2. Patron: Scott

3. Committee: General Laws

4. Title: **Manufactured Housing Licensing and Transaction Recovery Fund Law.**

5. Summary: Limits to \$4,000 the amount of actual damages that a manufactured home dealer may retain when a buyer fails to accept delivery of a manufactured home that is larger than a single section unit and in the manufactured home dealer's stock. The bill also raises the limit of actual damages (i) from \$5,000 to \$7,000 when a buyer fails to accept delivery of a manufactured home that is larger than a single section unit and is special ordered for the buyer, (ii) from \$500 to \$1,000 when a buyer fails to accept delivery of a manufactured home that is a single section unit in the dealer's stock and is not specially ordered for the buyer, and (iii) from \$1,000 to \$2,000 when a buyer fails to accept delivery of a manufactured home that is in the dealer's stock and is specially ordered for the buyer. The bill also (i) raises the maximum claim amount of a single claimant against the Manufactured Housing Recovery Fund for single or multiple violations by one or more regulants from \$20,000 to \$40,000, (ii) raises the minimum balance of the Fund from \$250,000 to \$300,000, (iii) authorizes interest earned on the Fund to be used for education programs for a wider range of individuals and to pay department staff expenses for conducting investigations, and (iv) authorizes the Manufactured Housing Board to use up to five percent of the balance of the Fund in any fiscal year for educational purposes and to pay investigation expenses. Under the bill, the provisions raising the minimum fund balance and authorizing the use of the Fund balance and interest on educational programs and to pay investigative costs will expire on July 1, 2011.

6. Fiscal impact estimates are preliminary. See item 8, below.

7. Budget Amendment Necessary: No.

8. Fiscal Implications: The provisions of the bill would remain in place through FY 2011. The proposed legislation requires the maintenance of a minimum balance of \$300,000 in the fund. For the last several fiscal years, the Fund has maintained a balance at year-end of over \$900,000. At the end of FY 2008, the Fund had a balance of \$999,203. However, language in the Appropriation Act overrides the Code of Virginia and requires the State Comptroller to retain in the general fund any interest the Virginia Manufactured Housing Recovery Fund would otherwise accrue during FY 2009 and FY 2010.

Also, language in the introduced budget bill directs the State Comptroller to transfer from this Fund to the general fund \$150,000 in FY 2010.

At the end of the current biennium and absent language in the Appropriation Act requiring the retention by the general fund of interest earnings, in FY 2011 the provisions of the bill may provide additional funding for the Department of Housing and Community Development to expand the educational programs that could be funded from this Fund and to recover a portion of its expenses incurred in performing investigations on claims filed by homeowners.

9. Specific Agency or Political Subdivisions Affected: Department of Housing and Community Development.

10. Technical Amendment Necessary: No.

11. Other Comments: HB2569 also modifies the code provisions regarding the Manufactured Housing Licensing and Transaction Recovery Fund.
