208 General Duties of Carriers.

209 5. Each authorized carrier shall:

210 (A) Provide safe and adequate transportation service, equipment, and facilities; and

211 (B) Observe and enforce Commission regulations established under this Act.

212 Certificates of Authority.

213 6. (A) A person may not engage in transportation subject to this Act unless there is in force a  
214 "certificate of Authority" issued by the Commission authorizing the person to engage in that  
215 transportation.

216 (B) On the effective date of this Act a person engaged in transportation subject to this Act under an  
217 existing "certificate of Public Convenience and Necessity" or order issued by the Commission shall be  
218 issued a new "certificate of Authority" within 120 days after the effective date of this amendment.

219 (C) (I) Pending issuance of the new certificate of Authority, the continuance of operations shall be  
220 permitted under an existing certificate or order issued by the Commission which will continue in effect  
221 on the effective date of this Act.

222 (II) The operations described in paragraph (I) of this subsection shall be performed according to the  
223 rates, regulations, and practices of the certificate holder on file with the Commission on the effective  
224 date of this Act.

225 7. (A) When an application is made under this section for a certificate of Authority, the Commission  
226 shall issue a certificate to any qualified applicant, authorizing all or any part of the transportation  
227 covered by the application, if it finds that:

228 (I) The applicant is fit, willing, and able to perform that transportation properly, conform to the  
229 provisions of this Act, and conform to the rules, regulations and requirements of the Commission; and

230 (II) That the transportation is consistent with the public interest.

231 (B) If the Commission finds that the requirements of subsection (A) of this section have not been  
232 met, the application shall be denied by the Commission.

233 (C) The Commission shall act upon applications under this Act as soon as possible.

234 (D) The Commission may attach to the issuance of a certificate and to the exercise of the rights  
235 granted under it any term, condition, or limitation that is consistent with the public interest.

236 (E) A term, condition, or limitation imposed by the Commission may not restrict the right of a  
237 carrier to add to equipment and facilities over the routes or within the territory specified in the  
238 certificate, as business development and public demand may require.

239 (F) A person applying for or holding a certificate of Authority shall comply with Commission  
240 regulations regarding maintenance of a surety bond, insurance policy, self-insurance qualification, or  
241 other security or agreement in an amount that the Commission may require to pay any final judgment  
242 against a carrier for bodily injury or death of a person, or for loss or damage to property of another,  
243 resulting from the operation, maintenance, or use of a motor vehicle or other equipment in performing

transportation subject to this Act.

(G) A certificate of Authority is not valid unless the holder is in compliance with the insurance requirements of the Commission.

8. Application to the Commission for a certificate under this Act shall be:

(A) Made in writing;

(B) Verified; and

(C) In the form and with the information that the Commission regulations require.

9. (A) A certificate of Authority issued by the Commission shall specify the route over which a regularly scheduled commuter service or other regular-route service will operate.

(B) A certificate issued by the Commission authorizing irregular-route service shall be coextensive with the Metropolitan District.

(C) A carrier subject to this Act may not provide any passenger transportation for hire on an individual fare paying basis in competition with an existing, scheduled, regular-route, passenger transportation service performed by, or under a contract with, the federal government, a signatory to the Compact, a political subdivision of a signatory, or the Washington Metropolitan Area Transit Authority, notwithstanding any "Certificate of Authority."

(D) A certificate for the transportation of passengers may include authority to transport newspapers, passenger baggage, express, or mail in the same vehicle, or to transport passenger baggage in a separate vehicle.

10. (A) Certificates shall be effective from the date specified on them and shall remain in effect until amended, suspended, or terminated.

(B) Upon application by the holder of a certificate, the Commission may suspend, amend, or terminate the Certificate of Authority.

(C) Upon complaint or the Commission's own initiative, the Commission, after notice and hearing, may suspend or revoke all or part of any Certificate of Authority for willful failure to comply with:

(I) A provision of this Act;

(II) An order, rule, or regulation of the Commission; or

(III) A term, condition, or limitation of the certificate.

(D) The Commission may direct that a carrier cease an operation conducted under a certificate if the Commission finds the operation, after notice and hearing, to be inconsistent with the public interest.

(B) A person other than the person to whom an operating authority is issued by the Commission may not lease, rent, or otherwise use that operating authority.

12. (A) A carrier may not abandon any scheduled commuter service operated under a Certificate of Authority issued to the carrier under this Act, unless the Commission authorizes the carrier to do so by a Commission order.

(B) Upon application by a carrier, the Commission shall issue an order, after notice and hearing, if it finds that abandonment of the route is consistent with the public interest.

(C) The Commission, by regulation or otherwise, may authorize the temporary suspension of a route if it is consistent with the public interest.

(D) As long as the carrier has an opportunity to earn a reasonable return in all its operations, the fact that a carrier is operating a service at a loss will not, of itself, determine the question of whether abandonment of service is consistent with the public interest.

13. (A) When the Commission finds that there is an immediate need for service that is not available, the Commission may grant temporary authority for that service without a hearing or other proceeding up to a maximum of 180 consecutive days, unless suspended or revoked for good cause.

(B) A grant of temporary authority does not create any presumption that permanent authority will be granted at a later date.

Rates and Tariffs.

14. (A) Each carrier shall file with the Commission, publish, and keep available for public inspection tariffs showing:

(I) Fixed-rates and fixed-fares for transportation subject to this Act; and

(II) Practices and regulations, including those affecting rates and fares, required by the Commission.

(B) Each effective tariff shall:

(I) Remain in effect for at least 60 days from its effective date, unless the Commission orders otherwise; and

(II) Be published and kept available for public inspection in the form and manner prescribed by the Commission.

(C) A carrier may not charge a rate or fare for transportation subject to this Act other than the applicable rate or fare specified in a tariff filed by the carrier under this Act and in effect at the time.

305 15. (A) A carrier proposing to change a rate, fare, regulation, or practice specified in an effective  
306 tariff shall file a tariff showing the change in the form and manner, and with the information,  
307 justification, notice, and supporting material prescribed by the Commission.

308 (B) Each tariff filed under subsection (A) of this section shall state a date on which the tariff shall  
309 take effect, which shall be at least seven calendar days after the date on which the tariff is filed, unless  
310 the Commission orders an earlier effective date or rejects the tariff.

311 (C) (I) A tariff filed for approval with the Commission may be refused acceptance for filing if it is  
312 not consistent with this Act and Commission regulations; and

313 (II) A tariff refused for filing shall be void.

314 16. (A) The Commission may hold a hearing upon complaint or upon the Commission's own  
315 initiative after reasonable notice to determine whether a rate, fare, regulation, or practice relating to a  
316 tariff is unjust, unreasonable, unduly discriminatory, or unduly preferential between classes of riders or  
317 between locations within the Metropolitan District.

318 (B) Within 120 days of the hearing, the Commission shall pass an order prescribing the lawful rate,  
319 fare, regulation, or practice, or affirming the tariff.

320 Through Routes, Joint Fares.

321 17. With the approval of the Commission, any carrier subject to this Act may establish through  
322 routes and joint fares with any other lawfully authorized carrier.

324 18. (A) the Commission shall prescribe reasonable rates for transportation by taxicab, only when:

325 (I) The trip is between a point in the jurisdiction of one signatory and a point in the jurisdiction of  
326 another signatory; and

327 (II) Both points are within the Metropolitan District.

328 (B) The fare or charge for taxicab transportation may be calculated on a mileage basis, a zone basis,  
329 or on any other basis approved by the Commission.

330 (C) The Commission may not require the installation of a taximeter in any taxicab when a taximeter  
331 is not permitted or required by the jurisdiction licensing and otherwise regulating the operation and  
332 service of the taxicab.

333 (D) A person licensed by a signatory to own or operate a taxicab shall comply with Commission  
334 regulations regarding maintenance of a surety bond, insurance policy, self-insurance qualification, or  
335 other security or agreement in an amount that the Commission may require to pay a final judgment for  
336 bodily injury or death of a person, or for loss or damage to property of another, resulting from the  
337 operation, maintenance, or use of a taxicab in performing transportation subject to this Act.

348 buildings, and equipment of any carrier for inspection purposes.

349 (C) This section shall apply to any person controlling, controlled by, or under common control with  
350 a carrier subject to this Act, whether or not that person otherwise is subject to this Act.

351 (D) A carrier that has its principal office outside of the Metropolitan District J operates both inside  
352 and outside of the Metropolitan District may keep all accounts, records, and memoranda at its principal  
353 office, but the carrier shall produce those materials before the Commission when directed by the  
354 Commission.

355 (E) This section does not relieve a carrier from recordkeeping or reporting obligations imposed by a  
356 state or federal agency or regulatory commission for transportation service rendered outside the  
357 Metropolitan District.

358 Issuance of Securities.

359 2. This Act does not impair any authority of the federal government and the signatories to regulate  
360 the issuance of securities by a carrier.
