HOUSE BILL NO. 782**AMENDMENT IN THE NATURE OF A SUBSTITUTE**

(Proposed by the House Committee on General Laws
on February 11, 2010)

(Patron Prior to Substitute—Delegate LeMunyon)

A BILL to amend and reenact § 2.2-1156 of the Code of Virginia and to amend the Code of Virginia by adding a section numbered 2.2-1156.1, relating to the Department of General Services; surplus real property; inventory state-owned land.

Be it enacted by the General Assembly of Virginia:

1. That § 2.2-1156 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding a section numbered 2.2-1156.1 as follows:

§ 2.2-1156. Sale or lease of surplus property and excess building space.

The Department shall identify real property assets that are surplus to the current and reasonably anticipated future needs of the Commonwealth and may dispose of surplus assets as provided in this section, except when a department, agency or institution notifies the Department of a need for property which has been declared surplus, and the Department finds that stated need to be valid and best satisfied by the use of the property.

A. After it determines the property to be surplus to the needs of the Commonwealth and that such property should be sold, the Department shall request the written opinion of the Secretary of Natural Resources as to whether the property is a significant component of the Commonwealth's natural or historic resources, and if so how those resources should be protected in the sale of the property. The Secretary of Natural Resources shall provide this review within 15 business days of receipt of full information from the Department. Within 120 days of receipt of the Secretary's review, the Department shall, with the prior written approval of the Governor, proceed to sell the property.

B. The sale shall be by public auction, or sealed bids, or by marketing through one or more real estate brokers licensed by the Commonwealth. Notice of the date, time and place of sale, if by public auction or sealed bids shall be given by advertisement in at least two newspapers published and having general circulation in the Commonwealth, at least one of which shall have general circulation in the county or city in which the property to be sold is located. At least thirty days shall elapse between publication of the notice and the auction or the date on which sealed bids will be opened.

C. In instances where the appraised value of property proposed to be sold is determined to be a nominal amount or an amount insufficient to warrant statewide advertisement, but in no event in excess of \$250,000, the notice of sale may be placed in only one newspaper having general circulation in the county or city in which the property to be sold is located.

D. The Department may reject any and all bids or offers when, in the opinion of the Department, the price is inadequate in relation to the value of the property, the proposed terms are unacceptable, or if a need has been found for the property.

E. In lieu of the sale of any such property, or in the event the Department determines there is space within a building owned by the Commonwealth or any space leased by the Commonwealth in excess of current and reasonably anticipated needs, the Department may, with the approval of the Governor, lease or sublease such property or space to any responsible person, firm or corporation on such terms as shall be approved by the Governor; provided, however the authority herein to sublease space leased by the Commonwealth shall be subject to the terms of the original lease. The provisions of this section requiring disposition of property through the medium of sealed bids, public auction, or marketing through licensed real estate brokers shall not apply to any lease thereof, although such procedures may be followed in the discretion of the Department.

F. The deed, lease, or sublease conveying the property or excess space shall be executed in the name of the Commonwealth and shall be in a form approved by the Attorney General. Notwithstanding any law to the contrary and notwithstanding how title to the property was acquired, the deed or lease may be executed on behalf of the Commonwealth by the Director of the Department or his designee, and such action shall not create a cloud on the title to the property. The terms of the sale, lease, or sublease shall be subject to the written approval of the Governor.

G. An exception to sale by sealed bids, public auction, or listing the property with a licensed real estate broker may be granted by the Governor if the property is landlocked and inaccessible from a public road or highway. In such cases, the Department shall notify all adjacent landowners of the Commonwealth's desire to dispose of the property. After the notice has been given, the Department may begin negotiations for the sale of the property with each interested adjacent landowner. The Department, with the approval of the Governor, may accept any offer which it deems to be fair and adequate consideration for the property. In all cases, the offer shall be the best offer made by any adjacent

60 landowner. The terms of all negotiations shall be public information.

61 H. Fifty percent of the proceeds from all sales or leases, or from the conveyance of any interest in
62 property under the provisions of this article, above the costs of the transaction, which costs shall include
63 fees or commissions, if any, negotiated with and paid to auctioneers or real estate brokers, shall be paid,
64 subject to any contrary provisions of law, into the ~~Conservation Resources~~ *State Park Acquisition and*
65 *Development* Fund, so long as the sales or leases pertain to general fund agencies or the property
66 involved was originally acquired through the general fund, except as provided in Chapter 180 of the
67 Acts of Assembly of 1966, *and except that any such amount in any fiscal year in excess of \$1 million*
68 *shall be paid into the Transportation Trust Fund.* The remaining 50 percent of proceeds involving
69 general fund sales or leases, less a pro rata share of any costs of the transactions, shall be deposited in
70 the general fund of the state treasury. The Department of Planning and Budget shall develop guidelines
71 which allow, with the approval of the Governor, any portion of the deposit in the general fund to be
72 credited to the agency, department or institution having control of the property at the time it was
73 determined surplus to the Commonwealth's needs. Any amounts so credited to an agency, department or
74 institution may be used, upon appropriation, to supplement maintenance reserve funds or capital project
75 appropriations, or for the acquisition, construction or improvement of real property or facilities. Net
76 proceeds from sales or leases of special fund agency properties or property acquired through a gift for a
77 specific purpose shall be retained by the agency or used in accordance with the original terms of the
78 gift. Notwithstanding the foregoing, income from leases or subleases above the cost of the transaction
79 shall first be applied to rent under the original lease and to the cost of maintenance and operation of the
80 property. The remaining funds shall be distributed as provided herein.

81 I. When the Department deems it to be in the best interests of the Commonwealth, it may, with the
82 approval of the Governor, authorize the department, institution or agency in possession or control of the
83 property to dispose of surplus property in accordance with the procedures set forth in this section.

84 § 2.2-1156.1. *Inventory of state-owned property.*

85 *The Department shall inventory all real property owned by the Commonwealth by October 30, 2010,*
86 *and update the inventory at least annually thereafter.*

87 *The Department shall submit an annual report by November 30 of each year to the Governor and*
88 *the General Assembly containing the full inventory of real property owned by the Commonwealth and*
89 *recommendations regarding property that may be disposed of as surplus property pursuant to*
90 *§ 2.2-1156.*
