(Patron Prior to Substitute—Senator McDougle)

A BILL to amend and reenact § 18.2-308 of the Code of Virginia, relating to concealed handgun permit applications; right to ore tenus hearing.

Be it enacted by the General Assembly of Virginia:

1. That § 18.2-308 of the Code of Virginia is amended and reenacted as follows:

A second violation of this section or a conviction under this section subsequent to any conviction under any substantially similar ordinance of any county, city, or town shall be punishable as a Class 6 felony, and a third or subsequent such violation shall be punishable as a Class 5 felony. For the purpose of this section, a weapon shall be deemed to be hidden from common observation when it is observable but is of such deceptive appearance as to disguise the weapon's true nature.

B. This section shall not apply to any person while in his own place of abode or the curtilage thereof.

Except as provided in subsection J1, this section shall not apply to:

1. Any person while in his own place of business;

2. Any law-enforcement officer, wherever such law-enforcement officer may travel in the Commonwealth;

3. Any regularly enrolled member of a target shooting organization who is at, or going to or from, an established shooting range, provided that the weapons are unloaded and securely wrapped while being transported;

4. Any regularly enrolled member of a weapons collecting organization who is at, or going to or from, a bona fide weapons exhibition, provided that the weapons are unloaded and securely wrapped while being transported;

5. Any person carrying such weapons between his place of abode and a place of purchase or repair, provided the weapons are unloaded and securely wrapped while being transported;

6. Any person actually engaged in lawful hunting, as authorized by the Board of Game and Inland Fisheries, under inclement weather conditions necessitating temporary protection of his firearm from those conditions, provided that possession of a handgun while engaged in lawful hunting shall not be construed as hunting with a handgun if the person hunting is carrying a valid concealed handgun permit;

7. Any State Police officer retired from the Department of State Police, any officer retired from the Division of Capitol Police, any local law-enforcement officer, auxiliary police officer or animal control officer retired from a police department or sheriff's office within the Commonwealth, any special agent retired from the State Corporation Commission or the Alcoholic Beverage Control Board, any conservation police officer retired from the Department of Game and Inland Fisheries, and any Virginia Marine Police officer retired from the Law Enforcement Division of the Virginia Marine Resources Commission, other than an officer or agent terminated for cause, (i) with a service-related disability; (ii) following at least 15 years of service with any such law-enforcement agency, board or any combination thereof; (iii) who has reached 55 years of age; or (iv) who is on long-term leave from such law-enforcement agency or board due to a service-related injury, provided such officer carries with him written proof of consultation with and favorable review of the need to carry a concealed handgun issued by the chief law-enforcement officer of the last such agency from which the officer retired or the agency that employs the officer or, in the case of special agents, issued by the State Corporation Commission or the Alcoholic Beverage Control Board. A copy of the proof of consultation and favorable review shall be forwarded by the chief or the Board to the Department of State Police for entry into the Virginia Criminal Information Network. The chief law-enforcement officer shall not without cause withhold such written proof if the retired law-enforcement officer otherwise meets the requirements of this section. An

SB533S1

60 officer set forth in clause (iv) of this subdivision who receives written proof of consultation to carry a
61 concealed handgun shall surrender such proof of consultation upon return to work or upon termination
62 of employment with the law-enforcement agency. Notice of the surrender shall be forwarded to the
63 Department of State Police for entry into the Virginia Criminal Information Network. However, if such
64 officer retires on disability because of the service-related injury, and would be eligible under clause (i)
65 of this subdivision for written proof of consultation to carry a concealed handgun, he may retain the
66 previously issued written proof of consultation.

67 For purposes of applying the reciprocity provisions of subsection P, any person granted the privilege
68 to carry a concealed handgun pursuant to this subdivision, while carrying the proof of consultation and
69 favorable review required, shall be deemed to have been issued a concealed handgun permit.

70 For purposes of complying with the federal Law Enforcement Officers Safety Act of 2004, a retired
71 law-enforcement officer who receives proof of consultation and review pursuant to this subdivision shall
72 have the opportunity to annually participate, at the retired law-enforcement officer's expense, in the same
73 training and testing to carry firearms as is required of active law-enforcement officers in the
74 Commonwealth. If such retired law-enforcement officer meets the training and qualification standards,
75 the chief law-enforcement officer shall issue the retired officer certification, valid one year from the date
76 of issuance, indicating that the retired officer has met the standards of the agency to carry a firearm;

77 8. Any State Police officer who is a member of the organized reserve forces of any of the armed
78 services of the United States, national guard, or naval militia, while such officer is called to active
79 military duty, provided such officer carries with him written proof of consultation with and favorable
80 review of the need to carry a concealed handgun issued by the Superintendent of State Police. The proof
81 of consultation and favorable review shall be valid as long as the officer is on active military duty and
82 shall expire when the officer returns to active law-enforcement duty. The issuance of the proof of
83 consultation and favorable review shall be entered into the Virginia Criminal Information Network. The
84 Superintendent of State Police shall not without cause withhold such written proof if the officer is in
85 good standing and is qualified to carry a weapon while on active law-enforcement duty.

86 For purposes of applying the reciprocity provisions of subsection P, any person granted the privilege
87 to carry a concealed handgun pursuant to this subdivision, while carrying the proof of consultation and
88 favorable review required, shall be deemed to have been issued a concealed handgun permit; and

89 9. Any attorney for the Commonwealth or assistant attorney for the Commonwealth, wherever such
90 attorney may travel in the Commonwealth.

91 C. This section shall also not apply to any of the following individuals while in the discharge of
92 their official duties, or while in transit to or from such duties:

- 93 1. Carriers of the United States mail;
- 94 2. Officers or guards of any state correctional institution;
- 95 3. [Repealed.]
- 96 4. Conservators of the peace, except that an attorney for the Commonwealth or assistant attorney for
97 the Commonwealth may carry a concealed handgun pursuant to subdivision B 9. However, the following
98 conservators of the peace shall not be permitted to carry a concealed handgun without obtaining a
99 permit as provided in subsection D hereof: (a) notaries public; (b) registrars; (c) drivers, operators or
100 other persons in charge of any motor vehicle carrier of passengers for hire; or (d) commissioners in
101 chancery;

102 5. Noncustodial employees of the Department of Corrections designated to carry weapons by the
103 Director of the Department of Corrections pursuant to § 53.1-29; and

104 6. Harbormaster of the City of Hopewell.

105 D. Any person 21 years of age or older may apply in writing to the clerk of the circuit court of the
106 county or city in which he resides, or if he is a member of the United States Armed Forces, the county
107 or city in which he is domiciled, for a five-year permit to carry a concealed handgun. There shall be no
108 requirement regarding the length of time an applicant has been a resident or domiciliary of the county or
109 city. The application shall be made under oath before a notary or other person qualified to take oaths
110 and shall be made only on a form prescribed by the Department of State Police, in consultation with the
111 Supreme Court, requiring only that information necessary to determine eligibility for the permit. The
112 clerk shall enter on the application the date on which the application and all other information required
113 to be submitted by the applicant is received. The court shall consult with either the sheriff or police
114 department of the county or city and receive a report from the Central Criminal Records Exchange. As a
115 condition for issuance of a concealed handgun permit, the applicant shall submit to fingerprinting if
116 required by local ordinance in the county or city where the applicant resides and provide personal
117 descriptive information to be forwarded with the fingerprints through the Central Criminal Records
118 Exchange to the Federal Bureau of Investigation for the purpose of obtaining criminal history record
119 information regarding the applicant, and obtaining fingerprint identification information from federal
120 records pursuant to criminal investigations by state and local law-enforcement agencies. However, no
121 local ordinance shall require an applicant to submit to fingerprinting if the applicant has an existing

122 concealed handgun permit issued pursuant to this section and is applying for a new five-year permit
 123 pursuant to subsection I. Where feasible and practical, the local law-enforcement agency may transfer
 124 information electronically to the State Police instead of inked fingerprint cards. Upon completion of the
 125 criminal history records check, the State Police shall return the fingerprint cards to the submitting local
 126 agency or, in the case of scanned fingerprints, destroy the electronic record. The local agency shall then
 127 promptly notify the person that he has 21 days from the date of the notice to request return of the
 128 fingerprint cards, if any. All fingerprint cards not claimed by the applicant within 21 days of notification
 129 by the local agency shall be destroyed. All optically scanned fingerprints shall be destroyed upon
 130 completion of the criminal history records check without requiring that the applicant be notified.
 131 Fingerprints taken for the purposes described in this section shall not be copied, held or used for any
 132 other purposes. The court shall issue the permit and notify the State Police of the issuance of the permit
 133 within 45 days of receipt of the completed application unless it is determined that the applicant is
 134 disqualified. *Upon denial of the application, the clerk shall provide the person with notice, in writing, of*
 135 *his right to an ore tenus hearing. Upon request of the applicant made within 21 days, the court shall*
 136 *place the matter on the docket for an ore tenus hearing. The applicant may be represented by counsel,*
 137 *but counsel shall not be appointed, and the rules of evidence shall apply. The final order of the court*
 138 *shall include the court's findings of fact and conclusions of law.* Any order denying issuance of the
 139 permit shall state the basis for the denial of the permit and the applicant's right to and the requirements
 140 for perfecting an appeal of such order pursuant to subsection L. An application is deemed complete
 141 when all information required to be furnished by the applicant is delivered to and received by the clerk
 142 of court before or concomitant with the conduct of a state or national criminal history records check. If
 143 the court has not issued the permit or determined that the applicant is disqualified within 45 days of the
 144 date of receipt noted on the application, the clerk shall certify on the application that the 45-day period
 145 has expired, and send a copy of the certified application to the applicant. The certified application shall
 146 serve as a de facto permit, which shall expire 90 days after issuance, and shall be recognized as a valid
 147 concealed handgun permit when presented with a valid government-issued photo identification pursuant
 148 to subsection H, until the court issues a five-year permit or finds the applicant to be disqualified. If the
 149 applicant is found to be disqualified after the de facto permit is issued, the applicant shall surrender the
 150 de facto permit to the court and the disqualification shall be deemed a denial of the permit and a
 151 revocation of the de facto permit. If the applicant is later found by the court to be disqualified after a
 152 five-year permit has been issued, the permit shall be revoked. The clerk of court may withhold from
 153 public disclosure the social security number contained in a permit application in response to a request to
 154 inspect or copy any such permit application, except that such social security number shall not be
 155 withheld from any law-enforcement officer acting in the performance of his official duties.

- 156 E. The following persons shall be deemed disqualified from obtaining a permit:
- 157 1. An individual who is ineligible to possess a firearm pursuant to § 18.2-308.1:1, 18.2-308.1:2 or
 - 158 18.2-308.1:3 or the substantially similar law of any other state or of the United States.
 - 159 2. An individual who was ineligible to possess a firearm pursuant to § 18.2-308.1:1 and who was

 - 161 the date of his application for a concealed handgun permit.
 - 162 3. An individual who was ineligible to possess a firearm pursuant to § 18.2-308.1:2 and whose
 - 163 competency or capacity was restored pursuant to § 37.2-1012 less than five years before the date of his
 - 164 application for a concealed handgun permit.
 - 165 4. An individual who was ineligible to possess a firearm under § 18.2-308.1:3 and who was released
 - 166 from commitment less than five years before the date of this application for a concealed handgun
 - 167 permit.
 - 168 5. An individual who is subject to a restraining order, or to a protective order and prohibited by
 - 169 § 18.2-308.1:4 from purchasing or transporting a firearm.
 - 170 6. An individual who is prohibited by § 18.2-308.2 from possessing or transporting a firearm, except
 - 171 that a permit may be obtained in accordance with subsection C of that section.
 - 172 7. An individual who has been convicted of two or more misdemeanors within the five-year period
 - 173 immediately preceding the application, if one of the misdemeanors was a Class 1 misdemeanor, but the
 - 174 judge shall have the discretion to deny a permit for two or more misdemeanors that are not Class 1.
 - 175 Traffic infractions and misdemeanors set forth in Title 46.2 shall not be considered for purposes of this
 - 176 disqualification.
 - 177 8. An individual who is addicted to, or is an unlawful user or distributor of, marijuana or any
 - 178 controlled substance.
 - 179 9. An individual who has been convicted of a violation of § 18.2-266 or a substantially similar local
 - 180 ordinance or of public drunkenness within the three-year period immediately preceding the application,

 - 182 10. An alien other than an alien lawfully admitted for permanent residence in the United States.

183 11. An individual who has been discharged from the Armed Forces of the United States under
184 dishonorable conditions.

185 12. An individual who is a fugitive from justice.

186 13. An individual who the court finds, by a preponderance of the evidence, based on specific acts by
187 the applicant, is likely to use a weapon unlawfully or negligently to endanger others. The sheriff, chief
188 of police, or attorney for the Commonwealth may submit to the court a sworn written statement
189 indicating that, in the opinion of such sheriff, chief of police, or attorney for the Commonwealth, based
190 upon a disqualifying conviction or upon the specific acts set forth in the statement, the applicant is
191 likely to use a weapon unlawfully or negligently to endanger others. The statement of the sheriff, chief
192 of police, or the attorney for the Commonwealth shall be based upon personal knowledge of such
193 individual or of a deputy sheriff, police officer, or assistant attorney for the Commonwealth of the
194 specific acts, or upon a written statement made under oath before a notary public of a competent person
195 having personal knowledge of the specific acts.

196 14. An individual who has been convicted of any assault, assault and battery, sexual battery,
197 discharging of a firearm in violation of § 18.2-280 or 18.2-286.1 or brandishing of a firearm in violation
198 of § 18.2-282 within the three-year period immediately preceding the application.

199 15. An individual who has been convicted of stalking.

200 16. An individual whose previous convictions or adjudications of delinquency were based on an
201 offense which would have been at the time of conviction a felony if committed by an adult under the
202 laws of any state, the District of Columbia, the United States or its territories. For purposes of this
203 disqualifier, only convictions occurring within 16 years following the later of the date of (i) the
204 conviction or adjudication or (ii) release from any incarceration imposed upon such conviction or
205 adjudication shall be deemed to be "previous convictions."

206 17. An individual who has a felony charge pending or a charge pending for an offense listed in
207 subdivision 14 or 15.

208 18. An individual who has received mental health treatment or substance abuse treatment in a
209 residential setting within five years prior to the date of his application for a concealed handgun permit.

210 19. An individual not otherwise ineligible pursuant to this section, who, within the three-year period
211 immediately preceding the application for the permit, was found guilty of any criminal offense set forth
212 in Article 1 (§ 18.2-247 et seq.) of Chapter 7 of this title or of a criminal offense of illegal possession
213 or distribution of marijuana or any controlled substance, under the laws of any state, the District of
214 Columbia, or the United States or its territories.

215 20. An individual, not otherwise ineligible pursuant to this section, with respect to whom, within the
216 three-year period immediately preceding the application, upon a charge of any criminal offense set forth
217 in Article 1 (§ 18.2-247 et seq.) of Chapter 7 of this title or upon a charge of illegal possession or
218 distribution of marijuana or any controlled substance under the laws of any state, the District of
219 Columbia, or the United States or its territories, the trial court found that the facts of the case were
220 sufficient for a finding of guilt and disposed of the case pursuant to § 18.2-251 or the substantially
221 similar law of any other state, the District of Columbia, or the United States or its territories.

222 F. The making of a materially false statement in an application under this section shall constitute
223 perjury, punishable as provided in § 18.2-434.

224 G. The court shall require proof that the applicant has demonstrated competence with a handgun and
225 the applicant may demonstrate such competence by one of the following, but no applicant shall be
226 required to submit to any additional demonstration of competence, nor shall any proof of demonstrated
227 competence expire:

228 1. Completing any hunter education or hunter safety course approved by the Department of Game
229 and Inland Fisheries or a similar agency of another state;

230 2. Completing any National Rifle Association firearms safety or training course;

231 3. Completing any firearms safety or training course or class available to the general public offered
232 by a law-enforcement agency, junior college, college, or private or public institution or organization or

234 Department of Criminal Justice Services;

235 4. Completing any law-enforcement firearms safety or training course or class offered for security
236 guards, investigators, special deputies, or any division or subdivision of law enforcement or security
237 enforcement;

239 shooting competition or current military service or proof of an honorable discharge from any branch of
240 the armed services;

242 locality thereof, unless such license has been revoked for cause;

243 7. Completing any firearms training or safety course or class, including an electronic, video, or

249 instructor, school, club, organization, or group that conducted or taught such course or class attesting to
250 the completion of the course or class by the applicant; or a copy of any document which shows
251 completion of the course or class or evidences participation in firearms competition shall constitute
252 evidence of qualification under this subsection.

253 H. The permit to carry a concealed handgun shall specify only the following information: name,
254 address, date of birth, gender, height, weight, color of hair, color of eyes, and signature of the permittee;
255 the signature of the judge issuing the permit, or of the clerk of court who has been authorized to sign
256 such permits by the issuing judge; the date of issuance; and the expiration date. The permit to carry a
257 concealed handgun shall be no larger than two inches wide by three and one-fourth inches long and
258 shall be of a uniform style prescribed by the Department of State Police. The person issued the permit
259 shall have such permit on his person at all times during which he is carrying a concealed handgun and
260 shall display the permit and a photo-identification issued by a government agency of the Commonwealth
261 or by the United States Department of Defense or United States State Department (passport) upon
262 demand by a law-enforcement officer.

263 H1. If a permit holder is a member of the Virginia National Guard, Armed Forces of the United
264 States, or the Armed Forces reserves of the United States, and his five-year permit expires during an
265 active-duty military deployment outside of the permittee's county or city of residence, such permit shall
266 remain valid for 90 days after the end date of the deployment. In order to establish proof of continued
267 validity of the permit, such a permittee shall carry with him and display, upon request of a
268 law-enforcement officer, a copy of the permittee's deployment orders or other documentation from the
269 permittee's commanding officer that order the permittee to travel outside of his county or city of
270 residence and that indicate the start and end date of such deployment.

271 I. Persons who previously have held a concealed handgun permit shall be issued, upon application as
272 provided in subsection D, a new five-year permit unless there is good cause shown for refusing to
273 reissue a permit. If the new five-year permit is issued while an existing permit remains valid, the new
274 five-year permit shall become effective upon the expiration date of the existing permit, provided that the
275 application is received by the court at least 90 days but no more than 180 days prior to the expiration of
276 the existing permit. If the circuit court denies the permit, the specific reasons for the denial shall be
277 stated in the order of the court denying the permit. Upon denial of the application, the clerk shall
278 provide the person with notice, in writing, of his right to an ore tenus hearing. Upon request of the
279 applicant made within 21 days, the court shall place the matter on the docket for an ore tenus hearing.
280 The applicant may be represented by counsel, but counsel shall not be appointed, and the rules of
281 evidence shall apply. The final order of the court shall include the court's findings of fact and
282 conclusions of law.

283 J. Any person convicted of an offense that would disqualify that person from obtaining a permit
284 under subsection E or who violates subsection F shall forfeit his permit for a concealed handgun and
285 surrender it to the court. Upon receipt by the Central Criminal Records Exchange of a record of the
286 arrest, conviction or occurrence of any other event that would disqualify a person from obtaining a
287 concealed handgun permit under subsection E, the Central Criminal Records Exchange shall notify the
288 court having issued the permit of such disqualifying arrest, conviction or other event. Upon receipt of
289 such notice of a conviction, the court shall revoke the permit of a person disqualified pursuant to this
290 subsection, and shall promptly notify the State Police and the person whose permit was revoked of the
291 revocation.

292 J1. Any person permitted to carry a concealed handgun, who is under the influence of alcohol or
293 illegal drugs while carrying such handgun in a public place, shall be guilty of a Class 1 misdemeanor.
294 Conviction of any of the following offenses shall be prima facie evidence, subject to rebuttal, that the
295 person is "under the influence" for purposes of this section: manslaughter in violation of § 18.2-36.1,
296 maiming in violation of § 18.2-51.4, driving while intoxicated in violation of § 18.2-266, public
297 intoxication in violation of § 18.2-388, or driving while intoxicated in violation of § 46.2-341.24. Upon
298 such conviction that court shall revoke the person's permit for a concealed handgun and promptly notify
299 the issuing circuit court. A person convicted of a violation of this subsection shall be ineligible to apply
300 for a concealed handgun permit for a period of five years.

301 J2. An individual who has a felony charge pending or a charge pending for an offense listed in
302 subdivision E 14 or E 15, holding a permit for a concealed handgun, may have the permit suspended by
303 the court before which such charge is pending or by the court that issued the permit.

304 J3. No person shall carry a concealed handgun onto the premises of any restaurant or club as defined
305 in § 4.1-100 for which a license to sell and serve alcoholic beverages for on-premises consumption has

306 been granted by the Virginia Alcoholic Beverage Control Board under Title 4.1 of the Code of Virginia;
307 however, nothing herein shall prohibit any sworn law-enforcement officer or any retired law-enforcement
308 officer who meets the definition of a "qualified retired law-enforcement officer" pursuant to 18 U.S.C.
309 § 926C and is carrying the identification required by such statute from carrying a concealed handgun on
310 the premises of such restaurant or club or any owner or event sponsor or his employees from carrying a
311 concealed handgun while on duty at such restaurant or club if such person has a concealed handgun
312 permit.

313 J4. The court shall revoke the permit of any individual for whom it would be unlawful to purchase,
314 possess or transport a firearm under § 18.2-308.1:2 or 18.2-308.1:3, and shall promptly notify the State
315 Police and the person whose permit was revoked of the revocation.

316 K. No fee shall be charged for the issuance of such permit to a person who has retired from service
317 (i) as a magistrate in the Commonwealth; (ii) as a special agent with the Alcoholic Beverage Control
318 Board or as a law-enforcement officer with the Department of State Police, the Department of Game and
319 Inland Fisheries, or a sheriff or police department, bureau or force of any political subdivision of the
320 Commonwealth, after completing 15 years of service or after reaching age 55; (iii) as a law-enforcement
321 officer with the United States Federal Bureau of Investigation, Bureau of Alcohol, Tobacco and
322 Firearms, Secret Service Agency, Drug Enforcement Administration, United States Citizenship and
323 Immigration Services, Customs Service, Department of State Diplomatic Security Service, U.S. Marshals
324 Service or Naval Criminal Investigative Service, after completing 15 years of service or after reaching
325 age 55; (iv) as a law-enforcement officer with any police or sheriff's department within the United
326 States, the District of Columbia or any of the territories of the United States, after completing 15 years
327 of service; or (v) as a law-enforcement officer with any combination of the agencies listed in clauses (ii)
328 through (iv), after completing 15 years of service. The clerk shall charge a fee of \$10 for the processing
329 of an application or issuing of a permit, including his costs associated with the consultation with
330 law-enforcement agencies. The local law-enforcement agency conducting the background investigation
331 may charge a fee not to exceed \$35 to cover the cost of conducting an investigation pursuant to this
332 section. The \$35 fee shall include any amount assessed by the Federal Bureau of Investigation for
333 providing criminal history record information, and the local law-enforcement agency shall forward the
334 amount assessed by the Federal Bureau of Investigation to the State Police with the fingerprints taken
335 from the applicant. The State Police may charge a fee not to exceed \$5 to cover their costs associated
336 with processing the application. The total amount assessed for processing an application for a permit
337 shall not exceed \$50, with such fees to be paid in one sum to the person who accepts the application.
338 Payment may be made by any method accepted by that court for payment of other fees or penalties. No
339 payment shall be required until the application is accepted by the court as a complete application. The
340 order issuing such permit, or the copy of the permit application certified by the clerk as a de facto
341 permit pursuant to subsection D, shall be provided to the State Police and the law-enforcement agencies
342 of the county or city. The State Police shall enter the permittee's name and description in the Virginia
343 Criminal Information Network so that the permit's existence and current status will be made known to
344 law-enforcement personnel accessing the Network for investigative purposes. The State Police shall
345 withhold from public disclosure permittee information submitted to the State Police for purposes of entry
346 into the Virginia Criminal Information Network, except that such information shall not be withheld from
347 any law-enforcement agency, officer, or authorized agent thereof acting in the performance of official
348 law-enforcement duties, nor shall such information be withheld from an entity that has a valid contract
349 with any local, state, or federal law-enforcement agency for the purpose of performing official duties of

394 or is prohibited by the owner of private property.

395 P. A valid concealed handgun or concealed weapon permit or license issued by another state shall
396 authorize the holder of such permit or license who is at least 21 years of age to carry a concealed
397 handgun in the Commonwealth, provided (i) the issuing authority provides the means for instantaneous
398 verification of the validity of all such permits or licenses issued within that state, accessible 24 hours a

403 determine whether states meet the requirements and qualifications of this section, (b) maintain a registry
404 of such states on the Virginia Criminal Information Network (VCIN), and (c) make the registry available

476 S. For the purposes of understanding the law relating to the use of deadly and lethal force, the
477 Department of State Police, in consultation with the Supreme Court on the development of the
