2. Patron: Watts

3. Committee: Senate Transportation

4. Title: Secondary highway system design standards.

5. Summary: The proposed legislation would require the Department of Transportation to review new secondary system design standards proposed by counties with the urban executive form of government to be used in urban and urban development areas of such counties. The only county in the Commonwealth with the urban executive form of government is Fairfax County.

6. Fiscal Impact Estimates: Preliminary. See Item 8.

7. Budget Amendment Necessary: None.

8. Fiscal Implications: The proposed legislation would require some staff time to review the proposed design standards pursuant to the legislation's provisions. The agency should be able to absorb the workload within existing resources.

9. Specific Agency or Political Subdivisions Affected: Department of Transportation,
Department of Rail and Public Transportation

10. Technical Amendment Necessary: None.

11. Other Comments: None.
