8. Fiscal Implications: Although insufficient data exists to determine the fiscal impact due to the legislation at this time, the legislation could result in an increase in the jail population since a Class 1 misdemeanor can result in a sentence of up to 12 months in jail (and \$2,500 fine). Any increase in jail population will increase costs to the state. The Commonwealth presently pays the localities \$8.00 a day for each misdemeanant or otherwise local responsible prisoner held in a jail. It also funds most of the jails' operating costs, e.g. correctional officers. The state's share of these costs on a per prisoner, per day basis varies from locality to locality. However, according to the Compensation Board's FY2008 Jail Cost Report (November 1, 2009), the estimated total state support for local and regional jails averaged \$32.66 per state inmate, per day in FY 2008.

9. Specific Agency or Political Subdivisions Affected: Law enforcement agencies statewide, local and regional jails.

10. Technical Amendment Necessary: No.

11. Other Comments: None.
