2. Patron: Morgan

3. Committee: Agriculture, Chesapeake and Natural Resources

4. Title: Wastewater discharge permits.

5. Summary: This bill establishes procedures that the an owner or operator of a facility treating domestic sewage authorized by a Virginia Pollutant Discharge elimination system permit with a discharge greater than 1,000 gallons per day and up to 39,999 gallons per day that has not commenced the discharge of pollutants prior to January 1, 2011, shall demonstrate to the Department of Environmental Quality that he or she has acquired waste load allocations sufficient to discharge, except when the facility is for short-term temporary use only or when treatment of domestic sewage is not the primary purpose of the facility.

6. Fiscal Impact Estimates: See item 8.

7. Budget Amendment Necessary: No.

8. Fiscal Implications: No fiscal impact can be determined. The Department of Environmental Quality does not anticipate any change in the permitting workload.

9. Specific Agency or Political Subdivisions Affected: Department of Environmental Quality.

10. Technical Amendment Necessary: No.

11. Other Comments: None.
