May Impose Additional Rate

Second House:

5. **Summary/Purpose:**

This bill would add Alleghany County to the list of localities that are currently authorized to impose a transient occupancy tax at a maximum rate of five percent. Revenues from the portion of the tax in excess of two percent would be required to be used solely for tourism or marketing of tourism.

Under current law, any county may impose a transient occupancy tax at a maximum rate of two percent upon the adoption of an ordinance, on hotels, motels, boarding houses, travel campgrounds, and other facilities offering guest rooms. In addition, Virginia law separately identifies these counties that are authorized to impose a transient occupancy tax at a maximum rate of five percent. The revenues for the portion of the tax over two percent must be designated and spent solely for tourism, marketing of tourism, or initiatives that attract travelers to the locality and generate tourism revenues in the locality.

The effective date of this bill is not specified.

6. **Fiscal Impact Estimates are:** Not available. (See Line 8.)

7. **Budget amendment necessary:** No.

8. **Fiscal implications:**

This bill would have no impact on state revenues. Currently, Alleghany County levies a two percent tax on the amount charged to its lodging customers. This bill would allow Alleghany County to impose a transient occupancy tax of up to five percent. As it is unknown whether Alleghany County will exercise the authority granted by this bill to increase the rate of its transient occupancy tax, the impact of this bill on local revenues is unknown. If Alleghany County exercises the authority granted by this bill and imposes the tax at the maximum rate, the estimated revenue gain for Alleghany County would be \$116,000 in Fiscal Year 2011, \$131,000 in Fiscal Year 2012, \$136,000 in Fiscal Year 2013, \$142,000 in Fiscal Year 2014, \$148,000 in Fiscal Year 2015 and \$154,000 in Fiscal Year 2016.

Generally

Under current law, any county may impose a transient occupancy tax at a maximum rate of two percent, upon the adoption of an ordinance, on hotels, motels, boarding houses, travel campgrounds, and other facilities offering guest rooms. The tax, however, does not apply to rooms rented on a continuous basis by the same individual or group for 30 or more continuous days. The tax applies to rooms intended or suitable for dwelling and sleeping. Therefore, the tax does not apply to such rooms used for alternative purposes, such as banquet rooms and meeting rooms.

The revenues collected from this additional tax must be spent for the design, construction, debt payment, and operation of the conference center.
