of the domesticated cat with a certificate of vaccination. The owner of the dog or the custodian of the domesticated cat shall furnish within a reasonable period of time, upon the request of an animal control officer, humane investigator, law-enforcement officer, State Veterinarian's representative, or official of the Department of Health, the certificate of vaccination for such dog or cat. The vaccine used shall be licensed by the U.S. Department of Agriculture for use in that species.

B. Rabies clinics, approved by the appropriate health department and governing body, shall be held at least once per year when the governing body finds that the number of resident veterinarians is otherwise inadequate to meet the need.

C. *Vaccination subsequent to a summons to appear before a court for failure to do so shall not operate to relieve such owner from the penalties or court costs provided under § 16.1-69.48:1 or 17.1-275.7.*

§ 3.2-6536. Payment of license tax subsequent to summons.

Payment of the license tax subsequent to a summons to appear before a court for failure to pay the license tax within the time required shall not operate to relieve such owner from the penalties or court costs provided under § 16.1-69.48:1 or 17.1-275.7.

§ 16.1-69.48:1. Fixed fee for misdemeanors, traffic infractions and other violations in district court; additional fees to be added.

However, when a defendant who has multiple charges arising from the same incident and who has been assessed a fixed fee for one of those charges is later convicted of another charge that arises from that same incident and that has a higher fixed fee, he shall be assessed the difference between the fixed fee earlier assessed and the higher fixed fee.

A defendant with charges which arise from separate incidents shall be taxed a fee for each incident even if the charges from the multiple incidents are disposed of in a single appearance or trial in absence.

In addition to the fixed fees assessed pursuant to this section, in the appropriate cases, the clerk shall also assess any costs otherwise specifically provided by statute.

114 registered, and (ii) his driver's license, learner's permit, or temporary driver's permit.

115 The owner or operator of any motor vehicle, trailer, or semitrailer shall stop on the signal of any

However, if any person summoned to appear before a court for failure to display his license, permit, or registration card presents to the officer issuing the summons or a magistrate serving the county or city in which the summons was issued, before the return date of the summons, to the court a license or permit issued to him prior to the time the summons was issued or a registration card, as the case may be, or appears pursuant to the summons and produces before the court a license or permit issued to him prior to the time the summons was issued or a registration card, as the case may be, he shall, upon payment of all applicable court costs, have complied with the provisions of this section.

§ 46.2-752. Taxes and license fees imposed by counties, cities, and towns; limitations on amounts; disposition of revenues; requiring evidence of payment of personal property taxes and certain fines; prohibiting display of licenses after expiration; failure to display valid local license required by other localities; penalty.

A. Except as provided in § 46.2-755, counties, cities, and towns may levy and assess taxes and charge license fees on motor vehicles, trailers, and semitrailers. However, none of these taxes and license fees shall be assessed or charged by any county on vehicles owned by residents of any town located in the county when such town constitutes a separate school district if the vehicles are already subject to town license fees and taxes, nor shall a town charge a license fee to any new resident of the town, previously a resident of a county within which all or part of the town is situated, who has previously paid a license fee for the same tax year to such county. The amount of the license fee or tax imposed by any county, city, or town on any motor vehicle, trailer, or semitrailer shall not be greater than the annual or one-year fee imposed by the Commonwealth on the motor vehicle, trailer, or semitrailer. The license fees and taxes shall be imposed in such manner, on such basis, for such periods, and subject to proration for fractional periods of years, as the proper local authorities may determine.

Owners or lessees of motor vehicles, trailers, and semitrailers who have served outside of the United States in the armed services of the United States shall have a 90-day grace period, beginning on the date they are no longer serving outside the United States, in which to comply with the requirements of this section. For purposes of this section, "the armed services of the United States" includes active duty service with the regular Armed Forces of the United States or the National Guard or other reserve component.

Local licenses may be issued free of charge for any or all of the following:

In the case of active members of volunteer rescue squads and volunteer fire departments, applications for such licenses shall be accompanied by written evidence, in a form acceptable to the locality, of their active membership, and no member shall be issued more than one such license free of charge,
12. All vehicles having a situs for the imposition of licensing fees under this section in the locality,
13. Vehicles owned or leased by deputy sheriffs; however, no deputy sheriff shall be issued more than one such license free of charge,

184 emergency medical technician shall be issued more than one such license free of charge, or

185 18. Vehicles with a gross weight exceeding 10,000 pounds owned by museums officially designated  
186 by the Commonwealth.

187 The governing body of any county, city, or town issuing licenses under this section may by  
188 ordinance provide for a 50 percent reduction in the fee charged for the issuance of any such license  
189 issued for any vehicle owned or leased by any person who is 65 years old or older. No such discount,  
190 however, shall be available for more than one vehicle owned or leased by the same person.

191 The governing body of any county, city, or town issuing licenses free of charge under this subsection  
192 may by ordinance provide for (i) the limitation, restriction, or denial of such free issuance to an  
193 otherwise qualified applicant, including without limitation the denial of free issuance to a taxpayer who  
194 has failed to timely pay personal property taxes due with respect to the vehicle and (ii) the grounds for  
195 such limitation, restriction, or denial.

196 The situs for the imposition of licensing fees under this section shall in all cases, except as  
197 hereinafter provided, be the county, city, or town in which the motor vehicle, trailer, or semitrailer is  
198 normally garaged, stored, or parked. If it cannot be determined where the personal property is normally  
199 garaged, stored, or parked, the situs shall be the domicile of its owner. In the event the owner of the  
200 motor vehicle is a full-time student attending an institution of higher education, the situs shall be the  
201 domicile of such student, provided the student has presented sufficient evidence that he has paid a  
202 personal property tax on the motor vehicle in his domicile.

203 B. The revenue derived from all county, city, or town taxes and license fees imposed on motor  
204 vehicles, trailers, or semitrailers shall be applied to general county, city, or town purposes.

205 C. A county, city, or town may require that no motor vehicle, trailer, or semitrailer shall be locally  
206 licensed until the applicant has produced satisfactory evidence that all personal property taxes on the  
207 motor vehicle, trailer, or semitrailer to be licensed have been paid and satisfactory evidence that any  
208 delinquent motor vehicle, trailer, or semitrailer personal property taxes owing have been paid which  
209 have been properly assessed or are assessable against the applicant by the county, city, or town. A  
210 county, city, or town may also provide that no motor vehicle license shall be issued unless the tangible  
211 personal property taxes properly assessed or assessable by that locality on any tangible personal property  
212 used or usable as a dwelling titled by the Department of Motor Vehicles and owned by the taxpayer  
213 have been paid. Any county and any town within any such county may by agreement require that all  
214 personal property taxes assessed by either the county or the town on any vehicle be paid before  
215 licensure of such vehicle by either the county or the town.

216 C1. The Counties of Dinwiddie, Lee, and Wise may, by ordinance or resolution adopted after public  
217 notice and hearing and, with the consent of the treasurer, require that no license may be issued under  
218 this section unless the applicant has produced satisfactory evidence that all fees, including delinquent  
219 fees, payable to such county or local solid waste authority, for the disposal of solid waste pursuant to  
220 the Virginia Water and Waste Authorities Act (§ 15.2-5100 et seq.), or pursuant to § 15.2-2159, have  
221 been paid in full. For purposes of this subsection, all fees, including delinquent fees, payable to a county  
222 for waste disposal services described herein, shall be paid to the treasurer of such county; however, in  
223 Wise County, the fee shall be paid to the county or its agent.

224 D. The Counties of Arlington, Fairfax, Loudoun, and Prince William and towns within them and any  
225 city may require that no motor vehicle, trailer, or semitrailer shall be licensed by that jurisdiction unless  
226 all fines owed to the jurisdiction by the owner of the vehicle, trailer, or semitrailer for violation of the  
227 jurisdiction's ordinances governing parking of vehicles have been paid. The provisions of this subsection  
228 shall not apply to vehicles owned by firms or companies in the business of renting motor vehicles.

229 E. If in any county imposing license fees and taxes under this section, a town therein imposes like  
230 fees and taxes on vehicles of owners resident in the town, the owner of any vehicle subject to the fees  
231 or taxes shall be entitled, on the owner's displaying evidence that he has paid the fees or taxes, to  
232 receive a credit on the fees or taxes imposed by the county to the extent of the fees or taxes he has paid  
233 to the town. Nothing in this section shall deprive any town now imposing these licenses and taxes from  
234 increasing them or deprive any town not now imposing them from hereafter doing so, but subject to the  
235 limitations provided in subsection D of this section. The governing body of any county and the  
236 governing body of any town in that county wherein each imposes the license tax herein provided may  
237 provide mutual agreements so that not more than one license plate or decal in addition to the state plate  
238 shall be required.

239 F. Notwithstanding the provisions of subsection E of this section, in a consolidated county wherein a  
240 tier-city exists, the tier-city may, in accordance with the provisions of the agreement or plan of  
241 consolidation, impose license fees and taxes under this section in addition to those fees and taxes  
242 imposed by the county, provided that the combined county and tier-city rates do not exceed the  
243 maximum provided in subsection A of this section. No credit shall be allowed on the fees or taxes  
244 imposed by the county for fees or taxes paid to the tier-city, except as may be provided by the

consolidation agreement or plan. The governing body of any county and the governing body of any tier-city in such county wherein each imposes the license tax herein may provide by mutual agreement that no more than one license plate or decal in addition to the state license plate shall be required.

G. Any county, city, or town may by ordinance provide that it shall be unlawful for any owner or operator of a motor vehicle, trailer, or semitrailer (i) to fail to obtain and, if any required by such ordinance, to display the local license required by any ordinance of the county, city or town in which the vehicle is registered, or (ii) to display upon a motor vehicle, trailer, or semitrailer any such local license, required by ordinance to be displayed, after its expiration date. The ordinance may provide that a violation shall constitute a misdemeanor the penalty for which shall not exceed that of a Class 4 misdemeanor and may, in the case of a motor vehicle registered to a resident of the locality where such vehicle is registered, authorize the issuance by local law-enforcement officers of citations, summonses, parking tickets, or uniform traffic summonses for violations. Any such ordinance may also provide that a violation of the ordinance by the registered owner of the vehicle may not be discharged by payment of a fine except upon presentation of satisfactory evidence that the required license has been obtained. Nothing in this section shall be construed to require a county, city, or town to issue a decal or any other tangible evidence of a local license to be displayed on the licensed vehicle if the county's, city's, or town's ordinance does not require display of a decal or other evidence of payment. No ordinance adopted pursuant to this section shall require the display of any local license, decal, or sticker on any vehicle owned by a public service company, as defined in § 56-76, having a fleet of at least 2,500 vehicles garaged in the Commonwealth.

H. Except as provided by subsections E and F, no vehicle shall be subject to taxation under the provisions of this section in more than one jurisdiction. Furthermore, no person who has purchased a local vehicle license, decal, or sticker for a vehicle in one county, city, or town and then moves to and garages his vehicle in another county, city, or town shall be required to purchase another local license, decal, or sticker from the county, city, or town to which he has moved and wherein his vehicle is now garaged until the expiration date of the local license, decal, or sticker issued by the county, city, or town from which he moved.

I. Purchasers of new or used motor vehicles shall be allowed at least a 10-day grace period, beginning with the date of purchase, during which to pay license fees charged by local governments under authority of this section.

J. Beginning October 1, 1992, the treasurer or director of finance of any county, city, or town may enter into an agreement with the Commissioner whereby the Commissioner will refuse to issue or renew any vehicle registration of any applicant therefor who owes to such county, city or town any local vehicle license fees or delinquent tangible personal property tax or parking citations issued only to residents of such county, city, or town. Before being issued any vehicle registration or renewal of such license or registration by the Commissioner, the applicant shall first satisfy all such local vehicle license fees and delinquent taxes or parking citations and present evidence satisfactory to the Commissioner that all such local vehicle license fees and delinquent taxes or parking citations have been paid in full. The Commissioner shall charge a reasonable fee to cover the costs of such enforcement action, and the treasurer or director of finance may add the cost of this fee to the delinquent tax bill or the amount of the parking citation. The treasurer or director of finance of any county, city, or town seeking to collect delinquent taxes or parking citations through the withholding of registration or renewal thereof by the Commissioner as provided for in this subsection shall notify the Commissioner in the manner provided for in his agreement with the Commissioner and supply to the Commissioner information necessary to identify the debtor whose registration or renewal is to be denied. Any agreement entered into pursuant to the provisions of this subsection shall provide the debtor notice of the intent to deny renewal of registration at least 30 days prior to the expiration date of a current vehicle registration. For the purposes of this subsection, notice by first-class mail to the registrant's address as maintained in the records of the Department of Motor Vehicles shall be deemed sufficient. In the case of parking violations, the Commissioner shall only refuse to issue or renew the vehicle registration of any applicant therefor pursuant to this subsection for the vehicle that incurred the parking violations. The provisions of this subsection shall not apply to vehicles owned by firms or companies in the business of renting motor vehicles.

K. The governing bodies of any two or more counties, cities, or towns may enter into compacts for the regional enforcement of local motor vehicle license requirements. The governing body of each participating jurisdiction may by ordinance require the owner or operator of any motor vehicle, trailer, or semitrailer to display on his vehicle a valid local license issued by another county, city, or town that is a party to the regional compact, provided that the owner or operator is required by the jurisdiction of situs, as provided in § 58.1-3511, to obtain and display such license. The ordinance may also provide that no motor vehicle, trailer, or semitrailer shall be locally licensed until the applicant has produced satisfactory evidence that (i) all personal property taxes on the motor vehicle, trailer, or semitrailer to be

licensed have been paid to all participating jurisdictions and (ii) any delinquent motor vehicle, trailer, or semitrailer personal property taxes that have been properly assessed or are assessable by any participating jurisdiction against the applicant have been paid. Any city and any county having the urban county executive form of government, the counties adjacent to such county and towns within them may require that no motor vehicle, trailer, or semitrailer shall be licensed by that jurisdiction or any other jurisdiction in the compact unless all fines owed to any participating jurisdiction by the owner of the vehicle for violation of any participating jurisdiction's ordinances governing parking of vehicles have been paid. The ordinance may further provide that a violation shall constitute a misdemeanor the penalty for which shall not exceed that of a Class 4 misdemeanor. Any such ordinance may also provide that a violation of the ordinance by the owner of the vehicle may not be discharged by payment of a fine *and applicable court costs* except upon presentation of satisfactory evidence that the required license has been obtained. The provisions of this subsection shall not apply to vehicles owned by firms or companies in the business of renting motor vehicles.

L. In addition to the taxes and license fees permitted in subsection A, counties, cities, and towns may charge a license fee of no more than \$1 per motor vehicle, trailer, and semitrailer. Except for the provisions of subsection B, such fee shall be subject to all other provisions of this section. All funds collected pursuant to this subsection shall be paid pursuant to § 51.1-1204 to the Volunteer Firefighters' and Rescue Squad Workers' Service Award Fund to the accounts of all members of the Fund who are volunteers for fire departments or rescue squads within the jurisdiction of the particular county, city, or town.

§ 46.2-1157. Requirement of inspection; well-drilling machinery, antique motor vehicle or antique trailer excepted.

The Superintendent may compel, by proclamation of the Governor or otherwise, the owner or operator of any motor vehicle, trailer, or semitrailer registered in Virginia and operated or parked on a highway within this Commonwealth to submit his vehicle to an inspection of its mechanism and equipment by an official inspection station, designated for that purpose, in accordance with § 46.2-1158. No owner or operator shall fail to submit a motor vehicle, trailer, or semitrailer operated or parked on the highways in this Commonwealth to such inspection or fail or refuse to correct or have corrected in accordance with the requirements of this title any mechanical defects found by such inspection to exist.

The provisions of this section requiring safety inspections of motor vehicles shall also apply to vehicles used for fire fighting; inspections of fire-fighting vehicles shall be conducted pursuant to regulations promulgated by the Superintendent of State Police, taking into consideration the special purpose of such vehicles and the conditions under which they operate.

Each day during which such motor vehicle, trailer, or semitrailer is operated or parked on any highway in this Commonwealth after failure to comply with this law shall constitute a separate offense. However, no penalty shall be imposed on any owner or operator for operation of a motor vehicle, trailer, or semitrailer after the expiration of a period fixed for the inspection thereof, over the most direct route between the place where such vehicle is kept or garaged and an official inspection station, for the purpose of having it inspected pursuant to a prior appointment with such station.

Further, no penalty shall be imposed on any owner or operator of a truck, tractor truck, trailer, or semitrailer for which the period fixed for inspection has expired while the vehicle was outside the Commonwealth and that penalty is for operation of such vehicle (i) from a point outside the Commonwealth to the place where such vehicle is kept or garaged within the Commonwealth or (ii) to a destination within the Commonwealth where such vehicle will be (a) unloaded within 24 hours of entering the Commonwealth, (b) inspected within such 24-hour period, and (c) after being unloaded, will be operated only to an inspection station or to the place where it is kept or garaged within the Commonwealth.

Notwithstanding other provisions of this section, a new motor vehicle, as defined in § 46.2-1500, that has been inspected in accordance with an inspection requirement of the manufacturer or distributor of the new motor vehicle by an employee who customarily performs such inspection on behalf of a motor vehicle dealer licensed pursuant to § 46.2-1508 shall be deemed to have met the safety inspection requirements of the section without a separate safety inspection by an official inspection station. Such inspection shall be deemed to be the first inspection for the purpose of § 46.2-1158, and an inspection approval sticker furnished by the Department of State Police at the uniform price paid by all official inspection stations to the Department of State Police for an inspection approval sticker may be affixed to the vehicle as required by § 46.2-1163.

The provisions of this section shall not apply to any vehicle for transporting well-drilling machinery licensed under § 46.2-700 or to any antique motor vehicle or antique trailer as defined in § 46.2-100 and licensed pursuant to § 46.2-730.

Notwithstanding the penalty provisions of § 46.2-1171, a violation of this section constitutes a traffic infraction. *The court may, in its discretion, dismiss a summons issued under this section where correction of vehicle or safety equipment defects or proof of compliance with this section is provided to*

368 *the court subsequent to the issuance of the summons to appear, but such dismissal shall not operate to*
