CHAPTER 72.

FORT MONROE AUTHORITY ACT.

§ 15.2-7200. *Short title; declaration of public purpose; Fort Monroe Authority created; successor in interest to Fort Monroe Federal Area Development Authority.*

A. *This chapter shall be known and may be cited as the Fort Monroe Authority Act.*

B. *The General Assembly finds and declares that:*

1. *Fort Monroe, located on a barrier spit at Hampton Roads Harbor and the southern end of Chesapeake Bay where the Old Point Comfort lighthouse has been welcoming ships since 1802, is one of the Commonwealth's most important cultural treasures. Strategically located near Virginia's Historic Triangle of Williamsburg, Yorktown, and Jamestown, the 565-acre site has been designated a National Historic Landmark District;*

ENROLLED

HB1297ER

2. As a result of decisions made by the federal Base Realignment and Closure Commission, Fort Monroe will cease to be an army base in 2011, and at that time most of the site will revert to the Commonwealth;

3. The planning phase of Fort Monroe's transition from a United States Army base to a village that will be owned by the Commonwealth has been managed by the Fort Monroe Federal Area Development Authority (FMFADA), established by the City of Hampton pursuant to legislation enacted by the General Assembly in 2007. The Fort Monroe Federal Area Development Authority, a partnership between the City and the Commonwealth, has fulfilled its primary purpose of formulating a reuse plan for Fort Monroe;

4. It is the policy of the Commonwealth to protect the historic resources at Fort Monroe, provide public access to the Fort's historic resources and recreational opportunities, exercise exemplary stewardship of the Fort's natural resources, and maintain Fort Monroe in perpetuity as a place that is a desirable one in which to reside, do business, and visit, all in a way that is economically sustainable;

5. Fort Monroe's status as a Commonwealth-owned village is unique. Municipal services will need to be provided to Fort Monroe's visitors, residents, and businesses. Both the Commonwealth and the FMFADA are signatories to a Programmatic Agreement under Section 106 of the National Historic Preservation Act that requires several specific actions be taken, including the enforcement of Design Standards to be adopted by the FMFADA or its successor to govern any new development or building restoration or renovation at Fort Monroe. There exists a need for an entity that can manage the property for the Commonwealth and ensure adherence to the findings, declarations, and policies set forth in this section; and

6. The creation of an authority for this purpose is in the public interest, serves a public purpose, and will promote the health, safety, welfare, convenience, and prosperity of the people of the Commonwealth.

C. The Fort Monroe Authority is created, with the duties and powers set forth in this chapter, as a public body corporate and as a political subdivision of the Commonwealth. The Authority is constituted as a public instrumentality exercising public and essential governmental functions, and the exercise by the Authority of the duties and powers conferred by this chapter shall be deemed and held to be the performance of an essential governmental function of the Commonwealth. The exercise of the powers granted by this chapter and its public purpose shall be in all respects for the benefit of the inhabitants of the Commonwealth.

D. The Fort Monroe Authority is the successor in interest to that political subdivision formerly known as the Fort Monroe Federal Area Development Authority. As such, the Authority stands in the place and stead of, and assumes all rights and duties formerly of, the Fort Monroe Federal Area Development Authority, including but not limited to all leases, contracts, grants-in-aid, and all other agreements of whatsoever nature; holds title to all realty and personalty formerly held by the Fort Monroe Federal Area Development Authority; and may exercise all powers that might at any time past have been exercised by the Fort Monroe Federal Area Development Authority, including the powers and authorities of a Local Redevelopment Authority under the provisions of any and all applicable federal laws, including the Base Relocation and Closure Act of 2005.

E. The Fort Monroe Authority shall be subject to the Virginia Public Procurement Act (§ 2.2-4300 et seq.) and the Board shall adopt procedures consistent with that Act to govern its procurement processes.

F. Employees of the FMFADA shall be eligible for membership in the Virginia Retirement System and participation in health insurance and other benefits programs for employees of local governments established in accordance with § 2.2-1204.

The members of the Board shall be entitled to reimbursement for expenses incurred in attendance upon meetings of the Board or while otherwise engaged in the discharge of their duties. Such expenses shall be paid out of the treasury of the Authority in such manner as shall be prescribed by the Authority.

§ 15.2-7205. Payments to Commonwealth or political subdivisions thereof.

No locality shall be required to provide proprietary municipal services including, but not limited to, utility services to residents and businesses at Fort Monroe, except in accordance with an agreement between the Authority and such locality. The Authority may agree to make such payments to the Commonwealth, a locality, or any political subdivision thereof, which payments such bodies are hereby authorized to accept, as the Authority finds consistent with the purposes for which the Authority has been created, including but not limited to the municipal services set forth herein. These payments shall adequately and fairly reimburse the Commonwealth, locality, or political subdivision for the cost of providing such services so that the services are provided at no increased, incremental cost to the provider. If the provider makes improvements to its system, the Authority shall only be required to pay its proportionate share of the cost of such improvements. Fees charged pursuant to this agreement shall not be higher than those charged for other, similarly situated residents of the locality or recipients of the proprietary services.

§ 15.2-7206. Authority may borrow money, accept contributions, etc.

In addition to the powers conferred upon the Authority by other provisions of this chapter, the Authority is empowered to:

1. Borrow money or accept contributions, grants, or other financial assistance from the federal government; the Commonwealth; any locality or political subdivision; any agency or instrumentality thereof, including but not limited to the Virginia Resources Authority; or any source, public or private, for or in aid of any project of the Authority, and to these ends, to comply with such conditions and enter into such mortgages, trust indentures, leases, or agreements as may be necessary, convenient, or desirable;

2. Apply for grants from the Urban Public-Private Partnership Redevelopment Fund pursuant to Chapter 24.1 (§ 15.2-2414 et seq.). The Authority shall be considered a local government eligible for grants under that chapter. 4. Utilize the provisions of the Public-Private Transportation Act of 1995 (§ 56-556 et seq.) and the Public-Private Education Facilities and Infrastructure Act of 2002 (§ 56-575.1 et seq.) as a qualifying public entity under those statutes; and

5. Apply for and receive enterprise zone designation under the Enterprise Zone Grant Act (§ 59.1-538 et seq.). Fort Monroe shall be considered an eligible area for such designation, although the Governor is not obligated to grant such a designation.

§ 15.2-7207. Authority empowered to issue bonds; additional security; liability thereon.

The Authority shall have power to issue bonds from time to time in its discretion, for any of its corporate purposes, including the issuance of refunding bonds for the payment or retirement of bonds previously issued by it. The Authority may issue such type of bonds as it may determine, including (without limiting the generality of the foregoing):

1. Bonds on which the principal and interest are payable:

a. Exclusively from the income and revenues of the project or facility financed with the proceeds of such bonds;

b. Exclusively from the income and revenues of certain designated projects or facilities whether or not they are financed in whole or in part with the proceeds of such bonds; or

c. From its revenues generally; and

2. Bonds on which the principal and interest are payable solely from contributions or grants received from the federal government, the Commonwealth, or any other source, public or private.

Any such bonds may be additionally secured by a pledge of any grants or contributions from the federal government, the Commonwealth, any political subdivision of the Commonwealth, or other source, or a pledge of any income or revenues of the Authority, or a mortgage of any particular projects or facilities or other property of the Authority.

Neither the Trustees of the Authority nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. The bonds and other obligations of the Authority (and such bonds and obligations shall so state on their face) shall not be a debt of the Commonwealth or any political subdivision thereof (other than the issuing Authority), and neither the Commonwealth nor any political subdivision thereof (other than the issuing Authority) shall be liable thereon, nor shall such bonds or obligations be payable out of any funds or properties other than those of the Authority. The bonds shall not constitute an indebtedness within the meaning of any debt limitation or restriction. Bonds of the Authority are declared to be issued for an essential public and governmental purpose.

§ 15.2-7208. Powers and duties of executive director.

The executive director shall exercise such of the powers and duties relating to the Authority conferred upon the Board as may be delegated to him by the Board, including powers and duties involving the exercise of discretion. The executive director shall also exercise and perform such other powers and duties as may be lawfully delegated to him and such powers and duties as may be conferred or imposed upon him by law.

§ 15.2-7209. Legal services.

For such legal services as it may require, the Authority may employ its own counsel and legal staff or make use of legal services made available to it by any public body, or both; however, the Authority shall be required to use any legal services provided by the Office of the Attorney General, if such services are made available, since the property at Fort Monroe is an asset of the Commonwealth.

§ 15.2-7210. Exemption from taxation; authorities to be municipal corporate instrumentalities of Commonwealth.

The bonds or other securities issued by the Authority, the interest thereon, and all real and personal property and any interest therein of an authority, and all income derived therefrom by the Authority shall at all times be free from taxation by the Commonwealth, or by any political subdivision thereof. The Authority shall be regarded as a municipal corporate instrumentality of the Commonwealth for the purpose of discharging its functions and exercising its powers under this chapter.

§ 15.2-7211. Rents, fees, and charges; disposition of revenues.

The rents, fees, and charges established by the Authority for the use of its property, projects, and facilities and for any other service furnished or provided by the Authority shall be fixed so that they, together with other revenues of the Authority, shall provide at least sufficient funds to pay the cost of maintaining, repairing, and operating the Authority; its property, projects, and facilities; and the principal and interest of any bonds issued by the Authority or other debts contracted as the same shall become due and payable. A reserve may be accumulated and maintained out of the revenues of the Authority for extraordinary repairs and expenses and for such other purposes as may be provided in any resolution authorizing a bond issue or in any trust indenture securing such bonds. Subject to such provisions and restrictions as may be set forth in the resolution or in the trust indenture authorizing or securing any of the bonds or other obligations issued hereunder, the Authority shall have exclusive control of the revenue derived from the operation of the Authority and the right to use such revenues in the exercise of its powers and duties set forth in this chapter. No person, firm, association, or corporation shall receive any profit or dividend from the revenues, earnings, or other funds or assets of such authority other than for debts contracted, for services rendered, for materials and supplies furnished, and for other value actually received by the Authority.

The accounts of the Authority shall be audited annually by the Auditor of Public Accounts, or his legally authorized representative, and the cost of such audit will be borne by the Authority. Copies of

the annual audit shall be distributed to the Governor and to the chairmen of the House Committee on Appropriations and the Senate Committee on Finance.

§ 15.2-7212. Powers conferred additional and supplemental; severability; liberal construction.

The powers conferred by this chapter shall be in addition and supplemental to the powers conferred by any other law. The powers granted and the duties imposed in this chapter shall be construed to be independent and severable. If any one or more sections, subsections, sentences, or parts of any of this chapter shall be adjudged unconstitutional or invalid, such adjudication shall not affect, impair, or invalidate the remaining provisions thereof, but shall be confined in its operation to the specific provisions held unconstitutional or invalid. This chapter shall be liberally construed to effect the purposes hereof.

§ 15.2-7213. Chapter controlling over inconsistent laws.

Insofar as the provisions of this chapter are inconsistent with the provisions of any other law, general, special, or local, including provisions of charters of localities, the provisions of this chapter shall be controlling.

§ 15.2-7214. Sovereign immunity.

No provisions of this chapter nor any act of the Authority, including the procurement of insurance or self-insurance, shall be deemed a waiver of any sovereign immunity to which the Authority or its directors, officers, employees, or agents are otherwise entitled.

§ 15.2-7215. Status of residents.

Property at Fort Monroe is owned by the Commonwealth of Virginia and is operated and managed on behalf of the Commonwealth by the Authority. As such, it is deemed to be state property lying within the jurisdictional limits of the City of Hampton. Those residing on Fort Monroe shall have the same rights to vote; precinct assignments; public education; police, fire, and emergency services; and access to courts as if the property at Fort Monroe were privately held property in the City of Hampton.

2. That the first and third enactments of Chapter 707 of the Acts of Assembly of 2007 and the first and third enactments of Chapter 740 of the Acts of Assembly of 2007 are repealed.

3. That § 15.2-6304.1 of the Code of Virginia is repealed.
