Referred to Committee on Finance

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding in Article 13 of Chapter 3 of Title 58.1 a section numbered 58.1-439.12:03 as follows:

§ 58.1-439.12:03. Telework expenses tax credit.

A. For purposes of this section:

"Eligible telework expenses" means expenses incurred during the taxable year pursuant to a telework agreement, in an amount up to \$1,200 for each participating employee, that enable a participating employee to begin to telework, which expenses are not otherwise the subject of a deduction from income claimed by the employer in any tax year. Such expenses include, but are not limited to, expenses paid or incurred to purchase computers, computer-related hardware and software, modems, data processing equipment, telecommunications equipment, high-speed Internet connectivity equipment, computer security software and devices, and all related delivery, installation, and maintenance fees. Such expenses do not include replacement costs for computers, computer-related hardware and software, modems, data processing equipment, telecommunications equipment, or computer security software and devices at the principal place of business when that equipment is relocated to the telework site.

"Employer" means any employer subject to the income tax imposed by this chapter.

"Participating employee" means an employee who has entered into a telework agreement with his employer on or after January 1, 2010. The term shall not include an individual who is self-employed or an individual who ordinarily spends a majority of the workday at a location other than the employer's principal place of business.

"Telework" means the performance of normal and regular work functions on a workday at a location different from the employer's principal place of business where they are normally performed. The term shall not include home-based businesses, extensions of the workday, or work performed on a weekend or holiday.

"Telework agreement" means an agreement signed by the employer and the participating employee, on or after January 1, 2010, but before January 1, 2012, that defines the terms of a telework arrangement, including the number of days per year the participating employee will telework, as provided in subsection B in order to qualify for the credit, and any restrictions on the location from which the employee will telework.

B. For taxable years beginning on or after January 1, 2011, but before January 1, 2013, an employer shall be allowed a credit against the taxes imposed pursuant to §§ 58.1-320 and 58.1-400 for a percentage of eligible telework expenses incurred during the 2011 and 2012 calendar years. The amount of the credit shall be equal to:

1. Seventy-five percent of the eligible telework expenses incurred pursuant to a telework agreement requiring the participating employee to telework at least 12 days per month if the employer's principal place of business is located in an area designated by the United States Environmental Protection Agency as a nonattainment area under the Clean Air Act, 42 U.S.C. § 7401 et seq.;

2. Fifty percent of the eligible telework expenses incurred pursuant to a telework agreement requiring the participating employee to telework at least 12 days per month if the employer's principal place of business is not located in an area designated by the United States Environmental Protection Agency as a nonattainment area under the Clean Air Act, 42 U.S.C. § 7401 et seq.; or

3. Twenty-five percent of the eligible telework expenses incurred pursuant to a telework agreement requiring the participating employee to telework at least five days per month.

Such expenses may be incurred (i) only once per employee and (ii) directly by the employer on behalf of the participating employee or directly by the participating employee and reimbursed by the employer.

C. For purposes of this section, the amount of any credit attributable to a partnership, electing small business corporation (S corporation), or limited liability company shall be allocated to the individual partners, shareholders, or members, respectively, in proportion to their ownership or interest in such business entities.

INTRODUCED

HB1360

59 D. The amount of tax credits available to any employer under this section in any taxable year shall
60 not exceed the employer's tax liability. No unused tax credit shall be carried forward or carried back
61 against the employer's tax liability. An employer shall be ineligible for a tax credit pursuant to this
62 section if such employer claims a credit under any other provisions of this chapter.

63 E. An employer seeking to claim a tax credit provided herein shall submit a reservation application
64 to the Tax Commissioner for tentative approval of the credit between September 1 and October 31 of
65 the year preceding the taxable year for which the tax credit is to be earned. The Tax Commissioner
66 shall establish policies and procedures for the reservation of tax credits by eligible employers. Such
67 policies and procedures shall provide (i) requirements for applying for reservations of tax credits; (ii) a
68 system for allocating the available amount of tax credits among eligible employers; and (iii) a
69 procedure for the cancellation and reallocation of tax credit reservations allocated to eligible employers
70 that, after reserving tax credits, have been determined to be ineligible for all or a portion of the tax
71 credits reserved. Such application shall certify that the employer would not have incurred the eligible
72 telework expenses for which the credit is sought but for the availability of such credit. The Tax
73 Commissioner shall provide tentative approval of the applications no later than December 31 of the
74 year in which the applications are received. When the application and amount of tax credits have been
75 approved and the employer applicant notified, such employer may make purchases approved for the tax
76 credits during the immediately following taxable year or lose the right to such credits.

77 F. Actions of the Tax Commissioner relating to the approval or denial of applications for
78 reservations of tax credits pursuant to this section shall be exempt from the provisions of the
79 Administrative Process Act (§ 2.2-4000 et seq.).
