

Department of Planning and Budget 2009 Fiscal Impact Statement

1. Bill Number: HB 2270-H1

House of Origin ☐ Introduced ☒ Substitute ☐ Engrossed

Second House ☐ In Committee ☐ Substitute ☐ Enrolled

2. Patron: Poindexter

3. Committee: Health, Welfare and Institutions

4. Title: **Private residential wells; minimum storage capacity and yield requirements**

5. Summary: Requires the Board of Health to include in its regulations governing construction of private wells minimum storage capacity and yield requirements that shall be substantially similar to the suggested minimums now contained in regulations.

6. Fiscal Impact Estimates: See item #8.

7. Budget Amendment Necessary: No.

8. Fiscal Implications: The introduced legislation would have resulted in a fiscal impact for the Virginia Department of Health (VDH) based on the expectation that agency staff would be involved in evaluating low-yield wells and designing storage systems. The substitute bill clarifies that the certified water well systems provider, not VDH, would be responsible for evaluating wells or designing storage systems.

9. Specific Agency or Political Subdivisions Affected: Virginia Department of Health and Board of Health

10. Technical Amendment Necessary: No.

11. Other Comments: No.
