97 shall include but not be limited to the following:

98 1. The Commission is vested with jurisdiction and supervision over all horse racing licensed under
99 the provisions of this chapter including all persons conducting, participating in, or attending any race
100 meeting. It shall employ such persons to be present at race meetings as are necessary to ensure that they
101 are conducted with order and the highest degree of integrity. It may eject or exclude from the enclosure
102 or from any part thereof any person, whether or not he possesses a license or permit, whose conduct or
103 reputation is such that his presence may, in the opinion of the Commission, reflect on the honesty and
104 integrity of horse racing or interfere with the orderly conduct of horse racing.

105 2. The Commission, its representatives, and employees shall visit, investigate, and have free access to
106 the office, track, facilities, satellite facilities or other places of business of any license or permit holder,
107 and may compel the production of any of the books, documents, records, or memoranda of any license
108 or permit holder for the purpose of satisfying itself that this chapter and its regulations are strictly
109 complied with. In addition, the Commission may require the production of an annual balance sheet and
110 operating statement of any person licensed or granted a permit pursuant to the provisions of this chapter
111 and may require the production of any contract to which such person is or may be a party.

112 3. The Commission shall promulgate regulations and conditions under which horse racing with
113 pari-mutuel wagering shall be conducted in the Commonwealth, and all such other regulations it deems
114 necessary and appropriate to effect the purposes of this chapter, including a requirement that licensees

116 a toll-free telephone number for "Gamblers Anonymous" or other organization which provides assistance
117 to compulsive gamblers. Such regulations shall include provisions for affirmative action to assure

Administrative Process Act (§ 2.2-4000 et seq.).

4. The Commission shall promulgate regulations and conditions under which simulcast horse racing shall be conducted at a licensed horse racetrack or satellite facility in the Commonwealth and all such other regulations it deems necessary and appropriate to effect the purposes of this chapter. Such regulations shall include provisions that all simulcast horse racing shall comply with the Interstate Horse Racing Act of 1978 (15 U.S.C. § 3001 et seq.) and shall require the holder of an unlimited license to schedule not less than 150 live racing days in the Commonwealth each calendar year; however, the Commission shall have the authority to alter the required number of live racing days based on what the Commission deems to be in the best interest of the Virginia horse industry. No pari-mutuel wager may be made on or with any computer owned or leased by the Commonwealth, or any of its subdivisions, or at any public elementary or secondary school, or any public college or university. The Commission also shall ensure that, except for this method of pari-mutuel wagering, all wagering on simulcast horse racing shall take place only at a licensed horse racetrack or satellite facility.

Notwithstanding the provisions of § 59.1-392, the allocation of revenue from advance deposit account wagering shall include (i) a licensee fee paid to the Commission; (ii) an additional fee equal to 10 percent of all wagers made within the Commonwealth placed through an advance deposit account wagering licensee, out of which shall be paid: (a) one-half to all unlimited licensees and (b) one-half to representatives of the recognized majority horsemen groups; and (iii) an additional fee equal to one percent of all wagers made within the Commonwealth placed through an advance deposit account wagering licensee, which shall be paid to the Virginia Breeders Fund.

It may prescribe the manner in which books and records of such persons shall be kept.

8. The Commission may enter into arrangements with any foreign or domestic government or governmental agency, for the purposes of exchanging information or performing any other act to better ensure the proper conduct of horse racing.

9. The Commission shall report annually on or before March 1 to the Governor and the General Assembly, which report shall include a financial statement of the operation of the Commission.

10. The Commission may order such audits, in addition to those required by § 59.1-394, as it deems necessary and desirable.

foreign to the natural horse within the racetrack enclosure or other place where such horse is kept. Any item, document or record indicative of a violation of any provision of this chapter or Commission regulations may be seized as evidence of such violation. All permit holders consent to the searches and seizures authorized by this subdivision, including breath, blood and urine sampling for alcohol and illegal drugs, by accepting the permit issued by the Commission. The Commission may revoke or suspend the permit of any person who fails or refuses to comply with this subdivision or any rules of the Commission. Commission regulations in effect on July 1, 1998, shall continue in full force and effect until modified by the Commission in accordance with law.

14. The Commission shall require the existence of a contract between the licensee and the recognized majority horseman's group providing for purses and prizes. Such contract shall be subject to the approval of the Commission, which shall have the power to approve or disapprove any of its items, including but not limited to the provisions regarding purses and prizes. Such contracts shall provide that on pools generated by wagering on simulcast horse racing from outside the Commonwealth, (i) for the first \$75 million of the total pari-mutuel handle for each breed, the licensee shall deposit funds at the minimum rate of five percent in the horsemen's purse account, (ii) for any amount in excess of \$75 million but less than \$150 million of the total pari-mutuel handle for each breed, the licensee shall deposit funds at the minimum rate of six percent in the horsemen's purse account, (iii) for amounts in excess of \$150 million for each breed, the licensee shall deposit funds at the minimum rate of seven percent in the horsemen's purse account. Such deposits shall be made in the horsemen's purse accounts of the breed that generated the pools and such deposits shall be made within five days from the date on which the licensee receives wagers.

15. Notwithstanding the provisions of § 59.1-391, the Commission may grant provisional limited licenses or provisional unlimited licenses to own or operate racetracks or satellite facilities to an applicant prior to the applicant securing the approval through the local referendum required by § 59.1-391. The provisional licenses issued by the Commission shall only become effective upon the approval of the racetrack or satellite wagering facilities in a referendum conducted pursuant to § 59.1-391 in the jurisdiction in which the racetrack or satellite wagering facility is to be located.
