7. Budget Amendment Necessary: No.

8. Fiscal Implications: As a general rule, special license plates are usually authorized requiring a minimum of 350 prepaid applications to allow DMV to recover its costs for producing the plate; however, the proposed exemption from the minimum requirement for this plate is consistent with other similar authorizations in Va. Code § 46.2-743. The expenditure impact above reflects an estimated initial-run cost to produce the plate and the estimated cost of changes to DMV's automated system to make the plate available for purchase.

DMV was unable to obtain an estimate of the number of veterans of Operation Enduring Freedom; however, the revenue impact is expected to be minimal.

9. Specific Agency or Political Subdivisions Affected: Department of Motor Vehicles.

10. Technical Amendment Necessary: No.

11. Other Comments: None.
