59 prior to or after the execution of an interim or a comprehensive agreement, § 56-573.1:1 or 56-575.17  
60 notwithstanding, the financial interest or bargaining position of the public entity would be adversely  
61 affected, and (ii) the basis for the determination required in clause (i) is documented in writing by the  
62 responsible public entity; and

63 b. Records provided by a private entity to a responsible public entity, affected jurisdiction, or  
64 affected local jurisdiction pursuant to the provisions of the Public-Private Transportation Act of 1995 or  
65 the Public-Private Education Facilities and Infrastructure Act of 2002, to the extent that such records  
66 contain (i) trade secrets of the private entity as defined in the Uniform Trade Secrets Act (§ 59.1-336 et  
67 seq.); (ii) financial records of the private entity, including balance sheets and financial statements, that  
68 are not generally available to the public through regulatory disclosure or otherwise; or (iii) other  
69 information submitted by the private entity, where, if the records were made public prior to the  
70 execution of an interim agreement or a comprehensive agreement, the financial interest or bargaining  
71 position of the public or private entity would be adversely affected. In order for the records specified in  
72 clauses (i), (ii) and (iii) to be excluded from the provisions of this chapter, the private entity shall make

80 submitted by the private entity from disclosure, the responsible public entity shall determine whether  
81 public disclosure prior to the execution of an interim agreement or a comprehensive agreement would  
82 adversely affect the financial interest or bargaining position of the public or private entity. The  
83 responsible public entity shall make a written determination of the nature and scope of the protection to  
84 be afforded by the responsible public entity under this subdivision. Once a written determination is made  
85 by the responsible public entity, the records afforded protection under this subdivision shall continue to  
86 be protected from disclosure when in the possession of any affected jurisdiction or affected local  
87 jurisdiction.

88 Except as specifically provided in subdivision 11 a, nothing in this subdivision shall be construed to  
89 authorize the withholding of (a) procurement records as required by § 56-573.1:1 or 56-575.17; (b)  
90 information concerning the terms and conditions of any interim or comprehensive agreement, service  
91 contract, lease, partnership, or any agreement of any kind entered into by the responsible public entity  
92 and the private entity; (c) information concerning the terms and conditions of any financing arrangement  
93 that involves the use of any public funds; or (d) information concerning the performance of any private  
94 entity developing or operating a qualifying transportation facility or a qualifying project.

95 For the purposes of this subdivision, the terms "affected jurisdiction," "affected local jurisdiction,"  
96 "comprehensive agreement," "interim agreement," "qualifying project," "qualifying transportation  
97 facility," "responsible public entity," and "private entity" shall mean the same as those terms are defined  
98 in the Public-Private Transportation Act of 1995 or in the Public-Private Education Facilities and  
99 Infrastructure Act of 2002.

100 12. Confidential proprietary information or trade secrets, not publicly available, provided by a private  
101 person or entity to the Virginia Resources Authority or to a fund administered in connection with

103 information were made public, the financial interest of the private person or entity would be adversely  
104 affected, and, after June 30, 1997, where such information was provided pursuant to a promise of  
105 confidentiality.

106 13. Trade secrets, as defined in the Uniform Trade Secrets Act (§ 59.1-336 et seq.), or confidential

109 (§ 15.2-2100 et seq.) of Title 15.2 to the applicable franchising authority pursuant to a promise of  
110 confidentiality from the franchising authority, to the extent the records relate to the bidder's, applicant's,  
111 or franchisee's financial capacity or provision of new services, adoption of new technologies or  
112 implementation of improvements, where such new services, technologies or improvements have not been  
113 implemented by the franchisee on a nonexperimental scale in the franchise area, and where, if such  
114 records were made public, the competitive advantage or financial interests of the franchisee would be  
115 adversely affected.
