The health care entity denying the request shall also inform the individual of the individual's right to request in writing that such health care entity designate, at its own expense, a physician or clinical psychologist, whose licensure, training, and experience relative to the individual's condition are at least equivalent to that of the physician or clinical psychologist upon whose professional judgment the denial is based and who did not participate in the original decision to deny the health records, who shall make a judgment as to whether to make the health record available to the individual. The health care entity shall comply with the judgment of the reviewing physician or clinical psychologist. The health care entity shall permit copying and examination of the health record by such other physician or clinical psychologist designated by either the individual at his own expense or by the health care entity at its expense.

Any health record copied for review by any such designated physician or clinical psychologist shall be accompanied by a statement from the custodian of the health record that the individual's treating physician or clinical psychologist determined that the individual's review of his health record would be reasonably likely to endanger the life or physical safety of the individual or would be reasonably likely to cause substantial harm to a person referenced in the health record who is not a health care provider.

Further, nothing herein shall be construed as giving, or interpreted to bestow the right to receive copies of, or otherwise obtain access to, psychotherapy notes to any individual or any person authorized to act on his behalf.

H. Pursuant to this subsection:

1. Unless excepted from these provisions in subdivision 9 of this subsection, no party to a civil, criminal or administrative action or proceeding shall request the issuance of a subpoena duces tecum for another party's health records or cause a subpoena duces tecum to be issued by an attorney unless a copy of the request for the subpoena or a copy of the attorney-issued subpoena is provided to the other party's counsel or to the other party if pro se, simultaneously with filing the request or issuance of the subpoena. No party to an action or proceeding shall request or cause the issuance of a subpoena duces tecum for the health records of a nonparty witness unless a copy of the request for the subpoena or a copy of the attorney-issued subpoena is provided to the nonparty witness simultaneously with filing the request or issuance of the attorney-issued subpoena.

No subpoena duces tecum for health records shall set a return date earlier than 15 days from the date of the subpoena except by order of a court or administrative agency for good cause shown. When a court or administrative agency directs that health records be disclosed pursuant to a subpoena duces tecum earlier than 15 days from the date of the subpoena, a copy of the order shall accompany the subpoena.

Any party requesting a subpoena duces tecum for health records or on whose behalf the subpoena duces tecum is being issued shall have the duty to determine whether the individual whose health records are being sought is pro se or a nonparty.

In instances where health records being subpoenaed are those of a pro se party or nonparty witness, the party requesting or issuing the subpoena shall deliver to the pro se party or nonparty witness together with the copy of the request for subpoena, or a copy of the subpoena in the case of an attorney-issued subpoena, a statement informing them of their rights and remedies. The statement shall include the following language and the heading shall be in boldface capital letters:

**NOTICE TO INDIVIDUAL**

The attached document means that (insert name of party requesting or causing issuance of the subpoena) has either asked the court or administrative agency to issue a subpoena or a subpoena has been issued by the other party's attorney to your doctor, other health care providers (names of health care providers inserted here) or other health care entity (name of health care entity to be inserted here) requiring them to produce your health records. Your doctor, other health care provider or other health care entity is required to respond by providing a copy of your health records. If you believe your health records should not be disclosed and object to their disclosure, you have the right to file a motion with the clerk of the court or the administrative agency to quash the subpoena. If you elect to file a motion to quash, such motion must be filed within 15 days of the date of the request or of the attorney-issued subpoena. You may contact the clerk's office or the administrative agency to determine the requirements that must be satisfied when filing a motion to quash and you may elect to contact an attorney to represent your interest. If you elect to file a motion to quash, you must notify your doctor, other health care provider(s), or other health care entity, that you are filing the motion so that the health care provider or health care entity knows to send the health records to the clerk of court or administrative agency in a sealed envelope or package for safekeeping while your motion is decided.

2. Any party filing a request for a subpoena duces tecum or causing such a subpoena to be issued for an individual's health records shall include a Notice in the same part of the request in which the recipient of the subpoena duces tecum is directed where and when to return the health records. Such notice shall be in boldface capital letters and shall include the following language:

**NOTICE TO HEALTH CARE ENTITIES**

**A COPY OF THIS SUBPOENA DUCES TECUM HAS BEEN PROVIDED TO THE INDIVIDUAL WHOSE HEALTH RECORDS ARE BEING REQUESTED OR HIS COUNSEL. YOU OR THAT INDIVIDUAL HAS THE RIGHT TO FILE A MOTION TO QUASH (OBJECT TO) THE ATTACHED SUBPOENA. IF YOU ELECT TO FILE A MOTION TO QUASH, YOU MUST FILE THE MOTION WITHIN 15 DAYS OF THE DATE OF THIS SUBPOENA.**

**YOU MUST NOT RESPOND TO THIS SUBPOENA UNTIL YOU HAVE RECEIVED WRITTEN CERTIFICATION FROM THE PARTY ON WHOSE BEHALF THE SUBPOENA WAS ISSUED THAT THE TIME FOR FILING A MOTION TO QUASH HAS ELAPSED AND THAT:**

**NO MOTION TO QUASH WAS FILED; OR**

**ANY MOTION TO QUASH HAS BEEN RESOLVED BY THE COURT OR THE ADMINISTRATIVE AGENCY AND THE DISCLOSURES SOUGHT ARE CONSISTENT WITH SUCH RESOLUTION.**

**IF YOU RECEIVE NOTICE THAT THE INDIVIDUAL WHOSE HEALTH RECORDS ARE BEING REQUESTED HAS FILED A MOTION TO QUASH THIS SUBPOENA, OR IF YOU FILE A MOTION TO QUASH THIS SUBPOENA, YOU MUST SEND THE HEALTH RECORDS ONLY TO THE CLERK OF THE COURT OR ADMINISTRATIVE AGENCY THAT ISSUED THE SUBPOENA**

795 OR IN WHICH THE ACTION IS PENDING AS SHOWN ON THE SUBPOENA USING THE  
796 FOLLOWING PROCEDURE:

797 PLACE THE HEALTH RECORDS IN A SEALED ENVELOPE AND ATTACH TO THE SEALED  
798 ENVELOPE A COVER LETTER TO THE CLERK OF COURT OR ADMINISTRATIVE AGENCY  
799 WHICH STATES THAT CONFIDENTIAL HEALTH RECORDS ARE ENCLOSED AND ARE TO BE  
800 HELD UNDER SEAL PENDING A RULING ON THE MOTION TO QUASH THE SUBPOENA.  
801 THE SEALED ENVELOPE AND THE COVER LETTER SHALL BE PLACED IN AN OUTER  
802 ENVELOPE OR PACKAGE FOR TRANSMITTAL TO THE COURT OR ADMINISTRATIVE  
803 AGENCY.

804 3. Upon receiving a valid subpoena duces tecum for health records, health care entities shall have the  
805 duty to respond to the subpoena in accordance with the provisions of subdivisions 4, 5, 6, 7, and 8 of  
806 this subsection.

807 4. Except to deliver to a clerk of the court or administrative agency subpoenaed health records in a  
808 sealed envelope as set forth, health care entities shall not respond to a subpoena duces tecum for such  
809 health records until they have received a certification as set forth in subdivision 5 or 8 of this subsection  
810 from the party on whose behalf the subpoena duces tecum was issued.

811 If the health care entity has actual receipt of notice that a motion to quash the subpoena has been  
812 filed or if the health care entity files a motion to quash the subpoena for health records, then the health  
813 care entity shall produce the health records, in a securely sealed envelope, to the clerk of the court or  
814 administrative agency issuing the subpoena or in whose court or administrative agency the action is  
815 pending. The court or administrative agency shall place the health records under seal until a  
816 determination is made regarding the motion to quash. The securely sealed envelope shall only be opened  
817 on order of the judge or administrative agency. In the event the court or administrative agency grants  
818 the motion to quash, the health records shall be returned to the health care entity in the same sealed  
819 envelope in which they were delivered to the court or administrative agency. In the event that a judge or  
820 administrative agency orders the sealed envelope to be opened to review the health records in camera, a  
821 copy of the order shall accompany any health records returned to the health care entity. The health  
822 records returned to the health care entity shall be in a securely sealed envelope.

823 5. If no motion to quash is filed within 15 days of the date of the request or of the attorney-issued  
824 subpoena, the party on whose behalf the subpoena was issued shall have the duty to certify to the  
825 subpoenaed health care entity that the time for filing a motion to quash has elapsed and that no motion  
826 to quash was filed. Any health care entity receiving such certification shall have the duty to comply  
827 with the subpoena duces tecum by returning the specified health records by either the return date on the  
828 subpoena or five days after receipt of the certification, whichever is later.

829 6. In the event that the individual whose health records are being sought files a motion to quash the  
830 subpoena, the court or administrative agency shall decide whether good cause has been shown by the  
831 discovering party to compel disclosure of the individual's health records over the individual's objections.  
832 In determining whether good cause has been shown, the court or administrative agency shall consider (i)  
833 the particular purpose for which the information was collected; (ii) the degree to which the disclosure of  
834 the records would embarrass, injure, or invade the privacy of the individual; (iii) the effect of the  
835 disclosure on the individual's future health care; (iv) the importance of the information to the lawsuit or  
836 proceeding; and (v) any other relevant factor.

837 7. Concurrent with the court or administrative agency's resolution of a motion to quash, if  
838 subpoenaed health records have been submitted by a health care entity to the court or administrative  
839 agency in a sealed envelope, the court or administrative agency shall: (i) upon determining that no  
840 submitted health records should be disclosed, return all submitted health records to the health care entity  
841 in a sealed envelope; (ii) upon determining that all submitted health records should be disclosed, provide  
842 all the submitted health records to the party on whose behalf the subpoena was issued; or (iii) upon  
843 determining that only a portion of the submitted health records should be disclosed, provide such portion  
844 to the party on whose behalf the subpoena was issued and return the remaining health records to the  
845 health care entity in a sealed envelope.

846 8. Following the court or administrative agency's resolution of a motion to quash, the party on whose  
847 behalf the subpoena duces tecum was issued shall have the duty to certify in writing to the subpoenaed  
848 health care entity a statement of one of the following:

849 a. All filed motions to quash have been resolved by the court or administrative agency and the  
850 disclosures sought in the subpoena duces tecum are consistent with such resolution; and, therefore, the  
851 health records previously delivered in a sealed envelope to the clerk of the court or administrative  
852 agency will not be returned to the health care entity;

853 b. All filed motions to quash have been resolved by the court or administrative agency and the  
854 disclosures sought in the subpoena duces tecum are consistent with such resolution and that, since no  
855 health records have previously been delivered to the court or administrative agency by the health care  
856 entity, the health care entity shall comply with the subpoena duces tecum by returning the health records

designated in the subpoena by the return date on the subpoena or five days after receipt of certification, whichever is later;

c. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are not consistent with such resolution; therefore, no health records shall be disclosed and all health records previously delivered in a sealed envelope to the clerk of the court or administrative agency will be returned to the health care entity;

d. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are not consistent with such resolution and that only limited disclosure has been authorized. The certification shall state that only the portion of the health records as set forth in the certification, consistent with the court or administrative agency's ruling, shall be disclosed. The certification shall also state that health records that were previously delivered to the court or administrative agency for which disclosure has been authorized will not be returned to the health care entity; however, all health records for which disclosure has not been authorized will be returned to the health care entity; or

e. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are not consistent with such resolution and, since no health records have previously been delivered to the court or administrative agency by the health care entity, the health care entity shall return only those health records specified in the certification, consistent with the court or administrative agency's ruling, by the return date on the subpoena or five days after receipt of the certification, whichever is later.

A copy of the court or administrative agency's ruling shall accompany any certification made pursuant to this subdivision.

9. The provisions of this subsection have no application to subpoenas for health records requested under § 8.01-413, or issued by a duly authorized administrative agency conducting an investigation, audit, review or proceedings regarding a health care entity's conduct.

The provisions of this subsection shall apply to subpoenas for the health records of both minors and adults.

Nothing in this subsection shall have any effect on the existing authority of a court or administrative agency to issue a protective order regarding health records, including, but not limited to, ordering the return of health records to a health care entity, after the period for filing a motion to quash has passed.

A subpoena for substance abuse records must conform to the requirements of federal law found in 42 C.F.R. Part 2, Subpart E.

I. Health care entities may testify about the health records of an individual in compliance with §§ 8.01-399 and 8.01-400.2.

J. If an individual requests a copy of his health record from a health care entity, the health care entity may impose a reasonable cost-based fee, which shall include only the cost of supplies for and labor of copying the requested information, postage when the individual requests that such information be mailed, and preparation of an explanation or summary of such information as agreed to by the individual. For the purposes of this section, "individual" shall subsume a person with authority to act on behalf of the individual who is the subject of the health record in making decisions related to his health care.

§ 37.2-803. Special justices to perform duties of judge.

The chief judge of each judicial circuit may appoint one or more special justices, for the purpose of performing the duties required of a judge by this chapter, Chapter 11 (§ 37.2-1100 et seq.), and §§ 16.1-69.28, 16.1-335 through 16.1-348, 19.2-169.6, 19.2-174.1, ~~19.2-177.1~~, 19.2-182.9, 53.1-40.1, 53.1-40.2, and 53.1-40.9. The special justice shall serve under the supervision and at the pleasure of the chief judge of the judicial circuit for a period of up to six years. The special justice may be reappointed and may serve additional periods of up to six years, at the pleasure of the chief judge. Within six months of appointment, each special justice appointed on or after January 1, 1996, shall complete a minimum training program prescribed by the Executive Secretary of the Supreme Court. Special justices shall collect the fees prescribed in this chapter for their service and shall retain those fees, unless the governing body of the county or city in which the services are performed provides for the payment of an annual salary for the services, in which case the fees shall be collected and paid into the treasury of that county or city.

§ 37.2-804. Fees and expenses.

A. Any special justice, retired judge sitting by designation pursuant to § 16.1-69.35, or any district court substitute judge who presides over hearings pursuant to the provisions of §§ 37.2-809 through 37.2-820 ~~or~~, Article 16 (§ 16.1-335 et seq.) of Chapter 11 of Title 16.1, *or* § 19.2-169.6 shall receive a fee of \$86.25 for each hearing thereunder plus his necessary mileage, parking, tolls, and postage, and

918 \$43.25 for each certification hearing and each order under Chapter 11 (§ 37.2-1100 et seq.) ruling on  
919 competency or treatment plus his necessary mileage, parking, tolls, and postage.

920 B. Any physician, psychologist or other mental health professional, or any interpreter, appointed  
921 pursuant to § 37.2-802 for persons who are deaf, who is not regularly employed by the Commonwealth  
922 and is required to serve as a witness or as an interpreter in any proceeding under this chapter *or*  
923 § 19.2-169.6 shall receive a fee of \$75 and his necessary expenses for each commitment hearing for  
924 involuntary admission in which he serves and \$43.25 and necessary expenses for each certification  
925 hearing in which he serves.

926 C. Other witnesses regularly summoned before a judge or special justice under the provisions of this  
927 chapter shall receive the compensation for their attendance and mileage that is allowed witnesses  
928 summoned to testify before grand juries.

929 D. Every attorney appointed under § 37.2-806 or §§ 37.2-809 through 37.2-820 shall receive a fee of  
930 \$75 and his necessary expenses for each hearing thereunder and \$43.25 and his necessary expenses for

932 E. Except as hereinafter provided, all expenses incurred, including the fees, attendance, and mileage  
933 aforesaid, shall be paid by the Commonwealth. When any such fees, costs, and expenses, incurred in  
934 connection with an examination or hearing for an admission pursuant to § 37.2-806 or §§ 37.2-809  
935 through 37.2-820, to carry out the provisions of this chapter or in connection with a proceeding under  
936 Chapter 11 (§ 37.2-1100 et seq.) *or* § 19.2-169.6, are paid by the Commonwealth, they shall be  
937 recoverable by the Commonwealth from the person who is the subject of the examination, hearing, or  
938 proceeding or from his estate. Collection or recovery may be undertaken by the Department. When the  
939 fees, costs, and expenses are collected or recovered by the Department, they shall be refunded to the  
940 Commonwealth. No fees or costs shall be recovered, however, from the person who is the subject of the  
941 examination or hearing or his estate when no good cause for his admission exists or when the recovery  
942 would create an undue financial hardship.

943 § 37.2-809. Involuntary temporary detention; issuance and execution of order.

944 A. For the purposes of this section:

945 "Designee of the local community services board" means an examiner designated by the local

959 upon his own motion and only after an evaluation conducted in-person or by means of a two-way  
960 electronic video and audio communication system as authorized in § 37.2-804.1 by an employee or a  
961 designee of the local community services board to determine whether the person meets the criteria for  
962 temporary detention, a temporary detention order if it appears from all evidence readily available,  
963 including any recommendation from a physician or clinical psychologist treating the person, that the  
964 person (i) has a mental illness and that there exists a substantial likelihood that, as a result of mental  
965 illness, the person will, in the near future, (a) cause serious physical harm to himself or others as  
966 evidenced by recent behavior causing, attempting, or threatening harm and other relevant information, if  
967 any, or (b) suffer serious harm due to his lack of capacity to protect himself from harm or to provide  
968 for his basic human needs, (ii) is in need of hospitalization or treatment, and (iii) is unwilling to  
969 volunteer or incapable of volunteering for hospitalization or treatment, except that a temporary detention  
970 order for a minor pursuant to § 16.1-340 shall only be issued if the minor meets the criteria for  
971 involuntary commitment set forth in § 16.1-345. The magistrate shall also consider the recommendations  
972 of any treating or examining physician licensed in Virginia if available either verbally or in writing prior  
973 to rendering a decision. Any temporary detention order entered pursuant to this section shall provide for  
974 the disclosure of medical records pursuant to § 37.2-804.2. This subsection shall not preclude any other  
975 disclosures as required or permitted by law.

976 C. When considering whether there is probable cause to issue a temporary detention order, the  
977 magistrate may, in addition to the petition, consider (i) the recommendations of any treating or  
978 examining physician or psychologist licensed in Virginia, if available, (ii) any past actions of the person,  
979 (iii) any past mental health treatment of the person, (iv) any relevant hearsay evidence, (v) any medical

records available, (vi) any affidavits submitted, if the witness is unavailable and it so states in the affidavit, and (vii) any other information available that the magistrate considers relevant to the determination of whether probable cause exists to issue a temporary detention order.

D. A magistrate may issue a temporary detention order without an emergency custody order proceeding. A magistrate may issue a temporary detention order without a prior evaluation pursuant to subsection B if (i) the person has been personally examined within the previous 72 hours by an employee or a designee of the local community services board or (ii) there is a significant physical, psychological, or medical risk to the person or to others associated with conducting such evaluation.

E. An employee or a designee of the local community services board shall determine the facility of temporary detention for all individuals detained pursuant to this section. The facility of temporary detention shall be one that has been approved pursuant to regulations of the Board. The facility shall be identified on the preadmission screening report and indicated on the temporary detention order. F. Any facility caring for a person placed with it pursuant to a temporary detention order is authorized to provide emergency medical and psychiatric services within its capabilities when the facility determines that the services are in the best interests of the person within its care. The costs incurred as a result of the hearings and by the facility in providing services during the period of temporary detention shall be paid and recovered pursuant to § 37.2-804. The maximum costs reimbursable by the Commonwealth pursuant to this section shall be established by the State Board of Medical Assistance Services based on reasonable criteria. The State Board of Medical Assistance Services shall, by regulation, establish a reasonable rate per day of inpatient care for temporary detention.

G. The employee or the designee of the local community services board who is conducting the evaluation pursuant to this section shall determine, prior to the issuance of the temporary detention order, the insurance status of the person. Where coverage by a third party payor exists, the facility seeking reimbursement under this section shall first seek reimbursement from the third party payor. The Commonwealth shall reimburse the facility only for the balance of costs remaining after the allowances covered by the third party payor have been received.

H. The duration of temporary detention shall be sufficient to allow for completion of the examination required by § 37.2-815, preparation of the preadmission screening report required by § 37.2-816, and initiation of mental health treatment to stabilize the person's psychiatric condition to avoid involuntary commitment where possible, but shall not exceed 48 hours prior to a hearing. If the 48-hour period herein specified terminates on a Saturday, Sunday, or legal holiday, the person may be detained, as herein provided, until the close of business on the next day that is not a Saturday, Sunday, or legal holiday. The person may be released, pursuant to § 37.2-813, before the 48-hour period herein specified has run.

I. If a temporary detention order is not executed within 24 hours of its issuance, or within a shorter period as is specified in the order, the order shall be void and shall be returned unexecuted to the office of the clerk of the issuing court or, if the office is not open, to any magistrate serving the jurisdiction of the issuing court. Subsequent orders may be issued upon the original petition within 96 hours after the petition is filed. However, a magistrate must again obtain the advice of an employee or a designee of the local community services board prior to issuing a subsequent order upon the original petition. Any petition for which no temporary detention order or other process in connection therewith is served on the subject of the petition within 96 hours after the petition is filed shall be void and shall be returned to the office of the clerk of the issuing court.

J. The chief judge of each general district court shall establish and require that a magistrate, as provided by this section, be available seven days a week, 24 hours a day, for the purpose of performing the duties established by this section. Each community services board shall provide to each general district court and magistrate's office within its service area a list of its employees and designees who are available to perform the evaluations required herein.

K. For purposes of this section a healthcare provider or designee of a local community services board or behavioral health authority shall not be required to encrypt any email containing information or medical records provided to a magistrate unless there is reason to believe that a third party will attempt to intercept the email.

L. The employee or designee of the community services board who is conducting the evaluation pursuant to this section shall, if he recommends that the person should not be subject to a temporary detention order, inform the petitioner and an on-site treating physician of his recommendation.

§ 37.2-811. Emergency treatment of inmates in the custody of local correctional facilities.

1042 person having custody of a ~~defendant~~ *inmate* in accordance with subdivision A 2 of § 19.2-169.6, the  
1043 magistrate executing the temporary detention order shall place the person in a hospital designated by the  
1044 Commissioner as appropriate for treatment and evaluation of persons under a criminal charge or, if such  
1045 facility is not available, the ~~defendant~~ *inmate* shall be detained in a ~~jail~~ *local correctional facility* or  
1046 other place of confinement for persons charged with criminal offenses and shall be transferred to such  
1047 hospital as soon as possible thereafter.

1049 the court having jurisdiction over the ~~defendant's~~ *inmate's* case or (ii) before a district court judge or  
1050 special justice in accordance with the provisions of § 37.2-820, in which case the ~~defendant~~ *inmate* shall  
1051 be represented by counsel as specified in § 37.2-814.

1052 2. That §§ 19.2-176 and 19.2-177.1 of the Code of Virginia are repealed.
