

10102522D

HOUSE BILL NO. 882

House Amendments in [] - February 11, 2010

A BILL to amend and reenact § 15.2-2316.2 of the Code of Virginia, relating to transfer of development rights.

Patron Prior to Engrossment—Delegate Athey

Referred to Committee on Counties, Cities and Towns

Be it enacted by the General Assembly of Virginia:**1. That § 15.2-2316.2 of the Code of Virginia is amended and reenacted as follows:**

§ 15.2-2316.2. Localities may provide for transfer of development rights.

A. Pursuant to the provisions of this article, the governing body of any locality by ordinance may, in order to conserve and promote the public health, safety, and general welfare, establish procedures, methods, and standards for the transfer of development rights within its jurisdiction. Any locality adopting or amending any such transfer of development rights ordinance shall give notice and hold a public hearing in accordance with § 15.2-2204 prior to approval by the governing body.

B. In order to implement the provisions of this act, a locality shall adopt an ordinance that shall provide for:

1. The issuance and recordation of the instruments necessary to sever development rights from the sending property, to convey development rights to one or more parties, or to affix development rights to one or more receiving properties. These instruments shall be executed by the property owners of the development rights being transferred, and any lien holders of such property owners. The instruments shall identify the development rights being severed, and the sending properties or the receiving properties, as applicable;

2. Assurance that the prohibitions against the use and development of the sending property shall bind the landowner and every successor in interest to the landowner;

3. The severance of transferable development rights from the sending property;

4. The purchase, sale, exchange, or other conveyance of transferable development rights, after severance, and prior to the rights being affixed to a receiving property;

5. A system for monitoring the severance, ownership, assignment, and transfer of transferable development rights;

6. A map or other description of areas designated as sending and receiving areas for the transfer of development rights between properties;

7. The identification of parcels, if any, within a receiving area that are inappropriate as receiving properties;

8. The permitted uses and the maximum increases in density in the receiving area;

9. The minimum acreage of a sending property and the minimum reduction in density of the sending property that may be conveyed in severance or transfer of development rights;

10. ~~[The development rights severed from the sending areas to be equal to the development rights permitted to be attached in the receiving areas and attached to the receiving areas shall be transferred at a rate of one dwelling unit per density right or greater. The development rights permitted to be attached in the receiving areas shall be equal to or greater than the development rights permitted to be severed from the sending areas] ;~~

11. An assessment of the infrastructure in the receiving area that identifies the ability of the area to accept increases in density and its plans to provide necessary utility services within any designated receiving area; and

12. The application to be deemed approved upon the determination of compliance with the ordinance by the agent of the planning commission, or other agent designated by the locality.

C. In order to implement the provisions of this act, a locality may provide in its ordinance for:

1. The purchase of all or part of such development rights, which shall retire the development rights so purchased;

2. The severance of development rights from existing zoned or subdivided properties as otherwise provided in subsection E;

3. The owner of such development rights to make application to the locality for a real estate tax abatement for a period up to 25 years, to compensate the owner of such development rights for the fair market value of all or part of the development rights, which shall retire the number of development rights equal to the amount of the tax abatement, and such abatement is transferable with the property;

4. The owner of a property to request designation by the locality of the owner's property as a

ENGROSSED

HB882E

59 "sending property" or a "receiving property";

60 5. The allowance for residential density to be converted to bonus density on the receiving property
61 by (i) an increase in the residential density on the receiving property or (ii) an increase in the square
62 feet of commercial, industrial, or other uses on the receiving property, which upon conversion shall
63 retire the development rights so converted;

64 6. The receiving areas to include such urban development areas in the locality established pursuant to
65 § 15.2-2223.1;

66 7. The sending properties, subsequent to severance of development rights, to generate one or more
67 forms of renewable energy, as defined in § 56-576, subject to the provisions of the local zoning
68 ordinance;

69 8. The sending properties, subsequent to severance of development rights, to produce agricultural
70 products or forestal products, as defined in § 15.2-4302;

71 9. The review of an application by the planning commission to determine whether the application
72 complies with the provisions of the ordinance;

73 10. Such other provisions as the locality deems necessary to aid in the implementation of the
74 provisions of this act; and

75 11. Approval of an application upon the determination of compliance with the ordinance by the agent
76 of the planning commission.

77 D. The locality may, by ordinance, designate receiving areas or receiving properties, or add to,
78 supplement, or amend its designations of receiving areas or receiving properties, so long as the
79 development rights permitted to be attached in the receiving areas are equal to the development rights
80 permitted to be severed in the sending areas.

81 E. Any proposed severance or transfer of development rights shall only be initiated upon application
82 by the property owners of the sending properties, development rights, or receiving properties as
83 otherwise provided herein.

84 F. A locality may not require property owners to sever or transfer development rights as a condition
85 of the development of any property.

86 G. The owner of a property may sever development rights from the sending property, pursuant to the
87 provisions of this act. An application to transfer development rights to one or more receiving properties,
88 for the purpose of affixing such rights thereto, shall only be initiated upon application by the owner of
89 such development rights and the owners of the receiving properties.

90 H. Development rights severed pursuant to this article shall be interests in real property and shall be
91 considered as such for purposes of conveyance and taxation. Once a deed for transferable development
92 rights, created pursuant to this act, has been recorded in the land records of the office of the circuit
93 court clerk for the locality to reflect the transferable development rights sold, conveyed, or otherwise
94 transferred by the owner of the sending property, the development rights shall vest in the grantee and
95 may be transferred by such grantee to a successor in interest. Nothing herein shall be construed to
96 prevent the owner of the sending property from recording a deed covenant against the sending property
97 severing the development rights on said property, with the owner of the sending property retaining
98 ownership of the severed development rights. Any transfer of the development rights to a property in a
99 receiving area shall be in accordance with the provisions of the ordinance adopted pursuant to this
100 article.

101 I. For the purposes of ad valorem real property taxation, the value of a transferable development
102 right shall be deemed appurtenant to the sending property until the transferable development right is
103 severed from and recorded as a distinct interest in real property, or the transferable development right is
104 used at a receiving property and becomes appurtenant thereto. Once a transferable development right is
105 severed from the sending property, the assessment of the fee interest in the sending property shall reflect
106 any change in the fair market value that results from the inability of the owner of the fee interest to use
107 such property for such uses terminated by the severance of the transferable development right. Upon
108 severance from the sending property and recordation as a distinct interest in real property, the
109 transferable development right shall be assessed at its fair market value on a separate real estate tax bill
110 sent to the owner of said development right as taxable real estate in accordance with Article 1
111 (§ 58.1-3200 et seq.) of Chapter 32 of Title 58.1. The development right shall be taxed as taxable real
112 estate by the local jurisdiction where the sending property is located, until such time as the development
113 right becomes attached to a receiving property, at which time it shall be taxed as taxable real estate by
114 the local jurisdiction where the receiving property is located.

115 J. The owner of a sending property from which development rights are severed shall provide a copy
116 of the instrument, showing the deed book and page number, or instrument or GPIN, to the real estate
117 tax assessor for the locality.

118 K. Localities, from time to time as the locality designates sending and receiving areas, shall
119 incorporate the map identified in subdivision B 6 into the comprehensive plan.

120 L. No amendment to the zoning map, nor any amendments to the text of the zoning ordinance with

121 respect to the zoning district applicable thereto initiated by the governing body, which eliminate, or
122 materially restrict, reduce, or downzone the uses, or the density of uses permitted in the zoning district
123 applicable to any property to which development rights have been transferred, shall be effective with
124 respect to such property unless there has been mistake, fraud, or a material change in circumstances
125 substantially affecting the public health, safety, or welfare.

126 M. A county adopting an ordinance pursuant to this article may designate eligible receiving areas in
127 any incorporated town within such county, if the governing body of the town has also amended its
128 zoning ordinance to designate the same areas as eligible to receive density being transferred from
129 sending areas in the county. The development right shall be taxed as taxable real estate by the local
130 jurisdiction where the sending property is located, until such time as the development right becomes
131 attached to a receiving property, at which time it shall be taxed as taxable real estate by the local
132 jurisdiction where the receiving property is located.

133 N. Any county and an adjacent city may enter voluntarily into an agreement to permit the county to
134 designate eligible receiving areas in the city if the governing body of the city has also amended its
135 zoning ordinance to designate the same areas as eligible to receive density being transferred from
136 sending areas in the county. The city council shall designate areas it deems suitable as receiving areas
137 and shall designate the maximum increases in density in each such receiving area. However, if any such
138 agreement contains any provision addressing any issue provided for in Chapter 32 (§ 15.2-3200 et seq.),
139 33 (§ 15.2-3300 et seq.), 36 (§ 15.2-3600 et seq.), 38 (§ 15.2-3800 et seq.), 39 (§ 15.2-3900 et seq.), or
140 41 (§ 15.2-4100 et seq.), the agreement shall be subject to the review and implementation process
141 established by Chapter 34 (§ 15.2-3400 et seq.). The development right shall be taxed as taxable real
142 estate by the local jurisdiction where the sending property is located, until such time as the development
143 right becomes attached to a receiving property, at which time it shall be taxed as taxable real estate by
144 the local jurisdiction where the receiving property is located.

145 1. The terms and conditions of the density transfer agreement as provided in this subsection shall be
146 determined by the affected localities and shall be approved by the governing body of each locality
147 participating in the agreement, provided the governing body of each such locality first holds a public
148 hearing, which shall be advertised once a week for two successive weeks in a newspaper of general
149 circulation in the locality.

150 2. The governing bodies shall petition a circuit court having jurisdiction in one or more of the
151 localities for an order affirming the proposed agreement. The circuit court shall be limited in its decision
152 to either affirming or denying the agreement and shall have no authority, without the express approval
153 of each local governing body, to amend or change the terms or conditions of the agreement, but shall
154 have the authority to validate the agreement and give it full force and effect. The circuit court shall
155 affirm the agreement unless the court finds either that the agreement is contrary to the best interests of
156 the Commonwealth or that it is not in the best interests of each of the parties thereto.

157 3. The agreement shall not become binding on the localities until affirmed by the court under this
158 subsection. Once approved by the circuit court, the agreement shall also bind future local governing
159 bodies of the localities.
