**Be it enacted by the General Assembly of Virginia:**

**1. That the Code of Virginia is amended by adding in Article 13 of Chapter 3 of Title 58.1 a section numbered 58.1-439.12:03 as follows:**

*§ 58.1-439.12:03. Telework expenses tax credit.*

*A. For purposes of this section:*

*"Eligible telework expenses" means expenses incurred during the taxable year pursuant to a telework agreement, in an amount up to \$1,200 for each participating employee, that enable a participating employee to begin to telework, which expenses are not otherwise the subject of a deduction from income claimed by the employer in any tax year. Such expenses include, but are not limited to, expenses paid or incurred to purchase computers, computer-related hardware and software, modems, data processing equipment, telecommunications equipment, high-speed Internet connectivity equipment, computer security software and devices, and all related delivery, installation, and maintenance fees. Such expenses do not include replacement costs for computers, computer-related hardware and software, modems, data processing equipment, telecommunications equipment, or computer security software and devices at the principal place of business when that equipment is relocated to the telework site.*

*"Employer" means any employer subject to the income tax imposed by this chapter.*

*"Participating employee" means an employee who has entered into a telework agreement with his employer on or after July 1, 2010. The term shall not include an individual who is self-employed or an individual who ordinarily spends a majority of the workday at a location other than the employer's principal place of business.*

*"Telework" means the performance of normal and regular work functions on a workday at a location different from the employer's principal place of business where they are normally performed. The term shall not include home-based businesses, extensions of the workday, or work performed on a weekend or holiday.*

*"Telework agreement" means an agreement signed by the employer and the participating employee, on or after July 1, 2010, that defines the terms of a telework arrangement, including the number of days per year the participating employee will telework, as provided in subsection B in order to qualify for the credit, and any restrictions on the location from which the employee will telework.*

*B. For taxable years beginning on or after January 1, 2011, an employer shall be allowed a credit against the taxes imposed pursuant to Articles 2 (§ 58.1-320 et seq.) and 10 (§ 58.1-400 et seq.) of this chapter for a percentage of eligible telework expenses incurred. The amount of the credit shall be equal to:*

*1. One hundred percent of the eligible telework expenses incurred pursuant to a telework agreement requiring the participating employee to telework at least 12 days per month if the employer's principal place of business is located in an area designated by the United States Environmental Protection Agency as a nonattainment area under the Clean Air Act, 42 U.S.C. § 7401 et seq.;*

*2. Seventy-five percent of the eligible telework expenses incurred pursuant to a telework agreement requiring the participating employee to telework at least 12 days per month if the employer's principal place of business is not located in an area designated by the United States Environmental Protection Agency as a nonattainment area under the Clean Air Act, 42 U.S.C. § 7401 et seq.; or*

*3. Twenty-five percent of the eligible telework expenses incurred pursuant to a telework agreement requiring the participating employee to telework at least five days per month.*

*Such expenses may be incurred (i) only once per employee and (ii) directly by the employer on behalf of the participating employee or directly by the participating employee and reimbursed by the employer.*

*C. For purposes of this section, the amount of any credit attributable to a partnership, electing small business corporation (S corporation), or limited liability company shall be allocated to the individual partners, shareholders, or members, respectively, in proportion to their ownership or interest in such business entities.*

INTRODUCED

HB745

59 *D. The amount of tax credits available to any employer under this section in any taxable year shall*  
60 *not exceed the employer's tax liability. No unused tax credit shall be carried forward or carried back*  
61 *against the employer's tax liability. An employer shall be ineligible for a tax credit pursuant to this*  
62 *section if such employer claims a credit under any other provisions of this chapter.*

63 *E. 1. An employer seeking to claim a tax credit provided herein shall submit a reservation*  
64 *application to the Tax Commissioner for tentative approval of the credit between September 1 and*  
65 *October 31 of the year preceding the taxable year for which the tax credit is to be earned. The Tax*  
66 *Commissioner shall establish policies and procedures for the reservation of tax credits by eligible*  
67 *employers. Such policies and procedures shall provide (i) requirements for applying for reservations of*  
68 *tax credits; (ii) a system for allocating the available amount of tax credits among eligible employers;*  
69 *and (iii) a procedure for the cancellation and reallocation of tax credit reservations allocated to eligible*  
70 *employers that, after reserving tax credits, have been determined to be ineligible for all or a portion of*  
71 *the tax credits reserved. Such application shall certify that the employer would not have incurred the*  
72 *eligible telework expenses for which the credit is sought but for the availability of such credit. The Tax*  
73 *Commissioner shall provide tentative approval of the applications no later than December 31 of the*  
74 *year in which the applications are received. When the application and amount of tax credits have been*  
75 *approved and the employer applicant notified, such employer may make purchases approved for the tax*  
76 *credits during the immediately following taxable year or lose the right to such credits.*

77 *2. In no event shall the aggregate amount of tax credits approved by the Tax Commissioner exceed*  
78 *\$1 million annually for credits earned. In the event the credit amounts on the applications filed with the*  
79 *Tax Commissioner exceed the maximum aggregate amount of tax credits, then the tax credits shall be*  
80 *allocated on a pro rata basis based among the eligible employers who filed timely applications.*

81 *F. Actions of the Tax Commissioner relating to the approval or denial of applications for*  
82 *reservations of tax credits pursuant to this section shall be exempt from the provisions of the*  
83 *Administrative Process Act (§ 2.2-4000 et seq.).*
