The State Board shall implement a system that enables eligible persons to request and receive an absentee ballot application ~~electronically through the Internet~~ *and to submit a completed absentee ballot application by electronic mail or such other electronic means as may be permitted by the State Board*. Electronic absentee ballot applications shall be in a form approved by the State Board *and signed by the voter in a manner consistent with the Uniform Electronic Transactions Act (§ 59.1-479 et seq.). Such a system shall be used for all applications for absentee ballots permitted under this chapter except those cases where a voter is required to apply for an absentee ballot or vote absentee in person.*

Except as provided in § 24.2-703, a separate application shall be completed for each election in which the applicant offers to vote. An application for an absentee ballot may be accepted the later of (i) 12 months before an election, or (ii) the day following any election held in the twelfth month prior to the election in which the applicant is applying to vote.

Any application received before the ballots are printed shall be held and processed as soon as the printed ballots for the election are available.

For the purposes of this chapter, the general registrar's office shall be open a minimum of eight hours between the hours of 8:00 a.m. and 5:00 p.m. on the first and second Saturday immediately preceding all general elections, except May general elections held in towns, and on the Saturday immediately preceding any primary election, May general election held in a town, or special election.

If the applicant is unable to sign the application, a person assisting the applicant will note this fact on the applicant signature line and provide his signature, name, and address.

B. Applications for absentee ballots shall be completed in the following manner:
