

Virginia Department Of Transportation
2010 Fiscal Impact Statement (Regular Session)

1. Bill Number: HB 1109

House of Origin ☒ Introduced ☐ Substitute ☐ Engrossed

Second House ☐ In Committee ☐ Substitute ☐ Enrolled

2. Patron: Brink, R.

3. Committee: House Transportation

4. Title: Arlington County "911 Heroes Memorial Highway" - Renumbering and designation

5. Summary/Purpose:

Bill to renumber Virginia Route 27 adjacent to the Pentagon as Virginia State Route 911 and designate this portion of the road as "911 Heroes Memorial Highway"

6. No Fiscal Impact

7. Budget amendment necessary: NO

8. Fiscal implications: The bill as submitted would require VDOT to replace numerous route shield signs and overhead direction signs due to the renumbering. The latter sign replacement will probably require some lane closures, increasing the cost. The number of such signs is unknown at this time. While there is no fiscal implication to VDOT regarding the designation (naming) of the highway, Arlington County will be responsible for the cost of the signage which is approximately \$400 per sign.

9. Specific agency or political subdivisions affected: Arlington County, VDOT

10. Technical amendment necessary: Section two of the bill refers to the designation of a bridge, while it appears that this is actually the designation of a highway segment.

11. Other comments: NO
