8. Fiscal Implications: See Other Comments below.

9. Specific Agency or Political Subdivisions Affected: The substitute would only impact the City of Danville.

10. Technical Amendment Necessary: No.

11. Other Comments: The bill, as introduced, provided early retirement benefits equivalent to the State Police Officers' Retirement System (SPORS) to the Danville Sheriff. However, the Danville Sheriff is already provided these benefits in the existing statute.

The substitute provides that deputy sheriffs in the City of Danville will be eligible for early retirement benefits comparable to those provided in the State Police Officers Retirement System (SPORS).

Technical Amendment:

The substitute allows deputies to be covered under the provisions of this bill. Beginning July 1, 2009, the City of Danville shall provide to each deputy sheriff the benefit coverage described in subsection B of § 51.1-138.

The cost of these enhanced benefits will be borne entirely by the City of Danville.
