The Tax Commissioner is authorized to promulgate regulations requiring vendors of or sellers to such persons to collect the tax imposed by this chapter on the cost price of such tangible personal property to such persons and may refuse to issue certificates of registration to such persons.

The term "transient" shall not include a purchaser of camping memberships, time-shares, condominiums, or other similar contracts or interests that permit the use of, or constitute an interest in, real estate, however created or sold and whether registered with the Commonwealth or not. Further, a purchaser of a right or license which entitles the purchaser to use the amenities and facilities of a specific real estate project on an ongoing basis throughout its term shall not be deemed a transient; provided, however, that the term or time period involved is for seven years or more.

The terms "retail sale" and "sale at retail" shall not include a transfer of title to tangible personal property after its use as tools, tooling, machinery or equipment, including dies, molds, and patterns, if (i) at the time of purchase, the purchaser is obligated, under the terms of a written contract, to make the transfer and (ii) the transfer is made for the same or a greater consideration to the person for whom the purchaser manufactures goods.

"Sales price" means the total amount for which tangible personal property or services are sold, including any services that are a part of the sale, valued in money, whether paid in money or otherwise, and includes any amount for which credit is given to the purchaser, consumer, or lessee by the dealer, without any deduction therefrom on account of the cost of the property sold, the cost of materials used, labor or service costs, losses or any other expenses whatsoever. Where used articles are taken in trade, or in a series of trades as a credit or part payment on the sale of new or used articles, the tax levied by this chapter shall be paid on the net difference between the sales price of the new or used articles and the credit for the used articles.

"Sales price" applies to the measure subject to sales tax and means the total amount of consideration, including cash, credit, property, and services, for which personal property or services are sold, leased or rented, valued in money, whether received in money or otherwise, without any deduction for the following:

441 mandatory gratuity or service charge does not exceed 20 percent of the price of the meal; and
- 442 7. Credit for any trade-in, as determined by state law.
- 443 "Sales price" shall include consideration received by the seller from third parties if:
- 444 1. The seller actually receives consideration from a party other than the purchaser and the  
445 consideration is directly related to a price reduction or discount on the sale;
- 446 2. The seller has an obligation to pass the price reduction or discount through to the purchaser;

Such tax shall be based on such proportion of the ~~cost~~ purchase price or current market value as the duration of time of use within ~~this~~ the Commonwealth bears to the total useful life of such property (but it shall be presumed in all cases that such property will remain within ~~this~~ the Commonwealth for the remainder of its useful life unless convincing evidence is provided to the contrary).

2. Of the ~~cost~~ purchase price of each item or article of tangible personal property stored outside ~~this~~ the Commonwealth for use or consumption in ~~this~~ the Commonwealth.

§ 58.1-605. To what extent and under what conditions cities and counties may levy local sales taxes; collection thereof by Commonwealth and return of revenue to each city or county entitled thereto.

A. No county, city or town shall impose any local general sales or use tax or any local general retail sales or use tax except as authorized by this section.

B. The council of any city and the governing body of any county may levy a general retail sales tax at the rate of one percent to provide revenue for the general fund of such city or county. Such tax shall be added to the rate of the state sales tax imposed by §§ 58.1-603 and 58.1-604 and shall be subject to all the provisions of this chapter and the rules and regulations published with respect thereto. No discount under § 58.1-622 shall be allowed on a local sales tax.

C. The council of any city and the governing body of any county desiring to impose a local sales tax under this section may do so by the adoption of an ordinance stating its purpose and referring to this section, and providing that such ordinance shall be effective on the first day of a ~~month~~ at least 60 days after its adoption calendar quarter after a minimum of at least 60 days' notice to sellers. A certified copy of such ordinance shall be forwarded to the Tax Commissioner so that it will be received within five days after its adoption.

D. Any local sales tax levied under this section shall be administered and collected by the Tax

Commissioner in the same manner and subject to the same penalties as provided for the state sales tax.

*E. Any changes in the local sales tax boundaries shall be effective only on the first day of a calendar quarter after a minimum of at least 60 days' notice to sellers.*

*F. All local sales tax moneys collected by the Tax Commissioner under this section shall be paid into the state treasury to the credit of a special fund which is hereby created on the Comptroller's books under the name "Collections of Local Sales Taxes." Such local sales tax moneys shall be credited to the account of each particular city or county levying a local sales tax under this section. The basis of such credit shall be the city or county in which the sales were made as shown by the records of the Department and certified by it monthly to the Comptroller, namely, the city or county of location of each place of business of every dealer paying the tax to the Commonwealth without regard to the city or county of possible use by the purchasers. If a dealer has any place of business located in more than one political subdivision by reason of the boundary line or lines passing through such place of business, the amount of sales tax paid by such a dealer with respect to such place of business shall be treated for the purposes of this section as follows: one-half shall be assignable to each political subdivision where two are involved, one-third where three are involved, and one-fourth where four are involved.*

*FG. As soon as practicable after the local sales tax moneys have been paid into the state treasury in any month for the preceding month, the Comptroller shall draw his warrant on the Treasurer of Virginia in the proper amount in favor of each city or county entitled to the monthly return of its local sales tax moneys, and such payments shall be charged to the account of each such city or county under the special fund created by this section. If errors are made in any such payment, or adjustments are otherwise necessary, whether attributable to refunds to taxpayers, or to some other fact, the errors shall be corrected and adjustments made in the payments for the next six months as follows: one-sixth of the total adjustment shall be included in the payments for the next six months. In addition, the payment shall include a refund of amounts erroneously not paid to the city or county and not previously refunded during the three years preceding the discovery of the error. A correction and adjustment in payments described in this subsection due to the misallocation of funds by the dealer shall be made within three years of the date of the payment error.*

*GH. Such payments to counties are subject to the qualification that in any county wherein is situated any incorporated town constituting a special school district and operated as a separate school district under a town school board of three members appointed by the town council, the county treasurer shall pay into the town treasury for general governmental purposes the proper proportionate amount received by him in the ratio that the school age population of such town bears to the school age population of the entire county. If the school age population of any town constituting a separate school district is increased by the annexation of territory since the last preceding school age population census, such increase shall, for the purposes of this section, be added to the school age population of such town as shown by the last such census and a proper reduction made in the school age population of the county or counties from which the annexed territory was acquired.*

*HI. One-half of such payments to counties are subject to the further qualification, other than as set out in subsection G above H, that in any county wherein is situated any incorporated town not constituting a separate special school district which has complied with its charter provisions providing for the election of its council and mayor for a period of at least four years immediately prior to the adoption of the sales tax ordinance, the county treasurer shall pay into the town treasury of each such town for general governmental purposes the proper proportionate amount received by him in the ratio that the school age population of each such town bears to the school age population of the entire county, based on the latest statewide school census. The preceding requirement pertaining to the time interval between compliance with election provisions and adoption of the sales tax ordinance shall not apply to a tier-city. If the school age population of any such town not constituting a separate special school district is increased by the annexation of territory or otherwise since the last preceding school age population census, such increase shall, for the purposes of this section, be added to the school age population of such town as shown by the last such census and a proper reduction made in the school age population of the county or counties from which the annexed territory was acquired.*

*IJ. Notwithstanding the provisions of subsection H I, the board of supervisors of a county may, in its discretion, appropriate funds to any incorporated town not constituting a separate school district within such county which has not complied with the provisions of its charter relating to the elections of its council and mayor, an amount not to exceed the amount it would have received from the tax imposed by this chapter if such election had been held.*

*JK. It is further provided that if any incorporated town which would otherwise be eligible to receive funds from the county treasurer under subsection G H or H of this section I be located in a county which does not levy a general retail sales tax under the provisions of this law, such town may levy a general retail sales tax at the rate of one percent to provide revenue for the general fund of the town, subject to all the provisions of this section generally applicable to cities and counties. Any tax levied under the authority of this subsection shall in no case continue to be levied on or after the effective date*

of a county ordinance imposing a general retail sales tax in the county within which such town is located.

§ 58.1-606. To what extent and under what conditions cities and counties may levy local use tax; collection thereof by Commonwealth and return of revenues to the cities and counties.

A. The council of any city and the governing body of any county which has levied or may hereafter levy a city or county sales tax under § 58.1-605 may levy a city or county use tax at the rate of one percent to provide revenue for the general fund of such city or county. Such tax shall be added to the rate of the state use tax imposed by this chapter and shall be subject to all the provisions of this chapter, and all amendments thereof, and the rules and regulations published with respect thereto, except that no discount under § 58.1-622 shall be allowed on a local use tax.

B. The council of any city and the governing body of any county desiring to impose a local use tax under this section may do so in the manner following:

1. If the city or county has previously imposed the local sales tax authorized by § 58.1-605, the local use tax may be imposed by the council or governing body by the adoption of a resolution by a majority of all the members thereof, by a recorded ye and nay vote, stating its purpose and referring to this section, and providing that the local use tax shall become effective on the first day of a ~~month~~ *calendar quarter after a minimum of at least 60 days' notice* ~~at least 60 days after the adoption of the resolution~~ to sellers. A certified copy of such resolution shall be forwarded to the Tax Commissioner so that it will be received within five days after its adoption. The resolution authorized by this paragraph may be adopted in the manner stated notwithstanding any other provision of law, including any charter provision.

2. If the city or county has not imposed the local sales tax authorized by § 58.1-605, the local use tax may be imposed by ordinance together with the local sales tax in the manner set out in subsections B and C of § 58.1-605.

C. Any local use tax levied under this section shall be administered and collected by the Tax Commissioner in the same manner and subject to the same penalties as provided for the state use tax.

D. The local use tax authorized by this section shall not apply to transactions to which the sales tax applies, the situs of which for state and local sales tax purposes is the city or county of location of each place of business of every dealer paying the tax to the Commonwealth without regard to the city or county of possible use by the purchasers. However, the local use tax authorized by this section shall apply to tangible personal property purchased without ~~this the~~ the Commonwealth for use or consumption within the city or county imposing the local use tax, or stored within the city or county for use or consumption, where the property would have been subject to the sales tax if it had been purchased within ~~this the~~ the Commonwealth. The local use tax shall also apply to leases or rentals of tangible personal property where the place of business of the lessor is without ~~this the~~ the Commonwealth and such leases or rentals are subject to the state tax. Moreover, the local use tax shall apply in all cases in which the state use tax applies.

E. Out-of-state dealers who hold certificates of registration to collect the use tax from their customers for remittance to ~~this the~~ the Commonwealth shall, to the extent reasonably practicable, in filing their monthly use tax returns with the Tax Commissioner, break down their shipments into ~~this the~~ the Commonwealth by cities and counties so as to show the city or county of destination. If, however, the out-of-state dealer is unable accurately to assign any shipment to a particular city or county, the local use tax on the tangible personal property involved shall be remitted to the Commonwealth by such dealer without attempting to assign the shipment to any city or county.

F. Local use tax revenue shall be distributed among the cities and counties for which it is collected, respectively, as shown by the records of the Department, and the procedure shall be the same as that prescribed for distribution of local sales tax revenue under § 58.1-605. The local use tax revenue that is not accurately assignable to a particular city or county shall be distributed monthly by the appropriate state authorities among the cities and counties in ~~this the~~ the Commonwealth imposing the local use tax upon the basis of taxable retail sales in the respective cities and counties in which the local sales and use tax was in effect in the taxable month involved, as shown by the records of the Department, and computed with respect to taxable retail sales as reflected by the amounts of the local sales tax revenue distributed among such cities and counties, respectively, in the month of distribution. Notwithstanding any other provision of this section, the Tax Commissioner shall develop a uniform method to distribute local use tax. Any significant changes to the method of local use tax distribution shall be phased in over a five-year period. Distribution information shall be shared with the affected localities prior to implementation of the changes.

§ 58.1-606.1. *Situs of local sales and use tax.*

*For purposes of determining the situs of the transaction subject to taxation under §§ 58.1-605 and*

797 58.1-606:

798 1. For retail sales, excluding leases or rentals, in which the order is received in the Commonwealth  
799 by the seller, where receipt of the product by the purchaser (or the purchaser's donee, designated as  
800 such by the purchaser) occurs in the Commonwealth:

801 a. The sale is sourced to the city or county in which the dealer's business is located. If a dealer has  
802 any place of business located in more than one political subdivision by reason of the boundary line or  
803 lines passing through such place of business, the amount of sales tax paid by such a dealer with respect  
804 to such place of business shall be treated for the purposes of this section as follows: one-half shall be  
805 assignable to each political subdivision where two are involved, one-third where three are involved, and  
806 one-fourth where four are involved.

807 b. When the product is delivered to the purchaser at a location within the Commonwealth, other than  
808 the business location of the dealer, the sale is sourced to the city or county in which the dealer's  
809 business is located, without regard to the city or county of possible use by the purchaser.

810 c. The sourcing provisions set forth in subdivision 1 shall only apply to those retail sale transactions  
811 in which, at the time the order is received, the recordkeeping system of the seller used to calculate the  
812 proper amount of sales or use tax to be imposed captures the location where the order is received. For  
813 all other retail sale transactions, the sale shall be sourced according to the provisions set forth in  
814 subdivision 2.

815 The Commonwealth may not require a seller to utilize a recordkeeping system which captures the  
816 location where an order is received to calculate the proper amount of sales or use tax to be imposed.

817 2. For sales in which the order is received from a business location outside of the Commonwealth:

818 a. When the product is not received by the purchaser at a business location of the dealer, the sale is  
819 sourced to the location where receipt by the purchaser (or the purchaser's donee, designated as such by  
820 the purchaser) occurs, including the location indicated by instructions for delivery to the purchaser (or  
821 donee) known to the dealer.

822 b. When subdivision 2 a does not apply, the sale is sourced to the location indicated by an address  
823 for the purchaser that is available from the business records of the dealer that are maintained in the  
824 ordinary course of the dealer's business when use of this address does not constitute bad faith.

825 c. When neither subdivision 2 a nor 2 b apply, the sale is sourced to the location indicated by an  
826 address for the purchaser obtained during the consummation of the sale, including the address of a  
827 purchaser's payment instrument, if no other address is available, when use of this address does not  
828 constitute bad faith.

829 d. When neither subdivisions 2 a, b, or c apply, including the circumstance in which the seller is  
830 without sufficient information to apply the previous rules, then the location will be determined by the  
831 address from which tangible personal property was shipped, from which the digital good or the  
832 computer software delivered electronically was first available for transmission by the seller, or from  
833 which the service was provided (disregarding for these purposes any location that merely provides the  
834 digital transfer of the products sold).

835 e. When a purchaser remits sales and use tax pursuant to a direct payment permit, as authorized in  
836 § 58.1-624, such tax shall be allocated to the location where receipt of the product by the purchaser  
837 occurs or the product is first used as determined by the laws of the Commonwealth.

838 3. For purposes of determining the situs of the transaction subject to taxation under §§ 58.1-605 and  
839 58.1-606, "place of business" shall include, but not be limited to, a store, a sales or other office, or any  
840 warehouse.

841 4. The lease or rental of tangible personal property, other than property identified in subsection E,  
842 shall be sourced as follows:

843 a. For a lease or rental that requires recurring periodic payments, the first periodic payment is  
844 sourced the same as a retail sale in accordance with the provisions of subdivision 2. Periodic payments  
845 made subsequent to the first payment are sourced to the primary property location for each period  
846 covered by the payment. The primary property location shall be as indicated by an address for the  
847 property provided by the lessee that is available to the lessor from its records maintained in the  
848 ordinary course of business, when use of this address does not constitute bad faith. The property  
849 location shall not be altered by intermittent use at different locations, such as use of business property  
850 that accompanies employees on business trips and service calls.

851 b. For a lease or rental that does not require recurring periodic payments, the payment is sourced  
852 the same as a retail sale in accordance with the provisions of subdivision 2.

853 c. This subsection does not affect the imposition or computation of sales or use tax on leases or  
854 rentals based on a lump sum or accelerated basis, or on the acquisition of property for lease.

855 5. The lease or rental of motor vehicles, trailers, semi-trailers, or aircraft that do not qualify as  
856 transportation equipment shall be sourced as follows:

857 a. For a lease or rental that requires recurring periodic payments, each periodic payment is sourced  
858 to the primary property location. The primary property location shall be as indicated by an address for

the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. This location shall not be altered by intermittent use at different locations.

b. For a lease or rental that does not require recurring periodic payments, the payment shall be sourced the same as a retail sale in accordance with the provisions of subdivision 2.

c. This subsection does not affect the imposition or computation of sales or use tax on leases or rentals based on a lump sum or accelerated basis, or on the acquisition of property for lease.

6. The retail sale, including lease or rental, of transportation equipment shall be sourced the same as a retail sale in accordance with the provisions of subdivision 2.

7. For purposes of determining the situs of a transaction, the term "receive" or "receipt" shall mean:

a. Taking possession of tangible personal property;

b. Making first use of services; or

c. Taking possession or making first use of digital goods, whichever comes first.

The terms "receive" or "receipt" shall not include possession by a shipping company on behalf of the purchaser.

§ 58.1-606.2. Locality database required.

A. For purposes of determining the correct local jurisdiction when applying the situs requirements set forth in subdivision 2 of § 58.1-606.1, the Department shall develop and make available to all dealers a database that assigns each five- and nine-digit zip code within the Commonwealth to the proper local jurisdiction.

B. Any dealer, CSP, or purchaser that can demonstrate to the satisfaction of the Tax Commissioner that the proper amount of tax was not charged or collected due solely to the reliance on incorrect data contained in any of the databases required pursuant to this section, shall be relieved from the liability to the state or its local jurisdictions for failing to charge, collect, or remit the proper amount of tax. A purchaser holding a direct pay permit shall be relieved of liability for failure to remit the amount of tax due solely to the reliance on incorrect data contained in any of the databases required pursuant to this section.

20. Beginning July 1, 2010 and ending June 30, 2020, computer equipment purchased or leased for the processing, storage, retrieval, or communication of data, including but not limited to servers, routers, connections, and other enabling hardware, provided that such computer equipment is purchased or leased for use in a data center that (a) is located in a Virginia locality, (b) results in a new capital investment on or after July 1, 2009 of at least \$150 million, and (c) results in the creation on or after July 1, 2009 of at least 50 new jobs associated with the operation or maintenance of the data center provided that such jobs pay at least one and one half times the prevailing average wage in that locality. Prior to claiming such exemption, any qualifying person claiming the exemption must enter into a memorandum of understanding with the Virginia Economic Development Partnership Authority that at a minimum provides the details for determining the amount of capital investments made and the number of new jobs created, the timeline for achieving the capital investment and new job goals, the repayment obligations should those goals not be achieved, and any conditions under which repayment by the qualifying person claiming the exemption may be required. In addition, the exemption shall apply to any such computer equipment purchased or leased to upgrade, supplement, or replace computer equipment purchased or leased in the initial investment. The exemption shall not apply to any computer software otherwise taxable under Chapter 6 of Title 58.1, Code of Virginia that is sold or leased separately from the computer equipment, nor shall it apply to general building improvements or fixtures.

§ 58.1-610. Contractors.

A. Any person who contracts orally, in writing, or by purchase order, to perform construction, reconstruction, installation, repair, or any other service with respect to real estate or fixtures thereon, and in connection therewith to furnish tangible personal property, shall be deemed to have purchased such tangible personal property for use or consumption. Any sale, distribution, or lease to or storage for such person shall be deemed a sale, distribution, or lease to or storage for the ultimate consumer and not for resale, and the dealer making the sale, distribution, or lease to or storage for such person shall be obligated to collect the tax to the extent required by this chapter.

B. Any person who contracts to perform services in ~~this~~ the Commonwealth and is furnished tangible personal property for use under the contract by the person, or his agent or representative, for whom the

contract is performed, and a sales or use tax has not been paid to ~~this~~ *the* Commonwealth by the person supplying the tangible personal property, shall be deemed to be the consumer of the tangible personal property so used, and shall pay a use tax based on the fair market value of the tangible personal property so used, irrespective of whether or not any right, title or interest in the tangible personal property becomes vested in the contractor. This subsection, however, shall not apply to the industrial materials exclusion or the other industrial exclusions set out in § 58.1-609.3, including those set out in subdivisions 2, 3 and 4 thereof; the media-related exemptions set out in subdivision 2 of § 58.1-609.6; the governmental exclusions set out in subdivision 4 of § 58.1-609.1; the agricultural exclusions set forth in subdivision 1 of § 58.1-609.2; or the exclusion for baptistries set forth in former subdivision 2 of § 58.1-609.8.

C. Any person who contracts orally, in writing, or by purchase order to perform any service in the nature of equipment rental, and the principal part of that service is the furnishing of equipment or machinery which will not be under the exclusive control of the contractor, shall be liable for the sales or use tax on the gross proceeds from such contract to the same extent as the lessor of tangible personal property.

D. Tangible personal property incorporated in real property construction which loses its identity as tangible personal property shall be deemed to be tangible personal property used or consumed within the meaning of this section. Any person selling fences, venetian blinds, window shades, awnings, storm windows and doors, locks and locking devices, floor coverings (as distinguished from the floors themselves), cabinets, kitchen equipment, window air conditioning units or other like or comparable items, shall be deemed to be a retailer of such items and not a using or consuming contractor with respect to them, whether he sells to and installs such items for contractors or other customers and whether or not such retailer fabricates such items.

E. Nothing in this section shall be construed to (i) affect or limit the resale exclusion provided for in this chapter, or the industrial materials and other industrial exclusions set out in § 58.1-609.3, the exclusion for baptistries set out in former subdivision 2 of § 58.1-609.8, ~~or the partial exclusion for the sale of modular buildings as set out in § 58.1-610.1~~, or (ii) impose any sales or use tax with respect to the use in the performance of contracts with the United States, ~~this~~ *the* Commonwealth, or any political subdivision thereof, of tangible personal property owned by a governmental body which actually is not used or consumed in the performance thereof.

F. Notwithstanding the other provisions of this section, any person engaged in the business of furnishing and installing locks and locking devices shall be deemed a retailer of such items and not a using or consuming contractor with respect to them.

§ 58.1-611.1. Rate of tax on sales of food.

A. The tax imposed by §§ 58.1-603 and 58.1-604 on food ~~purchased for human consumption~~ shall be levied and distributed as follows:

The revenue from the tax shall be distributed as follows: (i) the revenue from the tax at the rate of one-half percent shall be distributed as provided in subsection A of § 58.1-638, (ii) the revenue from the tax at the rate of one percent shall be distributed as provided in subsections B, C and D of § 58.1-638, and (iii) the revenue from the tax at the rate of one and one-half percent shall be used for general fund purposes.

2. On and after July 1, 2005, the tax rate on such food shall be one and one-half percent of the gross sales price. The revenue from the tax shall be distributed as follows: (i) the revenue from the tax at the rate of one-half percent shall be distributed as provided in subsection A of § 58.1-638 and (ii) the revenue from the tax at the rate of one percent shall be distributed as provided in subsections B, C and D of § 58.1-638.

B. The provisions of this section shall not affect the imposition of tax on food ~~purchased for human consumption~~ pursuant to §§ 58.1-605 and 58.1-606.

C. As used in this section, "~~food purchased for human consumption~~" *has shall be given* the same meaning as "~~food and food ingredients~~" *as* defined in the Food Stamp Act of 1977, 7 U.S.C. § 2012, as amended, and federal regulations adopted pursuant to that Act, except it shall not include seeds and plants which produce food for human consumption § 58.1-602. For the purpose of this section, "~~food purchased for human consumption~~" shall not include food sold by any retail establishment where the gross receipts derived from the sale of food prepared by such retail establishment for immediate consumption on or off the premises of the retail establishment constitutes more than 80 percent of the total gross receipts of that retail establishment, including but not limited to motor fuel purchases, regardless of whether such prepared food is consumed on the premises of that retail establishment. For purposes of this section, "retail establishment" means each place of business for which any "dealer," as defined in § 58.1-612, is required to apply for and receive a certificate of registration pursuant to § 58.1-613.

§ 58.1-611.2. Limited exemption for certain school supplies and clothing.

Beginning in 2006, for a three-day period that begins each year on the first Friday in August and ends at midnight on the first Sunday in August, the tax imposed by this chapter or pursuant to the authority granted in § 58.1-605 or 58.1-606 shall not apply to certain (i) school supplies including, but not limited to, dictionaries, notebooks, pens, pencils, notebook paper, and calculators, school art supplies, and school instructional material, as defined in § 58.1-602, and (ii) clothing and footwear designed to be worn on or about the human body. The tax exemption shall apply to each article of school supplies, school art supplies, or school instructional material with a selling price of \$20 or less, and each article of clothing or footwear with a selling price of \$100 or less. *The exemption shall not apply to any school computer supplies, as defined in § 58.1-602.* Any discount, coupon, or other credit offered either by the retailer or by a vendor of the retailer to reduce the final price to the customer shall be taken into account in determining the selling price for purposes of this exemption.

The Department shall develop guidelines that describe the items of merchandise that qualify for the exemption and make such guidelines available, both electronically and in hard copy, no later than July 15 of each year.

§ 58.1-611.3. (Expires July 1, 2012) Limited exemption for certain hurricane preparedness equipment. Beginning in 2008, for a seven-day period that begins each year on May 25 and ends at 11:59 p.m. on May 31, the tax imposed by this chapter or pursuant to the authority granted in § 58.1-605 or 58.1-606 shall not apply to (i) portable generators used to provide light or communications or preserve food in the event of a power outage and (ii) certain other hurricane preparedness equipment, including, but not limited to, blue ice, carbon monoxide detectors, cell phone batteries, cell phone chargers, gas or diesel fuel tanks, nonelectric food storage coolers, portable self-powered light sources, portable self-powered radios, two-way radios, weather band radios, storm shutter devices, tarpaulins or other flexible waterproof sheeting, ground anchor systems or tie down kits, and packages of AAA cell, AA cell, C cell, D cell, 6 volt, or 9 volt batteries, excluding automobile and boat batteries. The tax exemption shall apply to each portable generator with a selling price of \$1,000 or less, and each article of other hurricane preparedness equipment with a selling price of \$60 or less. Any discount, coupon, or other credit offered either by the retailer or by a vendor of the retailer to reduce the final price to the customer shall be taken into account in determining the selling price for purposes of this exemption.

The Department shall develop guidelines that describe the items of merchandise that qualify for the exemption and make such guidelines available, both electronically and in hard copy, no later than May 15 of each year.

§ 58.1-611.4. *Bundled transactions.*

A. *The determination of whether a bundled transaction that includes the rendering of a service and the provision of tangible personal property constitutes a taxable transaction shall be based upon the true object of the transaction. If the overall object of the transaction is to secure a service, and the tangible personal property which is transferred to the customer is not critical to the transaction, the transaction may constitute an exempt service. However, if the object of the transaction is to secure the property which it produces, the entire charge shall be subject to the Retail Sales and Use Tax.*

B. *For purposes of the tax imposed by this chapter, all other bundled transactions are subject to tax at the rate levied on the sale of tangible personal property at retail by the provisions of §§ 58.1-603 and 58.1-604.*

C. *In order to be deemed a "bundled transaction," products must be otherwise distinct and identifiable, and must be sold for one nonitemized price.*

1. *"Distinct and identifiable products" does not include:*

a. *Packaging, such as containers, boxes, sacks, bags, and bottles, or other materials, such as wrapping, labels, tags, and instruction guides that accompany the retail sale of the products and are incidental or immaterial to the retail sale thereof. Examples of packaging that are incidental or immaterial include grocery sacks, shoeboxes, dry cleaning garment bags and express delivery envelopes and boxes.*

b. *A product provided free of charge with the required purchase of another product. A product is "provided free of charge" if the sales price of the product purchased does not vary depending on the inclusion of the product "provided free of charge."*

c. *Items included in the definition of "sales price," pursuant to § 58.1-602.*

2. *The term "one nonitemized price" does not include a price that is separately identified by product on binding sales or other supporting sales-related documentation made available to the customer in paper or electronic form including, but not limited to, an invoice, bill of sale, receipt, contract, service agreement, lease agreement, periodic notice of rates and services, rate card, or price list.*

3. *A transaction that otherwise meets the definition of a "bundled transaction," as defined in § 58.1-602, is not a "bundled transaction" if it is:*

1289     a. *The retail sale of tangible personal property and a service where the tangible personal property is*  
1290 *essential to the use of the service, and is provided exclusively in connection with the service, and the*  
1291 *true object of the transaction is the service;*  
1292     b. *The retail sale of services where one service that is provided is essential to the use or receipt of a*  
1293 *second service and the first service is provided exclusively in connection with the second service and the*  
1294 *true object of the transaction is the second service;*  
1295     c. *The transaction includes taxable products and nontaxable products and the purchase price or*  
1296 *sales price of the taxable products is de minimis. To be considered de minimis, the seller's purchase*  
1297 *price or sales price of the taxable products must be 10 percent or less of the total purchase price or*  
1298 *sales price of the bundled products. Sellers shall use either the purchase price or the sales price of the*  
1299 *products to determine if the taxable products are de minimis. Sellers may not use a combination of the*  
1300 *purchase price and sales price of the products to determine if the taxable products are de minimis.*  
1301 *Sellers shall use the full term of a service contract to determine if the taxable products are de minimis;*  
1302 *or*  
1303     d. *The retail sale of exempt tangible personal property and taxable tangible personal property*  
1304 *where: (i) the transaction includes food and food ingredients, drugs, durable medical equipment,*  
1305 *mobility enhancing equipment, over-the-counter drugs, prosthetic devices or medical supplies, and (ii)*  
1306 *where the seller's purchase price or sales price of the taxable tangible personal property is 50 percent*  
1307 *or less of the total purchase price or sales price of the bundled tangible property. Sellers may not use a*  
1308 *combination of the purchase price and sales price of the tangible personal property when making the 50*  
1309 *percent determination for a transaction.*  
1310     § 58.1-612. Tax collectible from dealers; "dealer" defined; jurisdiction.

1339     C. A dealer shall be deemed to have sufficient activity within the Commonwealth to require  
1340 registration under § 58.1-613 if he:

12 times during a calendar year to deliver goods sold by him;

11. *Volunteers under the terms of the Agreement to register and collect the tax imposed by this chapter either on his own behalf or through an agent that qualifies as a Certified Service Provider.*

D. Notwithstanding any other provision of this section, the following shall not be considered to determine whether a person who has contracted with a commercial printer for printing in the Commonwealth is a "dealer" and whether such person has sufficient contact with the Commonwealth to be required to register under § 58.1-613:

1. The ownership or leasing by that person of tangible or intangible property located at the Virginia premises of the commercial printer which is used solely in connection with the printing contract with the person;

2. The sale by that person of property of any kind printed at and shipped or distributed from the Virginia premises of the commercial printer;

3. Activities in connection with the printing contract with the person performed by or on behalf of that person at the Virginia premises of the commercial printer; and

4. Activities in connection with the printing contract with the person performed by the commercial printer within Virginia for or on behalf of that person.

E. In addition to the jurisdictional standards contained in subsection C of this section, nothing contained herein (other than subsection D) shall limit any authority which ~~this the~~ Commonwealth may enjoy under the provisions of federal law or an opinion of the United States Supreme Court to require the collection of sales and use taxes by any dealer who regularly or systematically solicits sales within ~~this the~~ Commonwealth. Furthermore, nothing contained in subsection C shall require any broadcaster, printer, outdoor advertising firm, advertising distributor, or publisher which broadcasts, publishes, or displays or distributes paid commercial advertising in ~~this the~~ Commonwealth which is intended to be disseminated primarily to consumers located in ~~this the~~ Commonwealth to report or impose any liability to pay any tax imposed under this chapter solely because such broadcaster, printer, outdoor advertising firm, advertising distributor, or publisher accepted such advertising contracts from out-of-state advertisers or sellers.

§ 58.1-612.1. *Online registration system.*

*The Department of Taxation shall participate in an online sales and use tax registration system in cooperation with the states that are members of the Agreement. Registrants of this system agree to collect and remit sales and use taxes for all taxable sales into all member states, including those states joining after the seller's registration. Withdrawal or revocation of a member state shall not relieve a seller of its responsibility to remit taxes previously or subsequently collected on behalf of the state. Registrants may cancel registration under the system at any time under uniform procedures adopted by the Governing Board. Cancellation shall not relieve the seller of its liability for remitting to the proper states any taxes collected.*

*If the Commonwealth of Virginia withdraws or is expelled from the Streamlined Sales and Use Tax Agreement, the state will not be permitted to use registration with the central registration system and the collection of sales and use taxes in the Commonwealth as a factor in determining whether the seller has nexus with the Commonwealth for any tax at any time.*

§ 58.1-613. Dealers' certificates of registration.

A. Every person desiring to engage in or conduct business as a dealer in ~~this the~~ Commonwealth shall file with the Tax Commissioner an application for a certificate of registration ~~for each place of business in this Commonwealth~~ and complete the online registration process set forth under the *Streamlined Sales and Use Tax Agreement*.

B. Every application for a certificate of registration filed with the Tax Commissioner shall set forth

the name under which the applicant transacts or intends to transact business, the location of his place or places of business, and such other information as the Tax Commissioner may require.

C. When the required application has been made the Tax Commissioner shall issue to each applicant a separate certificate of registration for each place of business within ~~this~~ the Commonwealth. A certificate of registration is not assignable and is valid only for the person in whose name it is issued and for the transaction of business at the place designated therein. It shall be at all times conspicuously displayed at the place for which issued.

D. Whenever any person fails to comply with any provision of this chapter or any rule or regulation relating thereto, the Tax Commissioner, upon hearing after giving such person ~~ten~~ 10 days' notice in writing, specifying the time and place of hearing and requiring him to show cause why his certificate of registration should not be revoked or suspended, may revoke or suspend any one or more of the certificates of registration held by such person. The notice may be personally served or served by registered mail directed to the last known address of such person.

E. Any person who engages in business as a dealer in ~~this~~ the Commonwealth without obtaining a certificate of registration, or after a certificate of registration has been suspended or revoked, and each officer of any corporation which so engages in business shall be guilty of a Class 2 misdemeanor. Each day's continuance in business in violation of this section shall constitute a separate offense.

F. If the holder of a certificate of registration ceases to conduct his business at the place specified in his certificate, the certificate shall thereupon expire, and such holder shall inform the Tax Commissioner in writing within ~~thirty~~ 30 days after he has ceased to conduct such business at such place that he has so ceased. If the holder of a certificate of registration desires to change his place of business to another place in ~~this~~ the Commonwealth, he shall so inform the Tax Commissioner in writing and his certificate shall be revised accordingly.

G. This section shall also apply to any person who engages in the business of furnishing any of the things or services taxable under this chapter. Moreover, it shall apply to any person who is liable only for the collection of the use tax.

H. At the request of a local commissioner of revenue, the Tax Commissioner shall provide, on a quarterly basis, a listing of new businesses in the locality which obtained a certificate of registration.

#### § 58.1-615. Returns by dealers.

A. Every dealer required to collect or pay the sales or use tax shall, on or before the twentieth day of the month following the month in which the tax shall become effective, transmit to the Tax Commissioner a return showing the gross sales, gross proceeds, or ~~cost~~ purchase price, as the case may be, arising from all transactions taxable under this chapter during the preceding calendar month, and thereafter a like return shall be prepared and transmitted to the Tax Commissioner by every dealer on or before the twentieth day of each month, for the preceding calendar month. In the case of dealers regularly keeping books and accounts on the basis of an annual period which varies 52 to 53 weeks, the Tax Commissioner may make rules and regulations for reporting consistent with such accounting period.

*Any Model 1, Model 2, or Model 3 seller is authorized to submit its sales and use tax returns in a simplified format as determined by the Tax Commissioner, provided that the format does not include more data fields than permitted by the Governing Board of the Agreement. Every Model 1, Model 2, and Model 3 seller is required to file returns electronically.*

Notwithstanding any other provision of this chapter, a dealer may be required by the Tax Commissioner to file sales or use tax returns on an accounting period less frequent than monthly when, in the opinion of the Tax Commissioner, the administration of the taxes imposed by this chapter would be enhanced. If a dealer is required to file other than monthly, each such return shall be due on or before the twentieth day of the month following the close of the period. Each such return shall contain all information required for monthly returns.

A sales or use tax return shall be filed by each registered dealer even though the dealer is not liable to remit to the Tax Commissioner any tax for the period covered by the return.

B. [Expired.]

C. Any return required to be filed with the Tax Commissioner under this section shall be deemed to have been filed with the Tax Commissioner on the date that such return is delivered by the dealer to the commissioner of the revenue or the treasurer for the locality in which the dealer is located and receipt is acknowledged by the commissioner of the revenue or treasurer. The commissioner of the revenue or the treasurer shall stamp such date on the return, and shall mail the return to the Tax Commissioner no later than the following business day. The commissioner of the revenue or the treasurer may collect from the dealer the cost of postage for such mailing.

#### § 58.1-618. Assessment based on estimate.

A. If any dealer fails to make a return as provided by this chapter, or a return that is false or fraudulent, it shall be the duty of the Tax Commissioner to make an estimate for the taxable period of the retail sales or distributions of such dealer, or of the gross proceeds from leases of tangible personal property, or taxable services by such dealer, or the ~~cost~~ purchase price of all articles of tangible

personal property imported by such dealer for use or consumption in the Commonwealth, or storage by such dealer of tangible personal property to be used or consumed in the Commonwealth, and assess the tax, plus such penalties as are provided in this chapter. The Tax Commissioner shall give such dealer ~~ten~~ 10 days' notice in writing requiring such dealer to appear before him with such books, records, and papers as he may require relating to the business of such dealer for such taxable period. The Tax Commissioner may require such dealer or the agents and employees of such dealer to give testimony or to answer interrogatories under oath administered by the Tax Commissioner respecting such sale, distribution, lease, use, consumption, or storage of tangible personal property, or taxable services, or the failure to make a return thereof as provided in this chapter. If any dealer fails to make any such return or refuses to permit an examination of his books, records, or papers, or to appear and answer questions within the scope of such investigation, the Tax Commissioner is hereby authorized to make the assessment based upon such information as may be available to him and to issue a memorandum of lien under § 58.1-1805 for the collection of any such taxes and penalties so found to be due. The assessment so made shall be deemed prima facie correct.

B. If the dealer has imported tangible personal property and fails to produce an invoice showing the sales price of the articles, or the invoice does not reflect the true or actual sales price as defined in this chapter, then the Tax Commissioner shall ascertain, in any manner feasible, the true sales price and assess and collect the tax, with penalties, to the extent such have accrued, on the true sales price as ascertained by him. The assessment so made shall be deemed prima facie correct.

C. In the case of the lease of tangible personal property, if the consideration given or reported by the dealer, in the judgment of the Tax Commissioner, does not represent the true or actual consideration, then the Tax Commissioner is authorized to fix the same and assess and collect the tax thereon in the same manner as above provided, with penalties to the extent such have accrued. The assessment so made shall be deemed prima facie correct.

§ 58.1-621. Bad debts.

A. In any return filed under the provisions of this chapter, the dealer may credit, against the tax shown to be due on the return, the amount of sales or use tax previously returned and paid on accounts which are owed to the dealer and which have been ~~found to be worthless~~ written off as uncollectible in the claimant's books and records and is eligible to be deducted for federal income tax purposes within the period covered by the return. ~~The credit, however, shall not exceed the amount of the uncollected sales price determined by treating prior payments on each debt as consisting of the same proportion of sales price, sales tax and other nontaxable charges as in the total debt originally owed to the dealer~~ For purposes of this subsection, a dealer who is not required to file federal income tax returns may deduct a bad debt on a return filed for the period in which the bad debt is written off as uncollectible in the dealer's books and records and would be eligible for a bad debt deduction for federal income tax purposes if the dealer was required to file a federal income tax return. The amount of accounts for which a credit has been taken that are thereafter in whole or in part paid to the dealer shall be included in the first return filed after such collection for the period in which the collection was made.

B. For purposes of calculating the amount of bad debt to be recovered under subsection A, a dealer shall utilize the federal definition of "bad debt" in 26 USC § 166, excluding:

1. Financing charges or interest;
2. Sales or use taxes charged on the purchase price;
3. Uncollectible amounts on property that remain in the possession of the seller until the full purchase price is paid; and
4. Expenses incurred in attempting to collect any debt, and repossessed property.

C. When the amount of bad debt exceeds the amount of taxable sales for the period in which the bad debt is written off, a refund claim may be filed under § 58.1-1823. The statute of limitation shall be measured from the due date of the return on which the bad debt could first be claimed. In the event that the dealer is a Certified Service Provider acting as an agent for another dealer, such Certified Service Provider must credit or refund the full amount of any bad debt allowance or refund received to the dealer for which he serves as agent.

D. For purposes of reporting a payment received on a previously claimed bad debt, any payments made on a debt or account shall be applied first proportionally to the taxable price of the property or service and the sales tax thereon, and secondly to interest, service charges, and any other charges.

E. In situations where the books and records of the party claiming the bad debt allowance support an allocation of the bad debts among the member states, the Department shall authorize such allocation.

F. Notwithstanding any other provision of this section, a dealer whose volume and character of uncollectible accounts, including checks returned for insufficient funds, renders it impractical to substantiate the credit on an account-by-account basis, may, subject to the approval of the Department, utilize an alternative method of substantiating the credit.

§ 58.1-622. Discount.

1535 A. For the purpose of compensating a dealer holding a certificate of registration under § 58.1-613 for  
 1536 accounting for and remitting the tax levied by this chapter, such dealer shall be allowed the following  
 1537 percentages of the first three percent of the tax levied by §§ 58.1-603 and 58.1-604 and accounted for in  
 1538 the form of a deduction in submitting his return and paying the amount due by him if the amount due  
 1539 was not delinquent at the time of payment.

1540 Monthly Taxable Sales	Percentage
1541 \$ 0 to \$62,500	4%
1542 \$ 62,501 to \$208,000	3%
1543 \$ 208,001 and above	2%

1544 The discount allowed by this section shall be computed according to the schedule provided,  
 1545 regardless of the number of certificates of registration held by a dealer.

1546 B. *In addition to the discount allowed under subsection A, the Tax Commissioner is authorized to*  
 1547 *allow a monetary allowance to Model 1, Model 2, and Model 3 sellers for new technology necessary to*  
 1548 *facilitate the collection of sales and use taxes. Such amount will be determined by the national*  
 1549 *Governing Board charged with administering the Streamlined Sales and Use Tax Agreement.*

1550 C. *In addition to the compensation provided pursuant to subsections A and B, the Commonwealth,*  
 1551 *upon becoming a full member state, as defined in the national Streamlined Sales and Use Tax*  
 1552 *Agreement, shall provide reasonable compensation to dealers for the incremental expenses incurred in*  
 1553 *establishing or maintaining a uniform origin system for administering collection and remitting sales and*  
 1554 *use taxes on origin-based sales. The Commonwealth shall not be required to provide this additional*  
 1555 *monetary allowance in the event that it elects to cease sourcing the sale of tangible personal property*  
 1556 *pursuant to subdivision 1 of § 58.1-606.1.*

1557 § 58.1-623. Sales or leases presumed subject to tax; exemption certificates.

1558 A. All sales or leases are subject to the tax until the contrary is established. The burden of proving  
 1559 that a sale, distribution, lease, or storage of tangible personal property is not taxable is upon the dealer  
 1560 unless he takes from the taxpayer a certificate to the effect that the property is exempt under this  
 1561 chapter.

1562 B. The certificate mentioned in this section shall relieve the person who takes such certificate from  
 1563 any liability for the payment or collection of the tax, except upon ~~notice from~~ the following  
 1564 circumstances: (i) the Tax Commissioner provides notice to the seller that such certificate is no longer  
 1565 acceptable; (ii) the seller fraudulently fails to collect the tax; (iii) the seller solicits purchasers to  
 1566 unlawfully claim exemptions; or (iv) the seller accepts exemption certificates for entity-based exemptions  
 1567 when the purchaser receives the exempt item using an exemption certificate that clearly indicates that  
 1568 the claimed exemption is not available in that state.

1569 ~~Such~~ C. *The certificate may be either in electronic form or in paper form. In the event that the*  
 1570 *certificate is in electronic form, such certificate is not required to bear the signature of the purchaser.*  
 1571 *In the event that the certificate is in paper form, such certificate shall be signed by and bear the name*  
 1572 *and address of the taxpayer; shall indicate the number of the certificate of registration, if any, issued to*  
 1573 *the taxpayer; shall indicate the general character of the tangible personal property sold, distributed,*  
 1574 *leased, or stored, or to be sold, distributed, leased, or stored under a blanket exemption certificate; and*  
 1575 *shall be substantially in such form as the Tax Commissioner may prescribe. The seller shall also be*  
 1576 *relieved of the tax if the seller obtains a fully completed exemption certificate within 90 days subsequent*  
 1577 *to the date of the sale. If an exemption pertains to a nonprofit organization, other than a nonprofit*  
 1578 *church, that has qualified for a sales and use tax exemption under § 58.1-609.11, the exemption*  
 1579 *certificate shall be valid until the scheduled expiration date stated on the exemption certificate.*

1580 D. *A seller shall be relieved of all liability for taxes collected if the seller obtains a blanket*  
 1581 *exemption certificate for a purchaser with which the seller has a recurring business relationship. For*  
 1582 *purposes of this section, a recurring business relationship exists when a period of no more than 12*  
 1583 *months elapses between sales transactions.*

1584 ~~CE.~~ E. If a taxpayer who gives a certificate under this section makes any use of the property other than  
 1585 an exempt use or retention, demonstration, or display while holding the property for resale, distribution,  
 1586 or lease in the regular course of business, such use shall be deemed a taxable sale by the taxpayer as of  
 1587 the time the property or service is first used by him, and the cost of the property to him shall be  
 1588 deemed the sales price of such retail sale. If the sole use of the property other than retention,  
 1589 demonstration, or display in the regular course of business is the rental of the property while holding it  
 1590 for sale, distribution, or lease, the taxpayer may elect to pay the tax on the amount of the rental charged,  
 1591 rather than the cost of the property to him.

1592 ~~DF.~~ F. If a taxpayer gives a certificate under this section with respect to the purchase of fungible goods  
 1593 and thereafter commingles these goods with other fungible goods not so purchased, but of such  
 1594 similarity that the identity of the constituent goods in the commingled mass cannot be determined, sales  
 1595 or distributions from the mass of commingled goods shall be deemed to be sales or distributions of the

goods so purchased until a quantity of commingled goods equal to the quantity of purchased goods so commingled has been sold or distributed.

§ 58.1-624.1. Direct pay authorization for direct mail.

A. Any purchaser of direct mail, as defined by § 58.1-602 that is not a holder of a direct payment permit shall provide to the seller in conjunction with the purchaser either a Direct Mail Form or information to show the jurisdictions to which the direct mail is delivered to recipients.

1. Upon receipt of the Direct Mail Form, the seller is relieved of all obligations to collect, pay, or remit the applicable tax and the purchaser is obligated to pay or remit the applicable tax on a direct pay basis. A Direct Mail Form shall remain in effect for all future sales of direct mail by the seller to the purchaser until it is revoked in writing.

2. Upon receipt of information from the purchaser showing the jurisdictions to which the direct mail is delivered to recipients, the seller shall collect the tax according to the delivery information provided by the purchaser. In the absence of bad faith, the seller is relieved of any further obligation to collect tax on any transaction where the seller has collected the tax pursuant to the delivery information provided by the purchaser.

B. If the purchaser of direct mail does not have a direct pay permit and does not provide the seller with either a Direct Mail Form or delivery information, as required by subsection A of this section, the seller shall collect the tax according to subdivision 2 e of § 58.1-606.1. Nothing in this paragraph shall limit a purchaser's obligation for sales or use tax to any state to which the direct mail is delivered.

C. If a purchaser of direct mail provides the seller with documentation of direct pay authority, the purchaser shall not be required to provide a Direct Mail Form or delivery information to the seller.

§ 58.1-625.2. Customer refund procedures.

A. If a purchaser seeks a return of over-collected sales or use taxes from a seller, a cause of action against the seller for the over-collected sales or use taxes will not accrue until the purchaser has provided written notice to the seller and the seller has had 60 days to respond. Such notice to the seller must contain the information necessary to determine the validity of the request.

B. In connection with a purchaser's request from a seller of over-collected sales or use taxes, a seller shall be presumed to have a reasonable business practice, if in the collection of such sales or use taxes, the seller: (i) uses either a provider or a system including a proprietary system, that is certified by the state and (ii) has remitted to the state all taxes collected less any deductions, credits, or collection allowances.

§ 58.1-628.3. Tax computation.

A. In computing the amount of tax due pursuant to this chapter, the tax computation shall be carried to the third decimal place and the tax must be rounded to a whole cent using a method that rounds up to the next cent whenever the third decimal place is greater than four.

B. Each dealer must make a one-time binding election to compute the tax due on a transaction on either an item-by-item basis or on an invoice basis.

C. The procedure set out in subsection A shall be applied to the aggregated amount of state and local tax due.

§ 58.1-635. Failure to file return; fraudulent return; civil penalties.

A. When any dealer fails to make any return and pay the full amount of the tax required by this chapter, there shall be imposed, in addition to other penalties provided herein, a specific penalty to be added to the tax in the amount of six percent if the failure is for not more than one month, with an additional six percent for each additional month, or fraction thereof, during which the failure continues, not to exceed ~~thirty~~ 30 percent in the aggregate. In no case, however, shall the penalty be less than ~~ten~~ ~~dollars~~ \$10 and such minimum penalty shall apply whether or not any tax is due for the period for which such return was required. If such failure is due to providential or other good cause shown to the satisfaction of the Tax Commissioner, such return with or without remittance may be accepted exclusive of penalties. In the case of a false or fraudulent return where willful intent exists to defraud the Commonwealth of any tax due under this chapter, or in the case of a willful failure to file a return with the intent to defraud the Commonwealth of any such tax, a specific penalty of ~~fifty~~ 50 percent of the amount of the proper tax shall be assessed. All penalties and interest imposed by this chapter shall be payable by the dealer and collectible by the Tax Commissioner in the same manner as if they were a part of the tax imposed.

B. It shall be prima facie evidence of intent to defraud the Commonwealth of any tax due under this chapter when any dealer reports his gross sales, gross proceeds or ~~cost~~ purchase price, as the case may be, at ~~fifty~~ 50 percent or less of the actual amount.

C. Interest at a rate determined in accordance with § 58.1-15, shall accrue on the tax until the same is paid, or until an assessment is made, pursuant to § 58.1-15, after which interest shall accrue as provided therein.

§ 58.1-635.1. Taxability matrix; reliance on same.

1657 A. The Department shall develop and maintain a taxability matrix, and make such matrix available  
1658 to dealers. Such matrix will be in the form of a downloadable electronic database and shall set forth the  
1659 taxable status, under this chapter, for each item or transaction listed in the matrix. The format of such  
1660 matrix will be consistent with requirements set forth by the Governing Board charged with administering  
1661 the Streamlined Sales and Use Tax Agreement. The Department shall provide notice of changes in the  
1662 taxability of the products or services listed in the taxability matrix as required by the Governing Board.

1663 B. In the event that an item or transaction is not contained in the matrix or absent specific guidance  
1664 with respect to the taxability of an item or transaction listed in the matrix, the tax imposed by this  
1665 chapter or pursuant to the authority granted in §§ 58.1-605 and 58.1-606 shall apply.

1666 C. Any dealer, CSP, or purchaser that can demonstrate to the satisfaction of the Tax Commissioner  
1667 that the proper amount of tax due was not collected solely because the dealer relied on incorrect data  
1668 contained in the matrix required pursuant to subsection A, including the state's erroneous classification  
1669 in the taxability matrix of terms included in the Library of Definitions as "taxable" or "exempt,"  
1670 "included in sales price" or "excluded from sales price" or "included in the definition" or "excluded  
1671 from the definition," shall be relieved from the liability to the state or its local jurisdictions for failing  
1672 to charge, collect, or remit the proper amount of tax.

1673 D. The Department shall give notice in the taxability matrix, in a format approved by the Governing  
1674 Board, of the products for which a tax exemption is provided during the sales tax holiday periods set  
1675 forth in subdivision 18 of § 58.1-609.1 and §§ 58.1-611.2 and 58.1-611.3.

1676 § 58.1-635.2. Amnesty for certain registrations.

1677 A. Any dealer who registers to pay or to collect and remit applicable sales or use tax on sales made  
1678 to purchasers in the Commonwealth, in accordance with the terms of the Streamlined Sales and Use Tax  
1679 Agreement, may qualify for amnesty for previously uncollected or unpaid taxes provided the dealer was  
1680 not so registered in the Commonwealth in the 12-month period preceding the effective date of the  
1681 Commonwealth's participation in the Agreement. Such amnesty shall preclude assessments for  
1682 uncollected or unpaid sales or use tax together with penalty or interest for sales made during the period  
1683 the dealer was not registered in the Commonwealth, provided registration occurs within 12 months of  
1684 the effective date of the Commonwealth's participation in the Agreement.

1685 B. Amnesty shall not be available to a seller with respect to any matter or matters for which the  
1686 seller received notice of the commencement of an audit, and which audit is not yet finally resolved,  
1687 including any related administrative and judicial processes, for sales or use taxes already paid or  
1688 remitted to the Commonwealth, or for taxes collected by the dealer and not remitted.

1689 C. The provisions of subsection A shall be fully effective, absent the dealer's fraud or intentional  
1690 misrepresentation of a material fact, as long as the dealer continues to be registered and continues  
1691 payment or collection and remittance of applicable sales or use taxes for a period of at least 36 months.  
1692 The statute of limitations applicable for asserting a tax liability shall be tolled during this 36-month  
1693 period.

1694 D. The provisions of this section shall be applicable only to sales or use taxes due from a seller in  
1695 its capacity as a seller and not to sales or use taxes due from a seller in its capacity as a buyer.

1696 § 58.1-637.1. Confidentiality and privacy protections under Model 1.

1697 A. With limited exceptions, a CSP shall perform its tax calculation, remittance, and reporting  
1698 functions without retaining the personally identifiable information of consumers.

1699 B. The Governing Board may certify a CSP only if that CSP certifies that:

1700 1. Its system has been designed and tested to ensure that the fundamental precept of anonymity is  
1701 respected;

1702 2. Personally identifiable information is only used and retained to the extent necessary for the  
1703 administration of Model 1 with respect to exempt purchasers;

1704 3. It provides consumers clear and conspicuous notice of its information practices, including what  
1705 information it collects, how it collects the information, how it uses the information, how long, if at all, it  
1706 retains the information, and whether it discloses the information to member states. Such notice shall be  
1707 satisfied by a written privacy policy statement accessible by the public on the official website of the  
1708 CSP;

1709 4. Its collection, use and retention of personally identifiable information will be limited to that  
1710 required by the member states to ensure the validity of exemptions from taxation that are claimed by  
1711 reason of a consumer's status or the intended use of the goods or services purchased; and

1712 5. It provides adequate technical, physical, and administrative safeguards so as to protect personally  
1713 identifiable information from unauthorized access and disclosure.

1714 C. The Commonwealth shall provide public notification to consumers, including their exempt  
1715 purchasers, of the state's practices relating to the collection, use and retention of personally identifiable  
1716 information.

1717 D. When any personally identifiable information that has been collected and retained is no longer  
1718 required for the purposes set forth in subsection B 4, such information shall no longer be retained by

the Commonwealth.

E. When personally identifiable information regarding an individual is retained by or on behalf of a member state, such state shall provide reasonable access by such individual to his or her own information in the state's possession and a right to correct any inaccurately recorded information.

F. If anyone, other than a member state or a person authorized by that state's law or the Agreement, seeks to discover personally identifiable information, the state from which the information is sought should make a reasonable and timely effort to notify the individual of such request.

G. This privacy policy is subject to enforcement by Virginia's Attorney General or other appropriate state government authority.

H. The laws and regulations of the Commonwealth regarding the collection, use and maintenance of confidential taxpayer information remain fully applicable and binding. Without limitation, the Agreement does not enlarge or limit the Commonwealth's authority to:

1. Conduct audits or other review as provided under the agreement and Virginia law;
2. Provide records pursuant to a member state's Freedom of Information Act, disclosure laws with governmental agencies, or other regulations;
3. Prevent, consistent with state law, disclosures of confidential taxpayer information;
4. Prevent, consistent with federal law, disclosures or misuse of federal return information obtained under a disclosure agreement with the Internal Revenue Service; or
5. Collect, disclose, disseminate, or otherwise use anonymous data for governmental purposes.

I. This privacy policy does not preclude the Governing Board from certifying a CSP whose privacy policy is more protective of confidential taxpayer information or personally identifiable information than is required by the Agreement.

§ 58.1-639.1. State review and approval of CAS Software.

A. The Tax Commissioner or the representatives appointed by the Governor or the General Assembly, as set forth in subdivision C 2 of § 58.1-601, shall be required to review software submitted to the Governing Board for certification as a CAS, as defined in § 58.1-602, to determine whether the program accurately reflects the taxability of the product categories included in the program. Upon approval by the Tax Commissioner or the Virginia representatives, the state shall certify to the Governing Board its acceptance of the determination of the taxability of the product categories included in the program.

B. Any CSP or Model 2 seller that can demonstrate to the satisfaction of the Tax Commissioner that such dealer failed to charge or collect the proper amount of tax due solely to the reliance on the certification provided by the Tax Commissioner or Virginia Streamlined representative shall be relieved from liability to the Commonwealth and its local jurisdictions for failure to collect sales or use taxes.

C. The Commonwealth shall not be responsible for classification of an item or transaction within the product categories certified. The relief from liability provided in this section shall not be available for a CSP or Model 2 seller that has incorrectly classified an item or transaction into a product category certified by the Tax Commissioner or Virginia representative.

D. If the Commonwealth determines that an item or transaction is incorrectly classified as to its taxability, it shall notify the CSP or Model 2 seller of the incorrect classification. The CSP or Model 2 seller shall have 10 days to revise the classification after receipt of notice from the member state of the determination. Upon expiration of the 10 days, the CSP or Model 2 seller shall be liable for the failure to collect the correct amount of sales or use taxes due and owing to the member state.

§ 58.1-639.2. Tax Commissioner's duties.

In addition to the duties set forth under § 58.1-202, the Tax Commissioner is hereby authorized to represent the Commonwealth in administrative matters before the Governing Board charged with administering the Streamlined Sales and Use Tax Agreement. As such, the Tax Commissioner's duties include, but are not limited to:

1. Filing the petition for membership;
2. Completing and signing the certificate of compliance, as necessary;
3. Preparing the annual certification for membership and presenting such recertification to the Governing Board on or before August first of each year after the year of the Commonwealth's entry; and
4. Representing the Commonwealth before the Governing Board in all matters related to the application of the Agreement to the provisions of this chapter.

For purposes of this section, the Commonwealth is in compliance with the Agreement if the effect of the Commonwealth's laws, rules, regulations, and policies is substantially compliant with each of the requirements set forth in the Agreement.

2. That §§ 58.1-604.6, 58.1-609.13, and 58.1-610.1 of the Code of Virginia are repealed.

3. That the provisions of this act amending § 58.1-600 shall become effective on July 1, 2011.
